MONROE, LOUISIANA, SUNDAY, JUNE 3, 1934

THE WEATHER

LOUISIANA: Partly cloudy to cloudy and unsettled Sunday and Monday. Light to moderate southerly winds on the coast. ARKANSAS: Mostly cloudy, probably scattered thundershowers Sunday and Monday. MONROE: Maximum, 91; minimum, 71. River, 13.6.

PRICE FIVE CENTS

TODAY

1,000,000 May Strike
Poland Copies Hitler
Useful Newspaper Work

By ARTHUR BRISBANE
(Copyright, 1934, King Features Synd.)

THE REAL and unpleasant news, as the week ends, is that one million men may go on strike in the steel and textile industries. The president will seek next week to prevent disastrous strike wars and keep business going, now that it has started.

Unfortunately workers show a disposition to ignore the orders and advice of labor leaders, and the president can deal only with the leaders. He cannot come directly in contact with the mass of workers, although he can reach them with his voice and through printed appeals.

The strike is the big problem now. If, following more than four years without work, men decide that they won't take work when they can get it, or stay on a job when they have it, or let other men take it restoration of prosperity will be difficult.

WATCHING THE price of wheat go up, December wheat Friday sold at one dollar and seven cents and a half a bushel, farmers wish that the government had let them plant all the wheat they wanted to plant, instead of paying them a bonus to plant less. Until government can control weather, wind, rain, and heat, as it controls farmers, it should be cautious about artificially and arbitrarily reducing crop wealth, that the farms would produce if left to themselves.

THE RUSSIAN ambassador, whose instructions from Stalin are the same as those given to Russia's ambassador to Japan; "Listen to everything, observe everything, say as little as possible," believes in seeing for himself and is about to make a trip of exploration and observation on the west coast, visiting Los Angeles, San Francisco and Seattle.

He might take the recently appointed highly intelligent young Japanese ambassador with him on that trip across the United States, and up and down the Pacific coast. After such a trip, the Russian ambassador would probably say to the Japanese ambassador: "Whatever difficulties we may have with each other, it is evidently wise to let this American country alone."

AN IMITATION of Hitler's Nazi party develops in Poland, where sympathy for Germany has been increasing in spite of large sums that France has contributed to build up an independent Polish nation. Poland's Nazi party, the "Grey Shirts" (every new dictator party, it seems, must have some kind of a shirt), includes in its program a war against Jews.

The official "Polish Gazette" deploring the rise of a new anti-Semitic party, warns Poland that "extermination of the Jews will not cure economic ills."

"Extermination" or, rather driving out Poland's Jewish citizens, will go far toward destroying Polish business, a poor way to "cure economic ills," as the Spaniards discovered long ago. The Polish official gazette "hopes that Poland will outlive attacks upon Jews, as it has outlived other stupid and dangerous political creeds."

THE POLISH "Grey Shirts" held responsible for "anti-Jewish outbreaks all over Poland," have established a daily newspaper, the Sztetfeto.

KU KLUX ISSUE IS RAISED IN ALABAMA

BIRMINGHAM, Ala., June 2.—(P)—Dormant for years, the Ku Klux Klan is a political issue in the race for the Democratic gubernatorial nomination between former Governor Bibb Graves and Major Frank M. Dixon, Birmingham attorney, who in ten days settle the question in a "run-off" primary. The Klan question was thrust to the front during the past ten days by Major Dixon, who charged that former Governor Graves, who had the support of the order in his successful race in 1926, had the same support this year.

"A smoke screen," replied the former governor, who declared his opponent in "desperation" sought to inject the question into the race. "The day of masked men parading the highways and flogging people shall not come again, and it will not come again, if I am elected governor," Dixon said as he stamped the state against the former governor.

Italy To Fight Next War For Self Alone

ROME, June 2.—(P)—Premier Mussolini told 10,000 volunteers today that Italy will fight her next war for herself alone and not on behalf of any other nations pretending to be her allies.

"Italy's volunteers, if war is necessary, will shed their blood only for Italy," declared Il Duce. "Experience has shown them that it does not pay to help by land or sea the people who pretend to be our allies." Mussolini was interpreted as referring to France and her world ally, Serbia, now part of Yugoslavia. France, he has said, did not give Italy the colonial territory promised in the London treaty of 1915 following which Italy entered the war.

COMMERCE GROUP VOTES TO OPPOSE ADDITIONAL TAXES

C. Of C. Directors Will Fight Proposed Legislative Levies

RESOLUTION ADOPTED Bernstein To Head Committee To Go To Baton Rouge Tuesday

Unqualified opposition to the imposition of any additional taxation by the Louisiana state legislature was voiced by the board of directors of the Chamber of Commerce of Monroe and West Monroe at a special meeting called Saturday afternoon to discuss pending measures introduced at the present session.

A resolution embodying the action was ordered to be transmitted to all members of the legislature. The resolution as adopted reads:

"The board of directors of the Chamber of Commerce of Monroe and West Monroe, in special session Saturday, June 2, 1934, hereby places itself on record as unanimously opposed to the imposition of additional taxes of any nature by this legislature, and that copies of this resolution be sent to the members of the house of representatives."

The board also voted to send a committee of citizens, headed by Mayor Arnold Bernstein, to Baton Rouge to appear before the ways and means committee at its open hearing on tax measures next Tuesday. Mayor Bernstein announced that the committee would leave Monroe Sunday for Baton Rouge.

The meeting of the Chamber of Commerce board was called by President A. V. Miller and was held at 2 o'clock Saturday afternoon. Discussion of proposed taxation measures before the legislature developed the view that any program which involves additional taxation is "inimical to the interests of every citizen of Louisiana."

The conference decided not to single out any particular bill for opposition, but to place itself on record as "absolutely opposed to any plan which involved new taxes of any description."

"We are not fighting for any individual industry or activity," announced President Miller, following the meeting, "but we are fighting to help relieve the burden on every citizen of the entire state. That is the significance of our action."

This view will be presented by the chamber's committee which was authorized to appear at the hearings in Baton Rouge Tuesday.

HUEY INVOLVED IN ANOTHER ARGUMENT

WASHINGTON, June 2.—(P)—Senator Huey Long is in another international argument.

Disregarding ordinary diplomatic procedure which requires foreign diplomats to deal only through diplomatic channels, Dr. Enrique Finot, Bolivian minister to the United States, today resorted to direct correspondence to call Long's recent speech in the senate on the Chaco conflict in South America as "offensive" and "complete distortion of the truth."

"While my diplomatic condition makes it impossible for me to answer your complete distortion of the truth, and I must call to your attention certain facts, the truthfulness of which is supported by official documents," Finot then proceeded to denounce Long's assertion that the United States government had declared the Chaco territory belonged to Paraguay and that the Standard Oil company was backing Bolivia in her war with Paraguay. Finot said chief responsibility for the war rested with Paraguay "because of her treacherous attack on Bolivia."

SAYS 'MISS UNKNOWN' MAY BE HER SISTER

That "Miss Unknown," comely amnesia victim, who has been a patient in a Houston, Texas, hospital for several days, is her sister, was the belief expressed Saturday by Mrs. Dovie Beavers, 301 Vernon street. Efforts to compare descriptions were unsuccessful last night.

Physicians and police planned Saturday to administer the truth serum to the patient who recalls nothing of her past, according to an Associated Press dispatch. The serum is a chemical compound used to revive the memory and make unwilling persons talk.

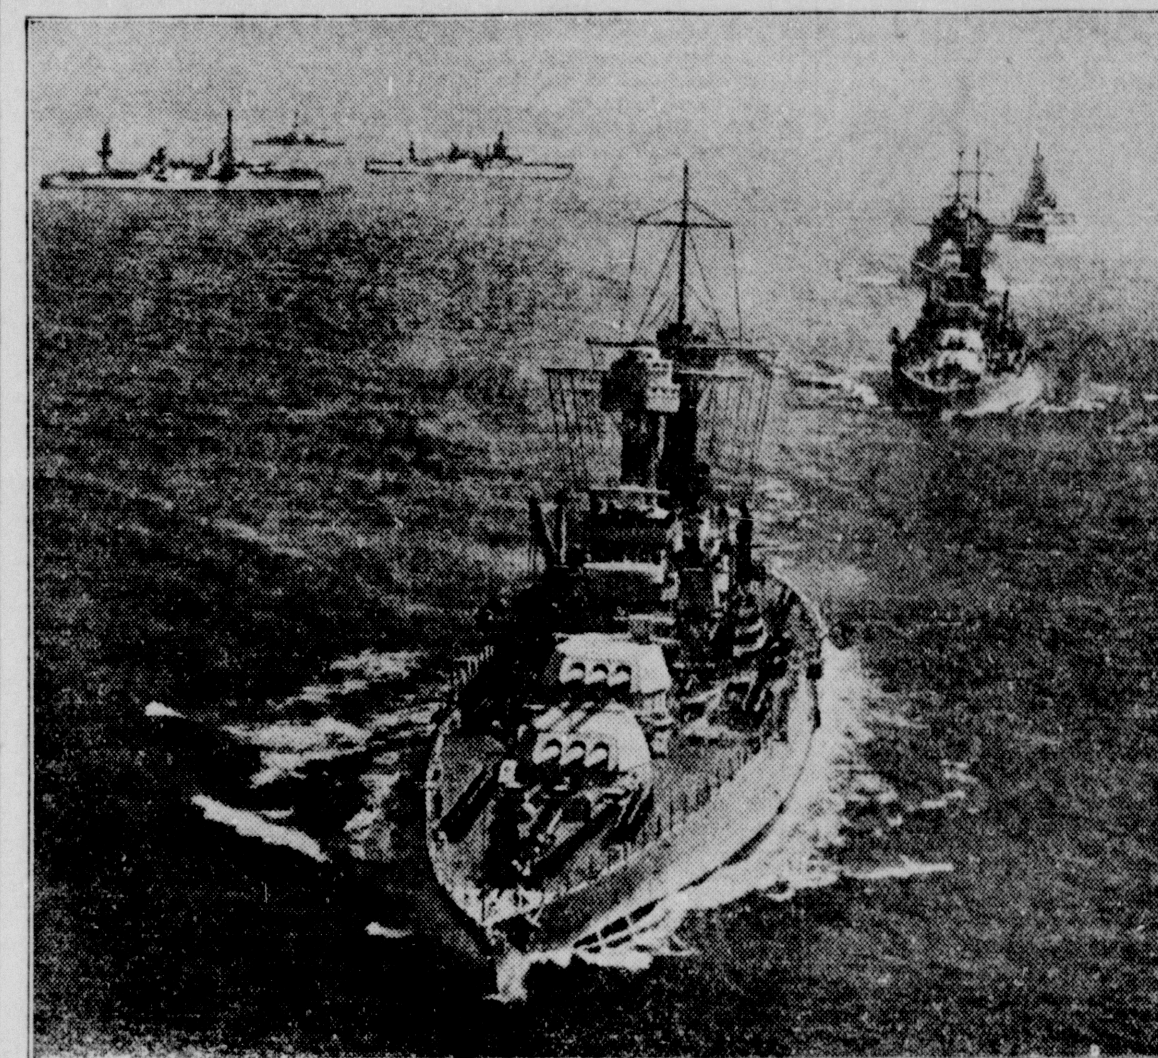

Mrs. Beavers said Grace Bryant, a sister, left here a month ago for Hot Springs, Ark., to recuperate her failing health and has not been heard of since.

She described her sister as having blond hair, weighing 115 pounds and as having a long scar just below the elbow on the left arm and a prominent scar on the stomach.

HAMILTON FREED

CROCKETT, Texas, June 2.—(P)—Floyd Hamilton, brother of Raymond Hamilton, was released on \$5,000 bond today and left at once for his home in Dallas. He will return Aug. 13 to appear before the grand jury. He has been charged with aiding convicts to escape and with being an accessory to the slaying of Major Cronson, a prison guard, last Jan. 16.

THE FLEET PARADES IN MAJESTIC REVIEW

This picture taken from the air shows the majestic armada of steel-gray warships—the fleet of the United States—as it paraded past reviewing ships outside of the New York harbor. In background, off the fleet, are the reviewing vessels, the cruisers Louisville and Indianapolis. Guns boomed and bands played as the warships steamed past President Roosevelt, who reviewed the display from the Indianapolis. (Associated Press Photo).

STRIKERS' RANKS ARE SWELLED BY MORE WALKOUTS

Efforts To Prevent Strike In Textile Industry Are Successful

(By Associated Press)

Butchers, busmen, street car operators, filling station attendants and brewery employees swelled the ranks of strikers Saturday while efforts to prevent a strike in the textile industry were successful and moves were under way to halt a threatened walk-out in the steel industry.

These were the salient developments in the capital-labor litigation:

South Bend, Ind.: Employees of Northern Indiana Railways, Inc., left their buses and surface cars, and transportation in South Bend and Mishawaka was halted. Some interurban lines also ceased service and yards were picketed by the strikers, who demanded seniority rights for city street car men over interurban motormen, a 42 cent an hour wage and shorter hours.

DAN BEARD CALLS DILLINGER 'SISSY'

BUFFALO, N. Y., June 2.—(P)—John Dillinger, America's present No. 1 bad man, is just a "sissy" to Dan Beard, 83-year-old veteran scoutmaster and experienced woodsman. "Uncle Dan," here to attend the annual Boy Scout convention, today voiced his opinion of the crime situation in a few pithy sentences.

"Dillinger, just a sissy! Give me my way and I'd clean these gangsters out in a minute. I'd take men like Bill Cody, Jim Hugo and maybe one other. Drop your silly laws and turn 'em loose. Why in no time at all there'd be a mass funeral for yeggs. "Dillinger, and the rest, too, are just so many bluffers playing tag with amateurs. Now you take sheriffs of the old days—some of the fellows I knew—they were tough. The trouble with us today is this—we don't take insults seriously enough. And Dillinger and his ilk constitute an insult."

City Swelters Again As Mercury Hits 91

Monroe sweltered again Saturday, despite the fact that the maximum temperature was several degrees lower than that of several preceding days. Humidity was so great that many were under the impression that Saturday was fully as hot as Thursday or Friday.

Saturday's maximum, however, was 91, compared to 95 for Friday and 97 for Thursday, when a new high record for the season was established. The minimum for Saturday was 71. Rain fell heavily for a short time early in the morning, but total precipitation amounted to only .15 of an inch, according to records kept by Miss Katie Key, government weather recorder.

PRESIDENT GOES HOME

WORCESTER, Mass., June 2.—(P)—President Roosevelt returned tonight to his special train in the yards here from the Groton school, arriving at 11:45 p.m. He motored through a driving rainstorm over the 30-mile route, and soon after boarding his train set out for Hyde Park, N. Y., to spend Sunday at his family home.

8 Mill School Tax Will Be Voted On In LaSalle

JENA, La., June 2.—(Special)—Over 1,500 voters of LaSalle parish are expected to cast their ballots in the special eight-mill school tax election called in this parish for June 29. Clarence Paul, registrar of voters, who closed his books on May 29, states that this number is about half the usual voting strength of the parish.

COLLEGE TO HOLD SERVICES TODAY

Baccalaureate Sermon Will Be Preached By Rabbi Hirsch

Baccalaureate services this afternoon at 3 o'clock and commencement exercises Monday morning at 10 o'clock for Ouachita parish junior college will bring to a close commencement activities in Monroe for the present season. Diplomas will be awarded to about 75 graduates at the commencement exercises.

This will be the second annual commencement for the school. It has been in operation for three years, but two years are required to finish the junior college course and for this reason first commencement exercises were held last year.

The baccalaureate sermon will be delivered by Rabbi F. K. Hirsch in the college auditorium.

First on the baccalaureate program will be "Inauguration March," by Victor Herbert, by the college orchestra. This will be followed by invocation and then the singing of "Holy, Holy, Holy," (Nicaea) by the congregation. Next will come the scripture reading, Mrs. Roger C. Frisbie will render a violin solo, "Andante Religioso," by Thome.

This will be followed by the baccalaureate sermon. The congregation will then sing the Doxology and this will be followed by the benediction and the recessional, "March Romans" (Gounod), by the orchestra.

Ushers for the occasion will be Virginia Gray, Louise Wood, Elizabeth

Scene Is Laid For New Taxation Orgy By Louisiana Legislature

Sales Tax Measure Expected To Be Thrown In Hopper Sunday Night

(Special Dispatch from News-Star-World Legislative Bureau)

BATON ROUGE, June 2.—As a result of the week's developments at Baton Rouge, the legislative table is about set for the biennial tax feast. In the matter of variety of taxes, Louisiana proposes to excel its own hitherto unmatched record. It offers seventeen new kinds, to be added to the 1932 string. Some of them are old sources of taxation, reinvigorated and reinfused so that they may prove more productive. But, mostly, the 1934 offering is a new tax menu.

The chief steward of the Louisiana taxing forces, presently battling in Washington, is expected to reach Baton Rouge shortly to direct his aides in the distribution of whatever taxes the legislature may allow—if any.

ILLNESS IS FATAL TO CALIFORNIA'S GOVERNOR ROLPH

Picturesque Official Succumbs To Combination Of Diseases

SAN JOSE, Calif., June 2.—(P)—California's picturesque and widely-known governor, James Rolph, Jr., 64, died here today.

In the quiet of the Santa Clara valley ranch home of Walter Lanforth, a friend, the chief executive succumbed to a combination of diseases which overcame him several months ago and recently caused him to abandon plans for a reelection campaign.

For days the death had been expected. Early in the week physicians abandoned hope for Rolph. Every time he rallied the succeeding relapses left him weaker. The climax came this afternoon when Dr. J. M. Scanland, superintendent of the state hospital at Azusa, announced: "Dead—1:30 p.m."

"Sunny Jim" Rolph, whose personal characteristics and long public career made him known on two continents, died at his home, James Rolph, 3rd, held his hand. Mrs. Rolph and the governor's three brothers, Will, Ronald and Tom, were at the bedside.

The duties of governor immediately fell upon Lieut. Governor Frank F. Merriam of Long Beach, like Rolph, a Republican. Merriam, a former Iowa state legislator, is 67 years old, a native of Hopkinton, Iowa. He had announced previously for the Republican nomination for governor.

Beasley Is Operated On While Visiting in Texas

Bun Beasley, general superintendent of the Brown Paper mill, underwent an operation for appendicitis at Orange, Tex., yesterday morning at 11 o'clock, according to information received here.

Mr. Beasley, who was visiting in Orange with his wife at the home of Mrs. Beasley's mother, is in the Luther hospital there.

Iberville Parish Citizens Urge People To Gather At Capital To Defend Rights

ORLEANS CITIZENS CALL FOR MEETING TO PROTEST BILLS

Labor And Civic Leaders Declare Liberties Are In Jeopardy

NEW ORLEANS, June 2.—(P)—Declaring liberties in "imminent jeopardy," five labor leaders and 225 civic, business and professional men of New Orleans tonight issued a call for citizens of Louisiana to assemble in the municipal auditorium at 8 p.m., Wednesday to express themselves in "unmistakable terms" on the state constabulary bill which is now before the legislature seeking the creating of a state police force.

The call for the meeting declares the threat from this bill, which is supported by the senator Long-Governor Allen administration, is a "new and greater tyranny and indignity" than were the "insufferable abuses of the metropolitan police."

The call for the meeting follows: "To the red blooded citizens of Louisiana, irrespective of party or factional affiliation: "Your liberties are again in imminent jeopardy."

"On September 14, 1874, your forefathers shed their blood and gave their lives to free themselves from the tyranny and oppression of the metropolitan police and the insufferable abuses perpetrated by them. Two men who fought then still survive. Unanimously they join us in this call for united effort to repel a new and greater tyranny and indignity sought to be imposed upon us by a bill introduced May 31, 1934, in the Louisiana legislature to create an arm (with weapons concealed or unconcealed) a larger and more dominating state-wide band, a standing army under the complete domination of the governor authorized to arrest you without warrant, and drag you from your homes, to search your houses, to dominate your lives and to destroy your civil liberties."

"Such legislation is indefensible, completely destroys all semblance of home rule and re-establishes in more obnoxious form all of the evils of the detested metropolitan police and its reconstruction terrorism. "Following the example of our forefathers, we, the undersigned, call upon you peacefully to assemble at the municipal auditorium on June 27, 1934, at 8 p.m."

CHILD IMPRISONED IN CHICKEN COOP

SAN JUAN CAPISTRANO, Calif., June 2.—(P)—Terribly emaciated, seven-year-old Mary Ebarquary was cared for at Santa Ana hospital today while authorities launched an inquiry into the asserted imprisonment of the child in a chicken pen by her mother.

Robert Sandon, investigator for the Orange county district attorney's office, said Mrs. Barney Ebarquary had penned up the child because she believed her daughter had an "evil eye" and was capable of "casting spells" on members of the family, including six other children.

The child was rescued from her prison by Sandon after her plight had been disclosed by Mrs. Thomas Ramos, whose home adjoins the Ebarquary cottage here.

"Apparently," said Sandon, "The parents refused her any food except such as is ordinarily fed to chickens for the poor child seemed almost a skeleton. Her dress was filthy and in tatters and her body and hair showed the effects of long neglect."

(Continued on Eighth Page)

Scene Is Laid For New Taxation Orgy By Louisiana Legislature

There are certain little details at the state capital, such as proper maintenance of the state machine, which the chief steward leaves to no other judgment but his own. When he arrives, he will probably find the tax table completely set, for it must be finished by Sunday night, according to the opinion of the attorney general. The newest report about tax plans is that a general sales tax measure, offered in lieu of property taxes, will be tossed into the house crucible Sunday evening. The idea of those behind this move is to be ready for emergencies with ammunition that may prove less destructive and more acceptable than the proposed refinancing plan of the Louisiana Tax Reform commission and the state administration. As between an income tax and a sales tax, for instance, the preference of business and industry is undoubtedly for the sales levy. With this trend, however, goes the demand that the sales tax be a lieu tax and that its proceeds be constructively utilized and equitably distributed.

As far as it has been prepared and presented to the lawmakers of the state, the tax menu contains the following items, the first ten of which are in the fiscal setup of the tax reform commission:

1. A net income tax on individuals and corporations.
2. A pipe line tax of 2 cents per 1,000 cubic feet on natural gas.
3. Increases in the severance tax rates, except in the case of oil, which is reduced.
4. A license tax of from 3 to 5 cents per barrel on oil transported or manufactured in the state.
5. A gallonage tax on whiskey, wines and alcohol.
6. A 2 per cent tax on the gross receipts of public utilities.
7. A 2 per cent tax on the gross

ROGERS HAS HIS SAY

BEVERLY HILLS, Cal., June 2.—(Special).—Among all the big news and headlines of the news, there was a little item that sure gave me great encouragement. It said that some great professor of the Smithsonian institute had discovered that a person with a "cowlick" was human, and not like the person who had none, as they descended from the ape, as no ape ever had a cowlick. So now instead of having M. D. and Ph. D. after your name (and all those things to publicly advertise your supposed knowledge), why, we just take off our hat and show you the old "cowlick" and say, "there, you apes, take a look at a human."

Yours,
Phil Rogers.

HARVEY FIELDS FLAYS PROPOSED BUDGET MEASURE

P. S. C. Chairman Says Bill Is Dangerous Method Of Regulation

Asserting that the bill now before the legislature proposing budget supervision by a state board over municipalities, school boards and police juries is "a very dangerous method of regulation," Harvey G. Fields of Farmville, chairman of the Louisiana public service commission, Saturday issued a statement in Monroe condemning the proposed measure.

The statement in part was as follows:

"The proposed plan for supervision by a state board over municipalities, school boards and police juries and the preparation of their budget, or the power to approve or disapprove local budgets is a very dangerous method of regulation."

"It is undoubtedly true that in some localities officials have had no regard for economy, for retrenchment, nor have attempted to reduce taxation for their poor tax burdened constituents, but such instances are on the minority side, as seventy-five per cent of our local officials have been sympathetic and desired to give their communities relief."

"I do not believe that a state board over the cities, towns and parishes would be of any value or successful effect, but would be conducive of destroying that fundamental principle of local self government which is conducive to the up-building and welfare of every community, and the destruction of which would be most inimical and injurious to a democratic policy that is instilled in the heart of every

HELLED FOR THREATS AGAINST PRESIDENT

MIAMI, Fla., June 2.—(P)—The federal grand jury today returned an indictment, Deputy Clerk Palmer Rosemond reported tonight, charging A. L. Savage, of Fish Kill, N. Y., with uttering threats against the life of President Roosevelt.

Savage, who winters at Largo, on the west coast of Florida, is alleged to have made the threats in the presence of W. M. Ridnour, of Largo, Fla., Ridnour, at whose home the New Yorker has lived for the past three years, related the conversation in an affidavit given to United States District Attorney John W. Holland and federal agents.

Savage, who was said by agents to be about 50 years old and engaged in the mortgage and loan business, left Largo for Fish Kill some time in March and shortly before Ridnour made his affidavit.

Princess Mdivani Said To Have Stomach Ache

LONDON, June 2.—(P)—A stomach ache was said by members of the Hutton entourage today to have been the cause of the flurry over the condition of Princess Barbara Hutton Mdivani.

The princess, whose parents, Mr. and Mrs. Franklin L. Hutton, reached yesterday, was said to have contracted a stomach complaint in China during her round-the-world wedding trip.

A recurrence caused her removal to a medical clinic, but today she and her husband, Prince Alexis, were in a Rochester hotel.

Occupying an adjoining suite to that of the parents, she will remain at the hotel until physicians determine whether she is able to accompany her parents back to the United States, it was said.

(Continued on Second Page)

Solons Accused Of Hatching Scheme To Levy Outrageous Taxes

MASS MEETING HELD

Warning Given Against Measure To Establish Police System

BATON ROUGE, La., June 2.—(P)—Governor O. K. Allen tonight announced that the constabulary bill designed to create a state police force would be withdrawn from the legislature because of "widespread misunderstanding" of the measure.

The bill was introduced last week by Representative William J. Hammon, of Jackson parish, and has aroused a storm of protest from municipal officers and citizens who have called mass meetings and issued statements declaring that it was "tyrannical" and struck at "local self-government."

The bill was sponsored by the administration of Senator Huey P. Long and Governor Allen. Its backers estimated that its outlay would call for an expenditure of \$400,000. There was no fixed limit on the membership of the proposed state highway police force.

FLAQUEMINE, La., June 2.—(P)—A strongly worded resolution assailing tax bills before the legislature was adopted here today at a courthouse meeting of members of the Association of Commerce and Industries and Iberville parish citizens.

Talks condemning revenue measures pending in the general assembly were made by Mayor W. N. Emde, of Flaquimine, and E. Monnot Lanier, and Lionel Delacour, local business men.

The resolution attacked the state administration vigorously, and said its sole purpose was "to provide more money for political job holders and racketeers."

The legislature was accused of "hatching a scheme to levy many new and outrageous taxes."

Not only were the tax bills assailed, but the Hammon state constabulary bill was also criticized.

The text of the resolution follows: "Whereas a scheme is being hatched by the state legislature to levy many new and outrageous taxes on the people of the state of Louisiana, and whereas the sole purpose of the administration is to provide more money for political racketeers and jobholders who are found in such abundance on the state payroll, and whereas the state administration is trying to deceive and camouflage the people of the state by holding out a hope that they are to get tax relief by doing away with small state taxes paid on homesteads, and whereas the state administration is endeavoring to force tax measures on the people by rushing

(Continued on Eighth Page)

POLICE ARE PROBING POISON GUM SCHEME

SACRAMENTO, Calif., June 2.—(P)—Police groped today for the motive in an apparent plot to wipe out an entire family with poison chewing gum.

Examination of gum left at the home of Mrs. Georgia McKenzie revealed a coating of deadly poison on each stick. The word "sample" had been typewritten on a small brown envelope enclosing each stick.

Mrs. McKenzie found the chewing gum Tuesday night when she returned home from work. Only the fact that she placed it in her purse before other members of the household found it prevented a tragedy, police believe.

Similar "samples" were found at three other houses in the same block, and although they have not been analyzed, authorities believe they were not poisoned.

L. C. Craven reported finding one of the packages Wednesday and said he chewed the contents with no ill effects.

Little Girl Quintuplet Is Not Progressing Well

CORBEIL, Ont., June 2.—(P)—One of the Dionne quintuplets, the little girl infant who weighs about one pound twelve ounces, is not making as good progress as her four sisters, Dr. A. R. DaFoe, their physician, said this afternoon.

Several times the child has turned blue because of her lack of vitality and rum has been administered to revive her. This happened in the cases of the other children as well, but they show more strength, the physician said.

He emphasized that all five infants are in danger of death every minute. Everything is being done for them that can be done but medical science can only go so far in keeping them alive. The amount of strength they gain from the milk now being given them will decide whether they live or die, he declared.

SOIL EROSION TO BE STUDIED

Federal Expert To Address Farmers, Others At Ruston Meeting

RUSTON, June 2.—(Special).—A soil erosion service meeting for farmers, business men and all interested in the betterment of the soil of north Louisiana will be held in Ruston next Friday at 2:30 p.m. in the high school auditorium, according to an announcement made today by Dr. A. H. Meyer, regional director and H. B. Martin, assistant director of the Ruston area.

Dr. R. A. Winston, technical secretary and advisor to H. H. Bennett, director of the soil erosion service, department of interior, Washington, will be the principal speaker. G. L. Lee, dean of the agriculture college at L. S. U., will also be one of the main speakers on the program.

The purpose of the meeting, it was said, is to obtain the cooperation of the land owners and farmers of this section interested in improving the soil for farming purposes.

Farmers from Webster and Lincoln areas and everyone interested in the control of soil erosion in north Louisiana are invited to be present at the meeting.

Dean Lee will also speak on the farming possibilities in north Louisiana.

FOUR MAKE HONOR ROLL OKALOOSA, La., June 2.—(Special).—The seventh grade honor roll students of the Okaloosa grammar school were announced as follows: Willie Laine Fowler, Louise Bonnett, Margaret Hamilton and Charlotte Roberts.

Argentina has about 186,000 acres of forest land, nearly one-fourth of the area of the country.

Offer is limited. Write today to: INTERSTATE LIFE ASSOCIATION, Dept. F-178 Hollywood, California. (Adv.)

CHURCH PARADE AT MEMORIAL FIELD MASS

The procession, that portion of church parade preceding the field mass at the American Legion memorial home here last Sunday, is shown in progress in this picture. The national and legion colors were being advanced by their bearers to their positions flanking the altar. Soldiers of Company G, Monroe rifle unit of the 156th infantry, Louisiana national guard, are seen advancing toward the altar on the front porch of the legion home. A portion of the throng of 2,000 persons who witnessed the mass, sponsored by Barksdall Faulk post of the legion at its annual memorial service for Americans who made the supreme sacrifice in wars in which the United States has participated, is seen along the line of march. Rev. Father N. F. Vandegard, pastor of St. Matthew's Catholic church here, was the celebrant of the mass. The sermon was preached by Most Rev. Daniel F. Desmond, bishop of the Alexandria diocese, and a legionnaire.

SCENE LAID FOR NEW TAXING ORGY

(Continued From First Page)

purchases and sales of cotton and stock exchanges.

8. An increase in the chain store tax.

9. Readjustment of the tobacco tax so as to put a fixed tax of 3 cents on cigarettes selling for 10 cents per package.

10. A tax of 2 per cent on the gross advertising receipts of newspapers, magazines and periodicals of over 20,000 circulation and on the proceeds of screen advertising.

11. A tax of 2 cents per pound on carbon black. (Introduced by Representatives Lucas and Lee, of Rapides).

12. A graduated admission and license tax on dance halls, night clubs, public halls and like places of amusement. (Introduced by

Representatives Hand and Burke, of Orleans).

13. A tax of 10 per cent on receipts of telegraph and wireless companies. (Introduced by Hand and Burke).

14. A license tax on the automobile repair business, ranging from \$30 to \$300. (Introduced by Burke).

15. A sales tax of 3 per cent on luxuries, to last for three years, and to be in lieu of the 3 mill parish constitutional school tax. (Introduced by Representative Ferguson, of Richland).

16. A graduated tax on vending machines, ranging from \$20 to \$500. (Introduced by Representative Sharp, of Livingston).

17. An increase in the tax for Confederate pensions from 3-4 of a mill to 1 mill. (Introduced by Representative Madison, of Morehouse, and Kiddle, of Avoyle).

Madison and Ferguson are classed as independents. The other introducers named are all administrationists.

North Louisiana is interested chiefly in suggested changes in oil and gas taxes. Proposed reductions in the severance taxes concerning oil are: Below 28 gravity, 3 cents; from 28 to 31, four cents; 31 to 32, five cents; 32 to 36, 6 cents; 36 to 43, seven cents; above 43 eight cents. The rates are predicated on barrels of 42 gallons each.

Chiefly, North Louisiana would pay a seven cents severance tax on oil production. The present tax is ten cents. However, seven cents is over twice the Oklahoma, Texas and Arkansas scales. The Louisiana oil producing interests will press for the passage of the bill of Representative M. M. Morelock, of Claiborne, providing a severance tax of three per cent of market value on crude petroleum.

Natural gas interests are heavily hit by the proposed new tax system. Severance taxes at the mouth of the well are raised from one-fifth of a cent per 1000 cubic feet to 2 cents over 1000 cubic feet. In addition, natural gas passing through pipe lines must pay 2 cents per 1000 cubic feet. The pipe line bill covering oil provides that there shall be no duplication of taxation. If Louisiana crude has paid the severance tax, it will not pay the pipe line tax. Obviously therefore the state proposes to tax oil brought in pipe lines from other states. The tax on pipe line gas has for its purpose the raising of revenue from Louisiana gas piped to consuming centers outside of Louisiana.

The Louisiana tax reform commission offers its program in lieu of existing sources of taxation, to cover prospective losses caused by the promised \$2,000 homestead exemption, to take over and pay the road bonds of the parishes and in aid of the public schools. They are to be lieu taxes to the extent that they will save the homesteader a small portion of his state tax, will replace school maintenance taxes in many of the parishes and will remove the necessity for continuing local taxes to pay road bonds. But, if the taxes are imposed as suggested, there will undoubtedly be a large increase in the school and general revenues of the state.

The disposition of the legislature, as expressed in resolutions endorsed by both houses, is to get state economy and tax relief first, and then provide new sources of revenue. There is no such disposition on the part of the administration, however, if it can possibly do so, the Long-Allen regime will bludgeon its tax bills through as quickly as possible. The events of the past week establish this absolutely.

There are some very important and necessary economy bills before the legislature at this time, all of which were presented during the past week. One by Senator Frank H. Peterman of Rapides, provides for cuts in department appropriations aggregating \$7,000,000 per year. Another, by Senator Gove D. Davis of LaSalle, proposes salary cuts of from 10 to 25 per cent in the case of all state employees getting over \$125 per month. Still another, by Representatives W. Peyton Cunningham of Natchitoches, Joseph B. Hamiter of Caddo, Leon Friedman of Natchitoches, and Malcolm Dougherty of East Feliciana, asks a flat 10 per cent cut in all state salaries of over \$1,200 per year.

Bills to abolish the office of supervisor of public accounts, prepared by the Louisiana tax reform commission and the Louisiana Taxpayers' association, have been introduced. Messrs. James Madison, of Morehouse, and Frank J. Meridier, Orleans, have an individual bill on the same subject.

The Louisiana tax reform commission has a bill to consolidate levee boards, having one board for the country levee areas and one for the city of New Orleans. Representatives Clifford W. Drake of Sabine and Dudley D. Lang of Winn, have introduced a bill to abolish the office of commissioner of conservation and transfer its duties to the register of the land office.

The most vital of all of these measures, from the point of view of public opinion, is the movement to abolish the office of supervisor of public accounts, the most wasteful, least efficient and more thoroughly politicalized of any department of state government. Independents are unitedly demanding this reform and a number of administrationists are disposed to assist them in effecting it. It should be No. 1 on the list of tax relief measures passed by the legislature at this session. Yet, the state administration is not only fighting it but is contemptuously writing into its new revenue bills additional duties and income for the supervisor of public accounts.

The legislature clearly wants the economy bills passed first, the tax reduction bills passed second and the new tax bills passed last. The administration wants to reverse this order and would dearly love to forget the economy end of it altogether. Just what is going to come out of the tax controversy is unpredictable at this time. But the odds in Baton Rouge are against any major tax legislation at all at this session, except for liquor revenue.

Notwithstanding this rebuff, however, the administration brought out more punitive measures aimed at the city of New Orleans. One bill, offered by Representative N. S. Hoffpauir of Acadia, proposes to reorganize the New Orleans police force, so as to take it out of the hands of the commission council; another puts Civil Sheriff Maurice J. Hartson, Old Regular leader of the seventh ward, New Orleans, on a salary basis; a third reduces the fees of the civil sheriff. More retaliatory measures against the Old Regulars are expected Sunday night.

Meanwhile, the city delegation got its bills out of committee with favorable reports, by a strict factional vote. These measures are retaliatory bills, also. They take from the governor the power to appoint the New Orleans registrar and New Orleans jury commissioners, make the assessments of the New Orleans board of assessors final, without the approval of the Louisiana tax commission and force earlier submission of tax rolls.

Representative Rupert R. Peyton, of Caddo, got his anti-shake down bill out of committee with a favorable report during the week. It was amended, on recommendation of Richard Leche, secretary to the governor, so as to include parishes, cities, towns and villages. The bill prohibits the soliciting of campaign contributions from public employees and the use of state-owned vehicles for campaign or propaganda purposes. During the week Senator Calvin K. Schwing, of Iberville, introduced in the senate a bill along the same lines as the Peyton measure.

Other important measures introduced during the past week were the corrupt practices act of Senator Frank H. Peterman, of Rapides, and Senator Joseph I. Boudreaux, of Vermillion, and the new primary election law by the same authors. The co-authors of the bills said that the measures are being fathered by a nonpartisan element of the state and involve no political angle. Yet, the primary election law abolishes many abuses which have developed in Louisiana during the past six years, including dummy candidates. The corrupt practices act governs the use of money in political campaigns.

An incident of the past week was the returning of the Hebert "peace" resolution to the senate calendar, on motion of Senator Coleman Lindsey, of Minden, administration floor leader. This action was said to have been taken because the resolution contained a provision, added in the house, against interference of "a would-be dictator." The administration clearly does not wish the legislature to go on record against remote political control.

Some of the more important bills introduced during the week were:

By Wilkinson—A state drivers license law, fixing fee at 50 cents and reducing chauffeur's license from \$3 to \$1.

By Joe Weber—Creating a deputy service commissioner at \$2,400 per year.

By Folke—Increasing chain store license to \$200 for second store, \$300 for third, \$400 for fourth, \$500 for fifth and \$1,000 for each branch above five.

By Buie—To eliminate the poll tax provision of the constitution.

By Lucas, Lang, Lee, Pavy and Bradford—To reduce licenses on log trucks, farm trucks and pulp wood haulers from 25 to 50 per cent.

By Alexander—To cause a man to vacate one office when he qualifies for another.

By Alexander—Providing for old age pensions and an increase in poll taxes from \$1 to \$2.

By Woods—Exempting the professions from occupational licenses.

By Hood—Dedicating soft drinks tax proceeds to Louisiana Library commission.

By Senator Gardiner—Exempting corporations operating farms from payment of the corporation tax.

By Senator Nee—Authorizing police juries to name parish service officers.

By Williams—Bill regulating the sale of liquor.

By Hammon—Creating a state constabulary.

By Sharp—Providing a \$500 fine for the offense of legislators holding other public positions.

By Hammon—Amending the corporation tax act so as to remove some exemptions.

By Smith—Abolishing the state board of engineers and assigning its duties to the governor.

By Lester—Permitting police juries to borrow money at an interest rate not exceeding 8 per cent.

By Lester—Allocating 50 per cent of inheritance taxes to the parishes.

By Hoffpauir—Ordering the state auditor to audit the books of the supervisor of public accounts.

By Cunningham, Friedman, Hamiter and Dougherty—Changing the constitution so as to enable the legislature to pass adjustment salary bills by majority vote.

By Sharp—Bills placing the district attorneys of the Caddo, Calcasieu and East Baton Rouge districts on a salary basis.

The session to be held Sunday night will be the first of its kind in Democratic Louisiana history. It is being held for the purpose of getting in bills on what the attorney general declares to be the final day.

Senator W. Scott Heywood of Jefferson Davis, member of the tax reform commission, evidently does not have much faith in the prospect for remedial tax laws at the biennial session, since he has offered a bill for a constitutional convention, on taxation matters exclusively, in January. Senator Heywood made it clear that this is his own measure; but it certainly reveals a dubious feeling over tax readjustment at this time.

During the past week the administration bent all of its influence to bring about recommitment of the motor license reduction bills of Representative Joe B. Hamiter and others. The measure of relief offered motor owners by the Hamiter bills was much greater than the administration was willing to concede. Originally \$3 and \$5, in line with Georgia, Alabama and other states, the minimum for small and large cars was raised in the Hamiter bill to \$5 and \$7.50.

The administration had another series of license bills introduced, with a \$7.50 minimum for small cars. But, a major point of difference between the two bills was that the Hamiter measures referred exclusively to motor licenses, whereas the administration constitutional amendment on the subject contained a provision taking away from the city of New Orleans \$700,000 given it per year out of highway revenues for license purposes.

That was the main reason why the administration didn't want the Hamiter bill. It proposes \$1,000,000 in license reductions per year, and wants the city of New Orleans to contribute two-thirds of it. This, of course, is in retaliation for the city election of January last.

The division in the house over the Hamiter bill was sharp and acute. Administration forces won and the bill was recommitted to come up, with others, at a public hearing on next Wednesday. However, the administration victory was won with the aid of several independents in the house, who foolishly or unwittingly, ignored the political phases of the controversy and voted to recommit as a matter of established legislative procedure, the measure having gone to the wrong committee in the first place. However, numerous other bills were in the same category.

A flurry was created in the house

BAPTIST MEETING TO OPEN JUNE 7

District Sunday School And Young People's Convention Slated

The northeast district Sunday school and Baptist Young People's union convention will open at the First Baptist church in Monroe on June 7 for a two-day session, according to announcement Saturday.

Territory included in the district extends east to the Mississippi river, south to Alexandria, west to Arcadia and north to the Arkansas line. Leading teachers, speakers and conference leaders of the south will have places on the program. It is expected that more than 500 persons from out of town will be in attendance.

"First Things First," Matthew 6:33, will be the theme of the occasion.

Rev. L. T. Hastings is pastor of the church, and L. A. Stulce is director of music.

A comprehensive program has been outlined, showing that much of the time will be devoted to conferences of various kinds and groups among the Sunday school and B. Y. P. U. organizations.

Among the officers of the organization expected to be presented are Joe B. Moseley, state Sunday school and B. Y. P. U. secretary; Mrs. Morrest Seaman, president; Rev. E. M. Daffin, Sunday school president; Miss Ara Bruck, B. Y. P. U. president, and Mrs. B. J. Abney, secretary-treasurer.

Brownville Union Church Plans To Resume Services

Announcement was made Saturday by J. O. Mayo, pastor of Brownville Union church, that services will be resumed at that place Sunday night at 7:30 o'clock. For some time the services had been discontinued.

Use of the building has been secured for a period of one year, thus assuring continuance of services, Rev. Mayo said. He stated that the church is in need of several Sunday school teachers and other church workers and that he would be glad for those willing to assume work of this kind to attend the service Sunday night.

SOIL FACTOR IN POTATO RAISING

Expert Says Excessive Rains Cause 'Water Bumps' To Develop

On account of the recent unusual amount of rainfall in this section, an examination of numerous fields of sweet potatoes under many soil conditions indicates the type of soil is a vital factor in the condition of the potatoes, E. R. Strahan, parish agricultural agent, said.

Information pertaining to potato growing especially valuable at this time has just been received by the agent from J. W. Watson, potato expert, Mr. Watson says:

"Under all conditions where the rows are high and well drained these potatoes on the 'sandy front land' (really a silt loam) show the greatest damage from the excessive rains. This probably is due to the fact that the soil particles pack closely together and exclude the air. This tight soil in the presence of excess water shuts out the air. The potato under such conditions, in its attempt to get air, enlarges its breathing pores (lenticles) by expansion of cells underneath, these openings causing enlargements called 'water bumps'. The cells in these water bumps quickly contract as soon as exposed to the air and usually heal over without decay.

"There seems to be a point in the stage of the development of the wet weather bumps on the potato where the potatoes start to decay and it has been my observation that where these water bumps turn yellow, it is an indication of infection of the potato with the slimy soft rot organism. These potatoes that show this yellowing of the water bumps, or enlarged lenticles, usually is 24 to 48 hours show browning of the tissue and a drying down of the affected surface into uneven sunken areas. When potatoes get in this condition, they are said to be 'picot' (Peko) and are unsafe to save. In order to save time and trouble with grading potatoes it is suggested that in picking potatoes in the field that these potatoes showing water bumps (lenticles) which have turned yellow be kept separate or discarded. At least keep them out of the potatoes that are saved for sale.

"Observations indicate that potatoes on 'mixed' soil can be left longer under present condition without damage than potatoes on sandy soils so my suggestion is to harvest first those potatoes on the sandy front land unless so badly damaged that the potatoes will not pay the labor of harvesting.

"Several washing tests were recently made on potatoes. The potatoes freshly dug where water bumps were present would not clean rapidly. Where potatoes that had been dug four or five days and allowed to dry, the washing process was much easier. The water bumps had contracted and healed over. The potato perhaps had also contracted somewhat from the loss of water and had shrunk away from the dirt so that an immersion in water one minute was sufficient to clean the potatoes in good shape. This seemed true of both potatoes dug from sandy front land and potatoes dug from 'mixed' land.

"Such washing as attempted was done under conditions as would be practiced on the small farm where water under pressure was not available.

"Washing of potatoes with excessive bumps might be accomplished successfully where direct force of water is applied to the tubers.

"In view of the above observations, it would seem reasonable that the most important thing to do would be to get the potatoes out of the ground and under cover as soon as possible. If the ground is too wet to use potato diggers or (mould-board) plows, a small middle buster can be employed to loosen the ground and turn the potatoes over. Pick only sound potatoes and sack them in the field. Fill sacks as full as possible. 'Sew' as for shipment, handling with as little bruising as possible, temporarily store in shed or barn where they should be 'cob stacked' not over six tiers high with an air space between the sacks in stack.

"Stacks should be kept separate and away from walls of storage for ventilation.

"After storing in shed or barn keep doors and windows closed in day time and open at night. If sheds have low ceiling, leave doors or openings open, but cover openings with burlap curtain to exclude the light. Air circulation is more necessary than the excluding of light but both are essential. Sacking the potatoes will reduce 'light burn' and promote better ventilation. Excessive light burn 'greening' affects grade condition.

"It is usually desirable to move such potatoes as harvested above as soon as dirt has dried sufficiently to clean well from potatoes and to grade out all defects even though the potatoes are not marketed immediately.

"The cooler you can keep your potatoes, the better air circulation is necessary. Don't crowd the potatoes in large piles.

"If washing is desirable, it is safe to assume that the cured potatoes handled as above will wash and remain sound after washing.

"If washed, the wet potatoes can be placed directly into sacks and 'sewed' ready for shipment. Then stack the sacks in single rows on end with alleyways between runs so as to allow for ventilation. Dr. Edgerton recommends a period of eight to twelve hours for healing of wounded surfaces."

Okaloosa Graduates Are Given Diplomas

OKALOOSA, La., June 2.—(Special)—The commencement exercises for the graduating class of the Okaloosa high school were held here Thursday night with W. B. Clarke, Monroe attorney, delivering the annual address.

The following program was given: Salutatorian address, Marie Walters; class history, Otis Wilbanks; class will, Howard Kilpatrick; class prophecy, Esseele Wilder; class poem, Evelyn Dickerson; valedictory address, Roy Phillips; address, Mr. Clarke.

The seniors received their diplomas from L. A. Coon, while H. P. McBride delivered the seventh grade certificate.

Those graduating were Esseele Wilder, Otis Wilbanks, Marie Walters, Evelyn Dickerson, Mary Pearl Hubbard, Mary Mize, Harvey Lewis, Palmer Pylant, Howard Kilpatrick and Roy Phillips.

On the South Seas Islands, sharks' teeth are used for money.

Miss Ross Gets Job At Chamber Of Commerce

Miss Hope Ross, 1017 St. John street, has been employed as assistant to S. H. McClary, secretary of the Chamber of Commerce of Monroe and West Monroe, it was announced Saturday. She assumed her new duties June 1. Miss Ross has had considerable experience in meeting the public, having been employed for some time as switchboard operator in the reception hall at the Clinic.

Gifts for 1934 June Brides

The beautiful gifts you give 1934's June Brides will be the heirlooms of tomorrow... that is if these gifts are gifts of quality... because only quality can stand the test of time. Of course Palace gifts have always been known for their quality as well as their large selection and low prices.

Silver Plated Ware \$5.95

These beautiful quadruple silver plated pieces consisting of cocktail shakers, well and tree platters, coffee pots, trays, cream and sugars and vegetable dishes will thrill any bride.

—STREET FLOOR

Electric Toasters \$1.39

Electric toasters come complete with cords and save many a step when making toast.

—STREET FLOOR

Silver Plated Flat Ware

35 Year Plates

Simone L. and Geo. H. Rogers flatware have hollow handle knives with stainless steel blades. It's shown in attractive patterns and a nicer gift for the money would be hard to find.

Service for Six \$8.95
Service for Eight \$10.95

—STREET FLOOR

Crystal Etched Stemware 6 for \$1.98

Iced Teas
Goblets Sherbets

History never recorded the bride who received too much stemware. A set of six makes a beautiful gift or if you wish to give 6 of each you have a magnificent gift at little cost.

—STREET FLOOR

32-piece dinner sets \$6.95

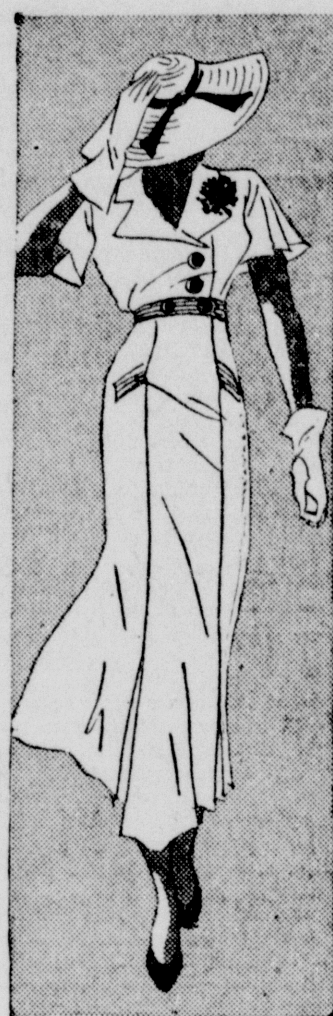

The sets consist of 6 dinner plates, 6 cups, 6 saucers, 6 fruits, 6 bread and butter plates, a meat platter and a vegetable dish. This is open stock and odd pieces may be added. Also oven tested oven proof, pie plates, casseroles and bowls to match.

—STREET FLOOR

Going to the Fair?..

Of course, The Century of Progress is bigger and better than ever this year... and so is the Palace stock of vacation apparel and accessories. Everything you'll need for your trip is here from your luggage down to your toothbrush. We've spent months assembling this collection of apparel and accessories. We're proud of them because we know you'll like them.

for sports
\$10 to \$18.85

White and pastel crepe sports dresses with or without jackets are with trimmed on the shoulders and at the neck or are left stunningly plain. And remember sports costumes will form the major portion of any vacation wardrobe.

—SECOND FLOOR

for travel
\$12.95 Others \$18.85 - \$19.75

Printed chiffon in dark patterns or flat crepe in dark shades are the ideal travel costume. Here again both the one-piece and the jacket dress are both popular but whichever you choose from The Palace is sure to be style-right.

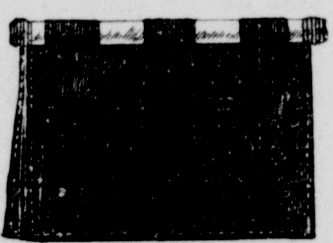

—SECOND FLOOR

for street
\$10 to \$29.50

Flat crepes and prints for street wear are shown in a gorgeous collection in our dress department. You'll admire the lines, marvel at the fine fabric and be thrilled with the exceptional tailoring at such low priced dresses.

—SECOND FLOOR

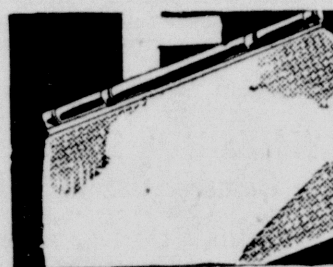

handbags for travel

\$1.95 and \$2.95

Leather bags in navy, brown or black for travel are shown in underarm, backstrap or pouch styles, beautifully lined and fitted.

—STREET FLOOR

Handbags for sports or dress

\$1 to \$2.95

White is the favorite shade. Choose from wooden beaded or fabricoid bags at \$1... tile or leather at \$1.95 and \$2.95 and tile, leather or linen at \$2.95.

—STREET FLOOR

Chiffon hose free from major rings \$1

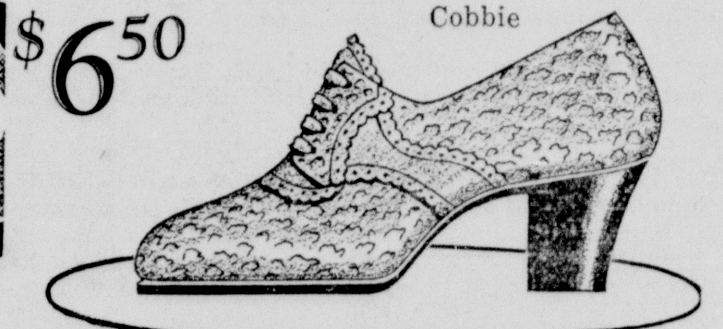

These beautiful 3-thread, 48-gauge hose are made by a new process which eliminates major rings. Of course, they have every other style and wearing feature of expensive hose.

Crashstone and Sherrytone are both new sun tan shades. Nudawn and taupes are worn with navy or black and manoa and mouette are neutral shades.

—STREET FLOOR

Shoes by Red Cross make walking a joy

\$6.50

Sketched above is "Cobbie" a brown sponge calf with a leather heel for sports wear or walking. You'll find many other Red Cross Shoes here in styles for all occasions which assure you perfect fit and comfort. Sizes 2 1/2 to 10, widths AAAAA to D.

—STREET FLOOR

RED CROSS SHOES for all FOUR of your feet

SMITH DELIVERS O. P. H. S. SPEECH

202 Graduates Of High
School Given Diplomas
Friday Night

Commencement exercises for the senior class of Ouachita parish high school touched a high point of interest in similar observances Friday night, when 202 graduates received their diplomas amid impressive and colorful ceremonies.

Rev. Angie Smith, former president of Centenary college and pastor of the First Methodist church of Shreveport, gave the commencement address, stressing the theme, "The Challenge of Life," as affording "the greatest stimulation to young students emerging into the privileges and responsibilities of world citizenship."

"I am not suggesting," said Dr. Smith, "that every graduate of this great class is going to make a success in life. Some will probably fall by the wayside; some will be overcome by the difficulties of the task before them. But success is possible for every one who plays the game, who meets the opportunities of life with courage and faith and determination. You start with splendid equipment for the ordeal, but it depends on yourselves and how you use that equipment whether you will reach the goal. Some, like the tortoise in the ancient fable, will not be equipped as others, will keep plodding faithfully on; they will reach the end of the way successfully. Others, with all the advantages in the world, will imagine that they can go to sleep by the way, assured they can catch up before the race is run. They need not wonder if they fail. Determination is one of the essentials of success, no matter how much else you have."

Dr. Smith congratulated the parish on its splendid educational institutions and the zeal and loyalty of its educators in their chosen field of service.

Fred G. Thatcher, of West Monroe, a member of the parish school board, introduced Dr. Smith to the audience and at the close of the address presented the diplomas to the graduates.

The salutatory address was given by Marie Winkler, whose subject was "Youth and Courage." Elaine Rester, valedictorian, spoke on "Youth and

the Future." Besides being valedictorian, Miss Rester won the gold medal for her essay on "The Spanish-American War," presented by the women's auxiliary of Thompson Wood Lee Post, U. S. W. V. Mrs. J. M. McKee, president of the auxiliary, made the presentation.

The gold medal given each year for the best essay on American history, presented by Fort Miro chapter, D. A. R., was won by Margaret Flett. The presentation was made by Mrs. C. E. Faulk, president of the chapter.

A feature of the commencement exercises was the program given by the school glee club, winners of championship honors at the state high school rally held in Baton Rouge in May. Mrs. George Moffett directed the club. The program included: "Viking" (Coleridge-Taylor), "A Night in June" (Arthur B. Targett), "The Butterfly Waltz" from Leo Delibes' "Cappella," and "Lemore's Dream Boat Passes By."

The invocation and benediction were pronounced by Rev. Ernest Holloway, pastor of the First Presbyterian church. The exercises, held in Neville high school, were attended by an audience of about 2,500 persons.

Following is a complete roster of the graduates receiving diplomas:

Margaret E. Alexander, Edna Rita Arnold, Carroll Avant, Herlong Averett, Meredith Keith Bandy, Johnnie Bayles, Earl Becton, Jr., Eleanor Bennett, Lorene Berry, Trell O. Whitehead, Annie Williams, Clara L. Williams, Edna Earle Williams, Eunice Screven Williamson, Marie P. Winkler, Fred Lawrence Workman, Thomas L. Wrenn, Elton Wright, George E. Wright, James F. Wyatt, Helen Youngblood and Nellie Dezzie Robinson.

Lake Providence

Bringing together a large and congenial gathering of the social set of Lake Providence was the bridge party given Thursday afternoon by Mrs. Roland Smith of the Community club, which had been so artistically decorated in a profusion of lovely hued flowers. The guests enjoying the games were: Mesdames R. S. Guenard, J. H. Guenard, J. C. Bass, R. R. Higgins, F. H. Schneider, Jr., C. J. Wyle, C. J. Rhodes, Mark H. Brown, J. W. Pittman, L. H. Richards, W. F. Trischman, C. R. Evans, J. P. Brown, W. D. Brown, Jr., J. D. Streett of Eudora, Ark., Miss Elaine Myers of Readland, Miss MacTrieck of Oklahoma City, Mrs. J. N. Hill, Jr., Mrs. W. K. Evans, Mrs. H. Stein, Mrs. E. D. Schneider, Mrs. B. R. Pinkston, Mrs. Taylor Turner and Misses Emilie Keene, Llewellyn Turne, Josephine King and Anyce Perry. First prize was won by Mrs. F. H. Schneider, Jr., second by Miss Perry and Mrs. W. K. Evans cut consolation.

One of the most delightful and unique entertainments of the week was the dinner party at which Mrs. A. S. Hill was hostess Wednesday evening in honor of her sister, Mrs. A. W. McDavid, of Amarilla, Texas. The guests were: Mesdames Beulah Conley, R. S. Guenard, J. C. Bass, E. E. Nelson, W. K. Evans, Corney Gross, Grady Wyle, R. S. Reed, and W. C. Lyon, friends of the honoree during her young girlhood which was spent here. Each guest had been requested to bring a photograph of a group known to all and taken in their school days. There was much interest and amusement in guessing "who was who" and recalling the incident when the picture was made. During the evening musical selections popular songs of that period were enjoyed.

Honoring Miss Mary Virginia Ross of Dumas, Ark., was the bridge party given by Mrs. Bert Haller at her home on Thursday afternoon and brought together an interesting number of the sub sets to enjoy auction with the young honoree. Those present were: Misses Mary Lucille and Carolyn Reed, Dorothy Nelson, Edwina Warlick, Ethel May Adkisson, Catherine Voelker, Inez Ladd, Barbara Johnson, Jane Hill, Vera Frost and Annie Rose Wyle. After the games strawberry sundaes and cake were served.

Mrs. Nan Schneider Phillips was hostess for bridge on Wednesday afternoon and entertaining at the family home had as guests the members of her club Mesdames Rupert Evans, V. Y. Bell, R. S. Guenard, H. L. Harkey, J. N. Hill, Jr., David E. Holt, C. A. Rose and E. D. Schneider and the extra guests and substitutes were Mrs. Ab Cammack, Mrs. F. H. Schneider, Jr., Miss Josephine King and Mrs. F. H. Schneider. The first and second prize winners were Mrs. Cammack and Mrs. Rose.

Farmerville

The second garden and flower show of Union parish was held in the Farmerville high school auditorium Saturday at one o'clock, according to announcements made by Mrs. Ben M. Lee, home agent of Union parish.

Miss Irene Lord, home agent of Morehouse parish, Dr. C. C. Francis of Farmerville and J. V. Rabb, county agent of Union parish were named as judges.

The several students from Farmerville and other sections of Union parish, who attended school at the Louisiana Polytechnic institute at Ruston have returned to their homes for the summer.

Mrs. J. D. Baughman and daughter, Miss Faye attended the graduation exercises of the Rayville high school Thursday evening. Little Miss Gladys Corry accompanied them home for a visit of several days.

Mr. and Mrs. Wallace A. Abat of Shreveport are spending several days in Farmerville with Mrs. Abat's sister and brother-in-law, Mr. and Mrs. A. C. Dykes, before going to El Paso, where they will reside in the future.

Dr. and Mrs. W. P. Carey and little son, Hugh Joseph of Tyler, Texas, spent the week end here in the home of Mrs. R. E. Pace. Mrs. Carey and son remained here for the week.

Miss Mary Inez Taylor, who is attending a business school at Dallas is here for several days with her parents, Mr. and Mrs. L. D. Taylor.

Mrs. S. L. Hartman and little daughter, Ruth, Miss Reita Hartman and Miss Gussie Fenton and Mr. Lazarus Baughman spent Thursday at Bossier City with Mr. and Mrs. J. Davis Fenton.

Mr. and Mrs. Cecil Blanchard and little son of Monroe were guests of Mr. and Mrs. J. R. Dawkins the latter part of the week.

Mrs. S. T. Howell and Mrs. Killgore Andrews spent Sunday at El Dorado with Mrs. Howell's sister, Mrs. James G. Barr.

Lake Providence GRADUATION HELD, HONORS AWARDED

LAKE PROVIDENCE, La., June 2.—(Special)—Commencement exercises for the graduates of the Lake Providence high school were held in the school auditorium Thursday. Louise Reed, valedictorian, spoke on "The Way Back," and Mercedes Hester, salutatorian, on "Education in the New Deal."

Louise Slagle, third honor student, spoke on "Youth's Place in the New Deal," and Estelle Sumrall, fourth honor student, told of the "Business Cycle."

The diplomas were awarded by Ashley W. Warlick, parish superintendent of education, and the medals and scholarships were awarded by W. C. E. Holly, principal.

The scholarships were awarded as follows: Miss Reed, Louisiana State normal; Miss Hester, Louisiana State university; Miss Slagle, Centenary college; Miss Sumrall, Southwestern Louisiana institute, and Miss Shell, Louisiana Polytechnic institute.

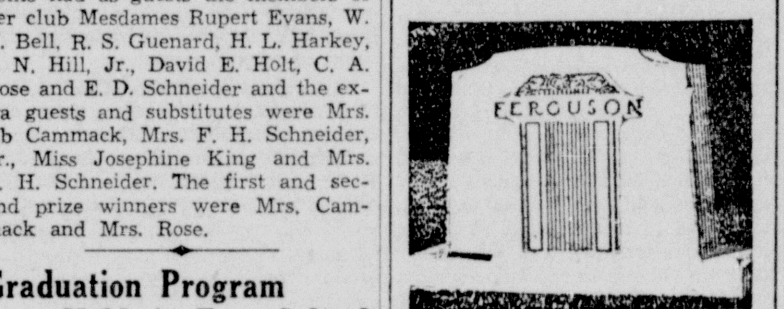

Miss Reed was recipient of the American Legion auxiliary's history award, the Masonic history award, and the Legion award for the best all-round girl. The Legion award for best all-round boy went to George Newman, Jr. Virginia Estes was announced as the honor junior with a three-year average of 97 per cent.

Graduation Program Held At Eros School

EROS, La., June 2.—(Special)—The seniors of Eros high school held their graduation exercises in the high school auditorium Thursday night. The graduates discarded the old custom of inviting a speaker and gave their own talks.

Elise Head delivered the salutatory address and Lonnie Smith gave the valedictory speech. Others on the program were Myrtle Pilcher, who read the class history, and Reba Gaston, who recited the class poem. The other graduates, Edith Nalley, Janny Nalley, Albert McEluff, Prentiss Flanigan, Louise Flanigan, Celia Head, Marlow Lee, Travis Kilpatrick, Orlean Rogers and Edith Lusk, all gave talks.

Invocation was given by Roy Hearne, J. M. Barr, principal, presented the diplomas and J. W. Bunn pronounced the benediction.

ELECTRICAL FENCE

LINCOLN, Neb.—(AP)—An electrically charged fence is suggested by M. P. Brung, instructor at the Nebraska agricultural college, as a good thing to try on fractious livestock. Carrying only enough electricity, he said, to shock rather than to harm, a stand or two of smooth wire on posts as far as four rods apart will keep man or beast at respectful distance.

The best is not good enough. That is why I am always trying to do better than the best. A set of teeth that does not fit, isn't worth a dime. Ugly bridge work is worth less. There isn't a dentist that can do any kind of dental work better than I can and none that uses finer material. I am asking you to use good common sense. Be your own judge. I save you money, use the very best material. Guarantee every piece of work to give satisfaction because I make them here. And they must be right. An inspection of my office and work will be appreciated.

RESOLUTIONS OF REGRET ADOPTED

Board Of Baptist Institution Laments Death Of
Rev. L. M. Cole

Resolutions of regret concerning the recent death of Rev. L. M. Cole, superintendent of the Louisiana Baptist Children's home, were adopted Saturday by the executive board of the institution, after having been drawn up by a committee composed of L. R. Morgan, Cas Moss and Carl A. DeVane. Rev. Cole died recently in a New Orleans hospital, following a lingering illness.

Following were the resolutions adopted by the board:

"With a deep and pungent sense of grief, we, the members of the executive board of the Louisiana Baptist Children's home, because of the going of our beloved brother, faithful comrade and personal friend do hereby adopt the following resolutions:

"Resolved: 1. That in the departure of Brother Cole, the Baptists of Louisiana have sustained the loss of a faithful and efficient servant and beloved brother; the Louisiana Baptist Children's home, a successful executive; the children of the home a tender foster-father; and his family, their wise counselor, their loving husband and father and their earthly provider.

"Resolved further: 2. That we hereby express to all concerned our deepest sympathy, pledge to them our earnest prayers and proffer to them any practical service that we might be able to render.

"Resolved: 3. That copies of these resolutions be distributed as follows: One to the Baptist Message, one to the press of the city of Monroe, one to be made a part of the permanent records of the Louisiana Baptist Children's home and one to the bereaved family."

COMING IN 'LOUISIANA'

Jean Parker and Robert Young co-starred in the beautiful laugh romance, "Louisiana," the attraction at the Paramount theater for Monday, Tuesday and Wednesday. Others in the cast include Ted Healy, Nat Pendleton, Ruth Channing, Irene Franklin, Joseph Cawthorn and Raymond Hatton. This romance of youth actually pictured among the beautiful bayous and lazy lagoons of Louisiana.

JONESBORO BAPTIST WILL HOLD REVIVAL

JONESBORO, La., June 2.—(Special)—Beginning Sunday morning at the Jonesboro Baptist church, revival services will be conducted twice daily until June 17, according to an announcement made here.

Rev. J. L. Dodge, pastor of the church, will conduct the services Sunday morning and night, but beginning Monday morning and continuing throughout the revival, Rev. O. E. Estes of Bogalusa, president of the state Baptist convention, will have charge of the services.

Morning services will begin at 8:30 o'clock. The night services begin at 7:45 o'clock.

Claiborne Youth Wins Washington Trip Prize

HOMER, June 2.—(Special)—As a reward for the most successful 4-H club work over a period of three years in a state-wide 4-H club contest, Hugh Greer of Lisbon, Claiborne parish, has been given a trip to Washington, D. C., which will be made in June.

Only two, one boy and one girl are selected from the entire state for this award. The honor conferred upon Greer is the culmination of three years of outstanding work by one deeply interested in this work.

NEW OFFICER AT CAMP SWAN

JENA, La., June 2.—(Special)—Lieut. Silvan G. Meyer, of Alexandria, has just been appointed commanding officer of Camp Swan, the local CCC camp, succeeding Lieut. Charles B. Robinson, whose term of duty had expired.

Rev. Hastings Will Deliver Sermon For Farmerville Seniors

FARMERVILLE, La., June 2.—(Special)—Rev. L. T. Hastings, pastor of the First Baptist church of Monroe, will deliver the baccalaureate sermon to the senior class of the Farmerville high school at the high school auditorium here Sunday evening, at 7:30 o'clock.

The baccalaureate program will be as follows: processional, doxology, invocation, J. M. Booth; hymn, "Come Thou Almighty King," by the choir; prayer, scripture reading, quartet selection, sermon, Rev. Hastings; hymn, "All Hail the Power"; benediction and recessional.

Graduation exercises will be held Thursday evening June 7. Mayor J. R. Dawkins of Farmerville will deliver the address.

Presentation of diplomas will be made to the following: Robbie Auger, Eunice Auld, Lorraine Auld, Billy Joe Booth, Corbett Brashier, James Brantley, Maxine Brantley, T. G. Davis, Jr., Clemmie Brantley, Charlie Feazell, Catherine Canterbury, Boyce Hamilton, Evelyn Cox, James Herd Hall, Cristelle Dean, Byron Henry, Dorothy Miller Green, James Hill, Martha Hollis, L. H. McVicker, Lucille Joiner, Ezell McGough, Dahl Malone, Broadus Odum, Callie McKiver, Arville Odum, Marie Neal, Allen Pilgreen, Velma Nolan, Truman Tucker, Mildred Nyegard, Lillian Patterson, Naomi Phelps, Ernest Ramsey, Cecilia Roan, Velta Rogers, Mary Lou Smith, Mary Louise Smith, Evelyn Turner, Cleo Taylor, Ida Lee Tucker, Chloe Webb, Rosa Wood.

Evelyn Cox will deliver the valedictory address and Ida Lee Tucker the salutatory address.

Nebo Citizens Unite To Establish Own Cannery

JENA, La., June 2.—(Special)—In an effort to stave off the effects of the depression, citizens of Nebo, a small settlement in LaSalle parish, met last week and organized the citizens in one single unit, after which they went out and hewed timber from the forests and erected one of the most modern cannery centers in this section.

Canning machines will be purchased and the cannery center will be operated on a cooperative basis for the citizens of the Nebo settlement.

CONDITION IMPROVING

The condition of Charles Taylor, who has been suffering from an infected hand at his home, 1810 Jackson street, was said Saturday to be greatly improved.

L. T. I. SCHOOL EXERCISES HELD

Judge Charles Schulze
Commends Members
Of Faculty

With the holding of the commencement exercises Friday night, the school year at Louisiana Training institute was brought to a close.

Judge Charles Schulze, superintendent of the institution, was the principal speaker. He commended the members of the school faculty for their efforts during the term and said he was pleased with the results shown. He added that within 10 days 35 boys would be paroled to their homes.

Following the superintendent's address, a one-act comedy, "The Case Against Casey," was presented by a number of the students. Members of the cast, all of whom gave capable performances, were Dwayne Nelson, Charles Legnon, A. J. Johnson, E. Kibodeaux, J. L. Graves, W. Little, J. Taylor, T. Cascio, C. Little, L. Hollier, J. P. Kelly, T. Taylor, I. Trahan, J. P. Moore, Billie Sapp, Gerald Edsell, Tommie Harris, Hoyle Knight, L. Wall, Allen Powers, Charles Tull and Charles Layton. Harry Sorenson directed the play.

W. W. Harrington, principal, gave a brief resume of the school's activities during the past term. He mentioned the fact that out of a total enrollment of 145 students only 35 failed.

Students making the highest averages were C. W. McGowan, Jones Taylor and Domingo Gonzalez. They will be awarded medals by Judge Schulze.

Climaxing the program were musical and dance numbers by Billie Sapp, Charlie Legnon and the dancing pupils of Mrs. Harry Rice.

Hodge

Entertaining at one of the outstanding private affairs of the week, Mrs. David H. Bell, Jr., honored Mrs. J. B. Boss, whose marriage was an interesting event of last month. Mrs. Bell entertained with a luncheon-bridge, May 26, in her home, which was made florally beautiful with masses of sweet peas shading from coral to deepest rose tints. A two-course luncheon sustaining a bridal motif and accentuating the color scheme of pink and white was served at the card tables, which were centered with low bowls overflowing with sweet peas and ferns, which held bridal place cards.

After luncheon, bridge was enjoyed, at the end of which attractive prizes, pink tissue wrapped and beautifully tied with white satin streamers, caught with sprays of sweet peas in shower effect, were awarded. Miss Katherine Lewis of Ruston received a gold engraved vanity for high score. Mrs. T. G. Dennis received French bath powder for consolation. Mrs. John Paul Foster, a recent bride, and Miss Katherine Lewis, a bride elect, were favored with trousseau lingerie in pastel colors. Out-of-town guests, Mrs. R. A. Burgess of Strong, Ark., and Miss Chlotilde Tuten, of Ruston, were remembered with sports handkerchiefs. The honor guest was presented with monogrammed coffee spoons in her chosen pattern. Francis I. Guests were Mrs. Chas. Palmer, Mrs. T. G. Dennis, Mrs. B. L. Kelley, Mrs. John Michael, Mrs. E. W. Stewart, Mrs. Louis Boss, Mrs. John Paul Foster, Mrs. A. H. Gagnon, Mrs. Nelson Michael, Miss Rose O'Brien, Miss Jimmie Cooper, Miss Chlotilde Tuten, Miss Katherine Lewis, and Mrs. R. A. Burgess.

The Young Women's circle of the Methodist church met Monday afternoon with Mrs. H. M. Henley. The meeting was opened with the Lord's Prayer, repeated in unison. Mrs. Leon Mitchell introduced the book to be used in the study course, entitled "Gebesis," by Grace Saks. The lesson was clearly illustrated by means of charts representing structure, history and dispensation. Mrs. Wayne Stovall read portions of Scripture in connection with this study. Refreshments were served, and adjournment was taken until June 4.

A daily vacation Bible school will open at the Methodist church on June 18 and continue for two weeks. A good faculty has been selected with Miss Mutall, the district rural worker as the director. The school will provide wholesome and worth while experiences for boys and girls in work, play, worship and study. Boys and girls from three to 16 years will participate from 8:30 a. m. to 11:00 each day.

The Ruth Brown circle of the Methodist missionary society met at the church Monday afternoon for a study of the new book "Eastern Woman of Today and Tomorrow," Mrs. W. W. Kavanagh ar. Mrs. R. C. Jeffers, conducted the devotional exercises, and Mrs. G. S. Wyatt presented the missionary lesson.

The regular meeting of the Contract Bridge club was held with Mrs. W. C. McDonald, Jr., on Wednesday afternoon. In an atmosphere of fragrant flowers several games were played, resulting in the winning of high score by Mrs. Doug McLean. She received a box of dusting powder for a prize. Assisted by Mrs. H. M. Gatlin, the hostess served a delicious salad course to Mrs. Charles Kelley, Mrs. Nelson Michael, Mrs. Tom Carlin, Mrs. A. McKenzie, Mrs. Tom Callaway, Mrs. Doug McLean, Mrs. Tom Dennis, Mrs. E. W. Stewart, Mrs. Chet Steadman, Mrs. C. L. Frey and Mrs. A. London.

Farmerville Ships Two Car Loads Of Tomatoes

FARMERVILLE, La., June 2.—(Special)—Two carloads of tomatoes, the first to be grown here for shipping purposes, were sent out this week. The first load was shipped Thursday and the second today.

About 100 acres of tomatoes are under cultivation here, sponsored by the Lions club, and at least 20 carloads are expected to be sold this year.

STAGE AND SCREEN FARE—CAPITOL

Joan Blondell steps to the fore as one of the screen's most charming comedienne, as a result of her work in Warner Bros. "Smarty." The comedy now on view at the Capitol. Others in the cast are Warren William, Edward Everett Horton, Frank McHugh, Claire Dodd and Joan Wheeler. The film is an unusual comedy in which Joan Blondell alternates husbands to satisfy her changing moods. On the stage is featured the first appearance of Louie Clancy and his nationally known orchestra with Mildred Hudnall and Monroe's own dancing daughter, Mary Wilba McKee. The stage presentation is only at 2:50 p.m., 6:26 p.m. and 8:40 p.m.

AT LOCAL THEATERS

AT THE PARAMOUNT—South Sea island adventure, jungle love, and chortling comedy feature the scenes of Paramount's "We're Not Dressing," the climax of Bing Crosby's long list of entertainment achievements, which closes its engagement today at the Paramount theater.

Carole Lombard, George Burns and Gracie Allen, Ethel Merman, Leon Errol, and a strong supporting cast, joined hands and voices with Crosby to make his Paramount vehicle sixty minutes of unequalled action and melody.

Bing Crosby portrays a two-fisted sea-faring man with a voice and heart of gold, who works aboard the yacht of Miss Lombard.

The ship sinks, but Crosby and Miss Lombard escape, along with the heiress' guests—Miss Merman, Errol and the fortune-seeking princes, Jay Henry and Ray Milland.

They all paddle their way to a South Sea island and there—suddenly jerked from the lap of luxury—attempt to wrest a living from nature.

How Bing puts them to work, and how Miss Lombard discovers, on the other side of the island, the camp of George Burns and Gracie Allen, big-game hunters, builds a climax which brings them all together in a tumult of thrills, laughs and songs.

Song hits for Crosby were written by the Paramount team of Mack Gordon and Harry Revel. Equally catchy numbers by Miss Merman, give the picture more than its share of melody.

Director Norman Taurog has turned in a directorial job that stamps the picture the best on his long list of successes.

He brings Crosby forth as an equally fine actor and singer, allows Burns and Allen simple opportunity for their laugh-provoking action and chatter and injects a swift-moving tone into the entire picture.

AT THE CAPITOL—A talented and nicely balanced cast was selected for the principal roles in the Warner Bros. picture, "Smarty," which comes to the Capitol theater today, with Joan Blondell and Warren William in the featured leads.

Miss Blondell, who has been on the receiving end of many of Jimmy Cagney's screen punches, has the role of a young wife who yearns to be beaten up, in her current production, and eventually is (with roughhouse methods that outdo Cagney. She will be remembered in such recent productions as "I've Got Your Number," "Convention City," and "Footlight Parade."

Warren Williams, who recently appeared in "Upper World," and "Bedside," does much of the beating, although he is aided and abetted by Edward Everett Horton, both of whom are at one time or another screen husbands of the flirtatious Joan. Mr. Horton will be recalled for his splendid work in "Easy to Love," "Alice in Wonderland" and other pictures.

Frank McHugh, who furnished much of the fun in "Merry Wives of Reno," "Fashions of 1934," and "Son of a Sailor," again adds to the hilarious comedy of the picture. Claire Dodd, the vamp of "Gambling Lady," "Journal of Crime," and many other pictures, runs true to

COLOR CONTEST WINNERS PICKED

Helen Harrell And Bill
Heard Are Sally Myles
Victors

Helen Harrell of Delhi and Bill Heard, 207 North 7th St., West Monroe, were first prize winners for the fourth week's coloring contest appearing in the News-Star every Friday evening and the Morning World every Saturday morning.

The second prize winners were Fauney St. John, 605 Louisville Ave., and James Grant, 204 Ludwig avenue, West Monroe.

Honorable mention goes to the following: Humble Zeagler, Billy Wolf, Mildred Crawford, Erlene Lynn, Flora Anderson, Mary Sue Disch, Beatrice Hunt, Mary Cordelia Flacy, Lurline Works, Marie Smith, Louis Dowling, Betty Jane Pierce, Jack Cunningham, Marie Comrat, Emily Jane Landrum, Pete Kokinos, Kathryn Carson, Marilyn Cecilia Raleigh, Hurlan Beaumann, Alan Sugar, Jr., Barbara Simmons, Buddy Manning, Steve Flacy, Jack Herrick, Alice Holmes, Dorothy Pipes, Glenn Gates.

Many good drawings were received without the names of the boy or girl on them. Be sure your drawing has your name and address written clearly on it, and also make sure that you have your Sally Myles from the Myles Salt box pinned or glued tightly on your coloring. This is very important to every boy and girl in the contest, so pay close attention to your picture before sending it in.

Remember, every boy and girl that stays in this contest and colors all ten Sally Myles Pictures will receive a prize.

Hundreds of boys and girls have entered this contest in which prizes are awarded every week and there are 50 grand prizes, headed by a real automobile, bicycles, radios, electric trains, tennis rackets, baseball equipment, vanity cases, costume jewelry, dolls, doll carriages and many other valuable things.

It's not too late to enter now. Advertisements that have already appeared and a folder giving complete details can be obtained from the News-Star-World office. Watch for Sally Myles every Friday in the News-Star or every Saturday in the Morning World.

URANIA SENIORS TO GET DIPLOMAS

Baccalaureate Sermon To Be Preached At High School Tonight

URANIA, La., June 2.—(Special)—The baccalaureate sermon of the graduating class of the Urania high school will be preached by Rev. Kitchin of Columbia in the high school auditorium Sunday night, according to an announcement made here by G. H. Middleton, principal. Commencement exercises will be held Tuesday night at the same place.

Seventeen seniors, one of the largest classes ever to graduate here, will be given diplomas.

Henry C. Hardner, well-known central Louisiana lumberman, will be the commencement speaker. The valedictorian will be Merle Blevins and the salutatorian Bert Crowder. Luther Branton is the class prophet; Tyrus Smith, the class lawyer, will read the will; Vivian Chapman, the historian; Ethel Haddock, the poet; Charles McCartney will deliver the diplomas to the seventh grade students.

Members of the senior class are Eunice Bearden, Merle Blevins, Maurice Coleman, Vivian Chapman, Ethel Haddock, Bobby Penndarvis, Annalyn Morris, Nellie Miles, Glynn Miles, Charles McCartney, Brooks Heider, Rudolph Schultz, L. C. Smith, Tyrus Smith, Bert Crowder, Luther Branton and Allen Tyler.

Women's Swimming Class To Open Here Wednesday

On Wednesday of this week, swimming classes for the young women of the Y. W. C. A. will be inaugurated with Allen Norris, local Red Cross examiner, in charge, it was announced yesterday.

All young women in the city who wish to avail themselves of this opportunity of learning to swim are invited to register at the Y. W. C. A. office either in person or by phone. There will be no charges.

The classes will be held on Mondays, Wednesdays and Fridays between the hours of 6:30 and 7:30 p.m., and will continue for a period of two weeks. Life saving instruction will be one of the features for the advanced swimmers.

News-Star--World Pattern

PATTERNS 1855 AND 1769

Both of these are frocks for the days when one doesn't feel like being too, too tailored. There are days like that! One just hankers for a bow under her chin, or the knowledge that her dress is really intriguing in design. It may be that one wishes to make an impression at tea—or perhaps it is just to be prepared for a big evening. You can't do better than make your choice from one of these.

The bow is the least part of the charm of the gown at the left with its clever capelets and yoke in one, and the very smart cut of the skirt. Look at it in the back. The V at the top of the skirt is nice—itsn't it, and it emphasizes the graceful lines of the hips.

As for the frock at the right—it is as new as next month's fashion reports, and just as interesting. The yoke consists of two bands of fabric sewn together except at the front where they are drawn through buckles most amusingly. And the sleeves are the very last word in chic. When you wear it, you can be dead certain that no one else is going to look just like you—or nearly so stunning!

Tallulah
Mrs. R. L. Bailey was the charming hostess to the Wednesday Afternoon club which met at her home on Saturday afternoon, the members enjoying bridge games. Mrs. W. M. Murphy was the winner of the high score prize, a pyrex dish. Mrs. A. L. Sevier, for consolation received a bracelet and Mrs. A. G. Bray for low score an even better prize. A delicious buffet luncheon was served in the dining room from the attractive table, centered with beautiful flowers and lighted tapers. The guests included Mrs. A. L. Sevier, Mrs. Alex. Blanche, Mrs. W. M. Murphy, Mrs. W. C. Starrett, Mrs. N. T. Holt, Mrs. L. M. Spencer, Mrs. A. G. Bray, Mrs. J. A. Gilbert, Mrs. R. E. Gilbert, Mrs. Claude Searles, Mrs. A. T. Palmer and Mrs. Gene Powers.

Mrs. R. A. Tate and Mrs. Z. L. Chambliss were co-hostesses at a delightful bridge party at Mrs. Chambliss' home on Thursday afternoon. A profusion of lovely spring flowers adorned the attractive reception rooms adding much pleasure to the occasion. The games resulted in Mrs. J. N. Harvey winning the high score prize. Mrs. G. M. Fuller, consolation, and Mrs. Stuckland, booty. Those in attendance were: Mesdames R. C. Walker, T. Ed Williams, Herbert Jones.

Pattern 1855 is available in sizes 12, 14, 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, 36, 38 and 40. Size 16 takes 3 1-4 yards 39 inch fabric.

Pattern 1769 is available in sizes 14, 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, 36, 38 and 40. Size 16 takes 2 5-8 yards 39 inch fabric and 7-8 yard contrasting. Illustrated step-by-step sewing instructions included with each pattern.

Send FIFTEEN CENTS (15c) in coins or stamps (coins preferred), for each Anne Adams pattern. Write plainly your name, address and style number. BE SURE TO STATE SIZE WANTED.

The smartest warm weather fashions, the newest fabrics, and the Summer season's outstanding accessories are illustrated and described in the NEW ANNE ADAMS PATTERN BOOK. ORDER YOUR COPY OF THIS HELPFUL NEW SUMMER BOOK. PRICE OF BOOK FIFTEEN CENTS. BOOK AND PATTERN TOGETHER, TWENTY-FIVE CENTS.

Address orders to Monroe Morning World Pattern Department, 243 West 17th Street, New York City.

Circle Three of the Baptist Missionary society met with Mrs. E. O. Vaughn on Monday afternoon with fifteen members present. Mrs. M. L. Hill taught the study lesson from the text, "Decade of the W. M. U." Mrs. L. A. Nettles presided over the business session, which was followed by a social hour, when refreshments were served.

Mrs. George Eggleston left during the week for a visit with her son in Los Angeles.

Mrs. L. Stevens was hostess to her circle of the Women's Missionary union on Monday afternoon, with Mrs. W. C. Purdy conducting the devotional, followed by prayer by Mrs. C. W. Spencer. The study lesson from the text, "Land of the Southern Cross," was taught by Mrs. Frank Montgomery. Refreshments were enjoyed at the close of the meeting.

Mrs. Will Sevier entertained the members of her club on Saturday afternoon with Mrs. Hugh Montgomery, Mrs. R. L. Bailey, Mrs. J. A. Gilbert, Mrs. W. M. Murphy, Miss Katherine Ward, Miss Emma Louise Sevier, Mrs. J. A. Gilbert and Mrs. Will Adams as guests. The prize for high score was won by Mrs. Adams. A plate lunch was attractively served at the conclusion of the games.

An enjoyable meeting of the Tuesday club took place on Tuesday afternoon at the home of Mrs. F. H. Tucker, with Mrs. E. S. Moberly winning the high score prize and Mrs. A. T. Palmer cutting consolation. Other guests were: Mrs. J. R. Medlin, Mrs. R. A. Tate, Mrs. L. Stevens, Mrs. A. H. Hurd, Mrs. J. K. Post and Mrs. J. A. Gilbert.

A lovely party of the season took place on Wednesday afternoon at the Tallulah Book club building when Mrs. A. L. Sevier and Mrs. R. L. Bailey entertained with twenty tables of bridge. The first prize was won by Mrs. Albert Sherwin, second by Mrs. J. A. Gilbert and third by Mrs. A. H. Hurd. The hostesses were assisted in serving a refreshing salad course by Misses Dick Purdy, Mary Pinney Hopkin, Agatha Lanehart and Laura Sevier. The guests included Mesdames Wray Bowie, B. P. Folk, Horace Maxwell, A. G. Gray, G. H. Osbourne, G. L. Garrison, R. G. Long, Hugh Montgomery, J. L. Davis, B. R. Coad, W. P. Sevier, Jr., Steve Volkner, Gene Powers, Tom Powers, Ed Shamblin, Frank Thomas, J. R. Medlin, L. Stevens, C. Walker, G. C. Purvis, W. L. Rountree, E. B. Striblin, R. A. Tate, J. A. Gilbert, A. H. 13 GRADUATES ARE GIVEN DIPLOMAS AT FERRIDAY SCHOOL

FERRIDAY, La., June 2.—(Special)

—S. Howard Henderson, of Ferriday, member of the Concordia parish school board, Friday night at the Ferriday high school auditorium presented diplomas to 13 seniors of the school.

The principal address was delivered by President G. W. Bond of the Louisiana Polytechnic institute. The talk was well received by the members of the class and a capacity crowd of parents and friends of the school.

Judge John Dale, Sr., of Vidalia presented scholarships to the following seniors: Ruby Rabb, Louisiana State university; Inez Sullivan, Louisiana college; Elizabeth Waddell, Louisiana Tech; Edward Lee, Centenary college; and Eda Mounger, Louisiana Normal college.

The program opened with the professional played by Miss Pauline Neal. Reverend Charles G. Bruce, pastor of the First Presbyterian church, read the invocation. Miss Inez Sullivan was salutatorian and the valedictory address was delivered by Ruby Rabb.

Parish Superintendent of Education J. S. Burris of Vidalia, presented seventh grade certificates. Principal Farley F. Thompson presented the Balfour medal to Inez Sullivan and Prof. W. E. Person, principal of the Waterproof high school, presented the American Legion medals. The following received diplomas: Edward Lee, Ruby Rabb, Elizabeth Waddell, Cecil Bone, Daphne Enterkin, Wilbur Wilson, Mac Boring, Eda Mounger, De Leon Rozell, Enoch McLain, Martha Fleming, Inez Sullivan and Hazel Rheim.

The honor roll up to date follows:

As soon as the "Better Homes Exposition" is concluded the "renovize" campaign will begin. A goal of \$500,000 has been tentatively fixed, the amount representing the volume of pledges in repairs, refurnishing, reconstruction and building that is expected from the property owners of the two cities in carrying out the purposes of the campaign. It is pointed out that 70 per cent of the pledges, or \$350,000 will go for labor. This in turn will go back into trade channels in the two cities and thus help to revive business.

'Better Homes Exposition' Definitely Assured Here

Monroe's first "Better Homes Exposition" was definitely assured Saturday, when it was announced by A. V. Miller, general chairman of the "Renovize the Twin Cities" campaign, that 42 business firms of Monroe and West Monroe had entered a total of 42 booths or their equivalent in contributions for the event.

"This does not mean that we have received pledges for the full amount needed to make the exposition a success," Mr. Miller stated. "It does mean that, with the measure of cooperation already given, we can be assured that the entire amount required will be forthcoming. Our committees will continue their campaign for pledges of cash until the whole amount needed will be subscribed."

The sum required for the exposition is \$1,800, the general chairman stated. The 22 booths entered represent pledges totalling \$1,260. The balance will be raised by asking for contributions from various business concerns throughout the two cities.

"Some of our merchants and other concerns," the chairman stated, "are anxious to lend their aid, but are not in a position to enter booths. We are going to give these an opportunity of taking part by accepting their contributions of whatever amount they desire to pledge. The exposition will be held, probably in the latter part of the month, the date to be announced as soon as the full amount needed is in sight."

An honor roll of all contributors is to be published from time to time, and in addition the list will be placed in a conspicuous place so that full credit can be given to all, it was announced.

The honor roll up to date follows: Contributors: Brown Paper mill, Monroe Wholesale Drug company, The Palace.

Subscribers for booths: Slagle Johnson Lumber company, Coca-Cola Bot-

ling Works, Sherwin-Williams Paint company, Central Trades and Labor Council, Hayes Lumber company, Ritchie Grocery company, Central and Circle S stations, Louisiana Power & Light company, Monroe Brick company, Kellogg Lumber company, Southern Carbon company, Monroe Steam Laundry, Central Savings Bank & Trust company, Turner-Allen Paint company, Monroe Grocery company, Ouachita Baking company, Peters Furniture company, Swift & company, A. & L. As soon as the "Better Homes Exposition" is concluded the "renovize" campaign will begin. A goal of \$500,000 has been tentatively fixed, the amount representing the volume of pledges in repairs, refurnishing, reconstruction and building that is expected from the property owners of the two cities in carrying out the purposes of the campaign. It is pointed out that 70 per cent of the pledges, or \$350,000 will go for labor. This in turn will go back into trade channels in the two cities and thus help to revive business.

STRIKERS' RANKS ARE SWELLED BY MORE WALKOUTS

tendants deserted 550 filling stations in St. Louis, St. Charles and St. Louis county and demanded a salary increase of about five per cent. Police said guages were smashed at several stations. Three men were arrested.

Omaha: Twenty-six engineers and firemen abandoned their posts at four breweries, forcing three of them to halt manufacture. The engineers demand 90 cents an hour and the firemen 75 cents. Two of the firms signed the union contract late Saturday.

Oklahoma City: About 900 workers in packing plants and stock yards went out on strike with demands for union recognition, higher wages and guaranteed hours of work. Pickets guarded the yard gates and activity in the packingtown area came to a virtual standstill.

Buffalo, N. Y.: Ship movements on the Great Lakes were hampered by the strike of 2,000 tugmen, who ceased operations in protest against the ruling of a federal mediator in arbitration proceedings at Cleveland. Union chieftains claimed the movement had tied up virtually every tug on the inland waterway and described the walkout as general.

Washington: The cotton textile industry strike set for Monday was called off after a series of conferences between union leaders, Recovery Administrator Hugh S. Johnson and George A. Sloan, chairman of the cotton textile code authority. Johnson saw prospects that the steel strike, scheduled for Monday, could be prevented.

Brownlow Hastings Will Deliver Sermon Tonight

Brownlow Hastings, son of L. T. Hastings, pastor of the First Baptist church, and Mrs. Hastings, will deliver the sermon tonight at the church, according to announcement Saturday.

Mr. Hastings has just returned from a year of school work in Mars Hill junior college, Mars Hill, N. C. He is a graduate of Ouachita parish high school, where he made an excellent record. Before leaving for college he decided to enter the ministry.

Rev. Hastings, the pastor, will be in Farmerville tonight for the purpose of delivering the baccalaureate sermon for the high school there. He will be in Linville this afternoon.

The Perfect Gift for the Graduate

Study the new Royal Typewriter from every angle—the suave perfection of its lines; its grace and balance. Observe its rich enamel finish; the lustre of its highly polished chromium and cadmium plating.

And the price! It has not been advanced! No premium for the extra advantages of this finest of portable typewriters—the ROYAL.

that prints daily violent anti-Semitic propaganda. Students and young girls especially are wearers of the light grey shirts, which, in place of the Nazi Swastika, are decorated with an embroidered small sword.

THE PHILIPPINES think they want separation from the United States. They demand it, and this government seems inclined to give it to them, after having freed them from Spanish dominion, and, to some extent, from brutal ignorance and superstition. But there is one fly in the ointment of freedom.

Philippines now enjoy the right to send products to the United States, without paying duty, cheap Filipino labor competing with labor in the United States. If the Philippines decided to cut loose from the United States, they would have to pay duty, like anybody else, on goods shipped here.

AT THIS POINT the Japanese consul-general at Manila, Atsushi Kimura, offers a suggestion. He thinks the Philippines would be able to arrange free trade with Japan. But, "the Philippines should reduce the cost of production of their products." In other words, they should work for a great deal less money. They would work for very much less money if they find themselves, as soon would happen, under the control of fiercely efficient Japan, instead of good-natured, easy-going Uncle Sam.

JONESVILLE SCHOOL WILL GRADUATE 18

FERRIDAY, La., June 2.—(Special)—Commencement exercises for Block high school of Jonesville will be held in the auditorium of the institution next Thursday.

The first of a series of events on school program was held Thursday when the home economics department staged its annual style show. The annual junior-senior banquet was held Friday.

Sunday the commencement sermon will be delivered at the Methodist church, Frank Howard led the senior class this year with an average of 94 for his four years of school work. He will be valedictorian. Miss Inez Hawthorne will be salutatorian of the class.

The senior roll for the year is as follows: Inez Hawthorne, Lois Manning, Mrs. Lettie Fuglar, Lucylee Wright, Katherine Beard, Hester Brethaupt, Nancy Lafont, Iva Clark, Virginia Edwards, Mary Boyd, Frank Hotard, T. D. McMillin, Herase Bass, Robert Scott, Farrar Marvin, Fred Yancey, Jr., Tom Fields, and Luther Sanson.

The sand-line brick industry produces 320,000,000 bricks a year in the United States, compared with 190,000,000 in Great Britain, according to a British government report.

VALEDICTORIES GIVEN AT L. S. U.

Members Of Graduating Class Hear Speeches At Greek Theater

BATON ROUGE, La., June 2.—(P)—Six hundred members of Louisiana State university's 1934 graduating class gathered tonight in the beautiful Greek theater to hear the valedictory addresses.

Dressed in conventional cap and gown costume, the group formed in line just at sundown on the east terrace of Hill Memorial library and marched across the campus to the theater, where the valedictories were given by Robin Colyer Anderson, Lake Charles, La., of the academic classes, and Miss Frances Cora Leggio, Baton Rouge, of the law school.

After the ceremony the annual alumni banquet was held in Fester hall, followed by the governor's program—a musicale given by the L. S. U. school of music. The night's ceremonies ended with the "Louisiana Soiree" a university dance in the gymnasium-armory building.

Tomorrow's commencement calendar includes the baccalaureate services in the Greek theater with Rabbi Abraham Brill of Shreveport delivering the sermon. Final commencement ceremonies will be held Monday night with the awarding of diplomas.

Among speakers invited to the alumni banquet tonight were Attorney General Gaston L. Porter, of the L. S. U. class of 1934-1937, and Representative Joseph B. Hamiter of Caddo parish, of the 1923-1926 group.

Gilbert

Mrs. H. B. Rountree, accompanied by Mrs. B. R. Gunn and Mrs. Richard Ward, spent Thursday in Monroe.

Mr. and Mrs. J. B. McCoy spent Sunday afternoon in Wisner as guests of Mr. and Mrs. A. J. Ensminger.

Mrs. Fred Gilbert and Mrs. H. B. Womble, Jr., visited friends and relatives in Wisner Monday.

Mr. and Mrs. Lannie Calhoun, Jr., and son L. M., accompanied by Mrs. Lannie Calhoun, Sr., were visitors in Wisner Friday afternoon.

Mr. and Mrs. C. W. Sherouse were visitors in Wisner Thursday afternoon.

C. H. Foster, Sr., of Monroe and brother, J. B. Foster of Brookhaven, Miss, spent several days during the past week here as guests of Mrs. Alice Kelly and Mrs. Elizabeth Ward.

Miss Corintha Sherouse was a visitor in Wisner Monday afternoon.

Mr. and Mrs. M. Stone Miller of Delhi visited relatives here Sunday.

Dr. D. D. Gill, who has been a patient at the Natchez sanitarium for the past week, returned home Sunday afternoon and his many friends are glad that he is back at home and able to be out again.

T. E. Drexler of Crowley spent Sunday afternoon in the home of Mrs. Elizabeth Ward.

Mr. and Mrs. B. R. Gunn and daughter, Mr. and Mrs. G. G. Conner and daughter, Mr. and Mrs. H. B. Rountree, Misses Treva and Mary Lou Porter, G. Ray Porter, Misses Cecile Townsend and Nina Mae Lee were among those attending the show in Wisner Sunday afternoon.

W. M. Snyder and I. F. Turner visited Dr. D. D. Gill in Natchez sanitarium Friday afternoon.

Mrs. C. H. Foster, Sr., and son T. R. Foster of Monroe were guests of Mrs. Elizabeth Dard Sunday afternoon and were accompanied on their return by C. H. Foster, Sr., and J. B. Foster.

J. A. Hendrix attended the Winnboro-Tallulah ball game in Tallulah Sunday.

Among the students expected home from college this week end are Misses Elizabeth Gill and Mary Virginia Griffin from L. S. U. and Miss Odine Gill from Kentucky university.

Mr. and Mrs. Curtis Tucker were visitors in Wisner Monday afternoon.

Mrs. Joe Brocato and sons of Winnboro spent the week-end here as guests of Mrs. Brocato's father and mother, Mr. and Mrs. C. B. Tucker.

The National Association of Real Estate Boards reports a growing shortage of single-family dwellings in 273 American cities surveyed recently.

PEOPLE URGED TO PROTECT RIGHTS

(Continued From First Page)

ing legislation before the people can protect.

"Be it resolved that we denounce in unmeasured terms all tax schemes proposed at Baton Rouge, and that we urge our senators and representatives to work and vote against them, and that we further urge them to vote against all racketeering measures aimed at the business interests of the state.

"Be it further resolved that we urge the people of Louisiana to assemble at Baton Rouge and to defend their rights, and we sound a note of warning as to the scheme underlying the so-called police bill introduced by a representatives from Jackson parish.

"Be it further resolved that we urge those parishes which are being misrepresented today in the state legislature by representatives who are influenced by jobs either for themselves or for their kin or for their political associates, to take such action as to make those representatives realize that something far more important than jobs is necessary to restore decent and honest government in the state of Louisiana."

SENATOR GARDINER MAKES STATEMENT

BATON ROUGE, La., June 2.—(P)—Assertion that he "would not vote for one penny of taxes" during the current legislative session "before the machinery for property tax reduction has been set up," and would oppose any senate attempt to push tax action ahead of property relief levy was voiced today by Senator A. C. Gardiner of the Louisiana tax reform commission.

Senator Gardiner of Church Point, made known his legislative tax views in an issued statement bearing upon what he said was an "impression created that an effort was being made to 'railroad,' or levy new taxes regardless of whether we first get any property tax relief."

A mass meeting of central Louisiana parish citizens has been called for Monday night in Alexandria's city square to oppose new taxes before the legislature, and petitions have been placed in circulation by the New Iberia chapter of commerce insisting upon economy and retrenchment in state government, and decrying new taxation.

15 Seniors Are To Receive Diplomas At Spearsville School

SPEARSVILLE, La., June 2.—(Special)—The closing exercises of the Spearsville high school will be held here next Thursday night. Joe Mahony of El Dorado, Ark., will deliver the commencement address. The baccalaureate sermon was preached last night by Rev. L. T. Hastings, pastor of the First Baptist church of Monroe.

The honor students of this year's class are Jane Carroll and Ruby Barron, valedictorian and salutatorian, respectively. Miss Carroll is the first student ever to graduate from this school with all of the term grades on her record card listed as "A's."

Other members of the graduating class are Jean Futch, Elizabeth Rockett, Robbie Butler, Louise Dudley, Ruth Terrell, Thelma Wade, Wilma Boatright, Clois Stone, Minor Rhodes, Frank Smith, Kermit Bryan, Ronald Baird and Wilmer West.

CHAPEL HILL, Tenn.—(P)—Century-old Stevens Grove Baptist church, secret rendezvous of the Ku Klux Klan during the days of reconstruction, has fallen before the junk man's hammers. It was sold cheaply and the wrecking crew demolished it in short order.

ORLEANS CITIZENS CALL FOR MEETING TO PROTEST BILLS

(Continued From First Page)

6, 1934, at 8 o'clock p. m., to express yourselves in unmistakable terms concerning this iniquitous proposed legislation and to map out a course of action to insure its defeat."

Heading the lengthy list of signatures were:

A. P. Harvey, president Central Trades and Labor council; William Ruth, president New Orleans Building Trades council; R. J. Perignon, first vice president Louisiana state Federation of Labor; Louis Sahuque, president Pressmen's Union; Charles Stein (Labor).

S. A. Trufant, Sr., Crawford H. Ellis, Dr. Rudolph Matas, Joseph W. Carroll; J. Ogden Pierson; George G. Westfield; Cartwright Eustis; T. M. Logan Burns, Dr. W. R. Buffington, Frank Dameron, G. King Logan, J. Blane Monroe, Dr. C. Jeff Miller, Monte M. Lemann, Edgar B. Stern, Charles Dunbar, Esmond Phelps, Dr. Erasmus Fenner and E. James Kock.

The program for commencement exercises will open with the processional, "Coronation March" ("The Prophet"), by Meyer Beer, by the college orchestra. This will be followed by invocation.

Edward Reeves, senior class representative, will speak on "Changing Conceptions of Democracy," and Clarissa Davis, faculty representative from the senior class, will speak on "Patriotism in the New Era."

A piano solo, "Impromptu," (Schubert) will be given by Nantelle Mitchiner.

The baccalaureate address will be delivered by Dr. A. L. Crabb, of the faculty of Peabody college at Nashville, Tenn.

Members of the women's glee club, under the direction of Roger C. Frisbie, will render "The Lamp in the West," and "I Love Life."

Presentation of diplomas will be made by T. O. Brown, Ouachita parish superintendent of schools.

"Alma Mater" (Frisbie), this will be rendered by the audience. This will be followed by the benediction and recessional, "March Militaire" (Schubert), by the college orchestra.

One of the features of the occasion will be the presentation by the Kiwanis club of the annual award for the best short story.

Members of the orchestra are as follows: violins, Mrs. Roger C. Frisbie, Wayne Wamsley, Sr., Wayne Wamsley, Jr., Miss Mary Tanner, Miss Helen Vawter; cello, Mrs. H. C. Holden; bass, L. J. Hunnicutt; drums, Oscar Davis; flute, Alfred Hannon; clarinets, W. B. Martin, Raymond Masling, Charlie Miller; trumpets, C. C. Varnell, Horace Terrell, Jewell McDaniel; trombones, Jac Assunto, Warren Garrett; piano, Miss Beatrice Skirvin.

Ushers for the commencement ceremonies will be Juliet Daimwood, Margaret Chase, Dorothy Calvert, Nelson Bland, John Frantom and Charles Temple.

Bernice

A very interesting mission study class was held at the Baptist church Thursday for the members of the Women's Missionary society of Concord association. Five societies were represented. The book used was "Keys to the Kingdom," written by Mrs. Emma B. Lawrence, and was taught by Mrs. Ruth Still. A plate lunch was served at the noon hour.

Mrs. A. J. Emmerson and little daughter of Monroe are visiting her parents, Mr. and Mrs. G. E. Lindsey.

Mrs. Cecell McGinnsey and little daughter, Terry, of Monroe, are visiting her cousin, Mrs. M. W. Lawrence.

Mr. and Mrs. Monroe Anderson of Mangham have moved here, their former home.

Returning from college this week were Wick Lawrence, Southern Dental college, Atlanta, Ga.; Van Pratt and Young Burns, Texas military college; J. C. Watson, Louisiana college; Donald Lindsey, L. P. I.; Burford Cayle, L. P. I.

Miss Margie Cayle of Dodson is visiting friends and relatives here.

Miss Mary Wainwright is home from Rhymes where she has been teaching.

Miss Mary Hollis has returned from a visit to friends in Texas.

Mrs. C. K. Oyley visited her son, Dean Selig, and wife, in Monroe recently.

Mrs. J. M. Butler is visiting her daughter, Mrs. W. F. Grafton in Monroe.

Thirty-two states, one United States possession and nine foreign countries are represented in the student body of Emory university at Atlanta, Ga.

ORLEANS CITIZENS CALL FOR MEETING TO PROTEST BILLS

(Continued From First Page)

6, 1934, at 8 o'clock p. m., to express yourselves in unmistakable terms concerning this iniquitous proposed legislation and to map out a course of action to insure its defeat."

Heading the lengthy list of signatures were:

A. P. Harvey, president Central Trades and Labor council; William Ruth, president New Orleans Building Trades council; R. J. Perignon, first vice president Louisiana state Federation of Labor; Louis Sahuque, president Pressmen's Union; Charles Stein (Labor).

S. A. Trufant, Sr., Crawford H. Ellis, Dr. Rudolph Matas, Joseph W. Carroll; J. Ogden Pierson; George G. Westfield; Cartwright Eustis; T. M. Logan Burns, Dr. W. R. Buffington, Frank Dameron, G. King Logan, J. Blane Monroe, Dr. C. Jeff Miller, Monte M. Lemann, Edgar B. Stern, Charles Dunbar, Esmond Phelps, Dr. Erasmus Fenner and E. James Kock.

The program for commencement exercises will open with the processional, "Coronation March" ("The Prophet"), by Meyer Beer, by the college orchestra. This will be followed by invocation.

Edward Reeves, senior class representative, will speak on "Changing Conceptions of Democracy," and Clarissa Davis, faculty representative from the senior class, will speak on "Patriotism in the New Era."

A piano solo, "Impromptu," (Schubert) will be given by Nantelle Mitchiner.

The baccalaureate address will be delivered by Dr. A. L. Crabb, of the faculty of Peabody college at Nashville, Tenn.

Members of the women's glee club, under the direction of Roger C. Frisbie, will render "The Lamp in the West," and "I Love Life."

Presentation of diplomas will be made by T. O. Brown, Ouachita parish superintendent of schools.

"Alma Mater" (Frisbie), this will be rendered by the audience. This will be followed by the benediction and recessional, "March Militaire" (Schubert), by the college orchestra.

One of the features of the occasion will be the presentation by the Kiwanis club of the annual award for the best short story.

Members of the orchestra are as follows: violins, Mrs. Roger C. Frisbie, Wayne Wamsley, Sr., Wayne Wamsley, Jr., Miss Mary Tanner, Miss Helen Vawter; cello, Mrs. H. C. Holden; bass, L. J. Hunnicutt; drums, Oscar Davis; flute, Alfred Hannon; clarinets, W. B. Martin, Raymond Masling, Charlie Miller; trumpets, C. C. Varnell, Horace Terrell, Jewell McDaniel; trombones, Jac Assunto, Warren Garrett; piano, Miss Beatrice Skirvin.

Ushers for the commencement ceremonies will be Juliet Daimwood, Margaret Chase, Dorothy Calvert, Nelson Bland, John Frantom and Charles Temple.

WORK PLANNED TO AID DROUTH AREAS

WASHINGTON, June 2.—(P)—A work program designed to employ thousands of men in the mid-west drouth areas was drafted today by Harry L. Hopkins, federal relief administrator, with the approval of President Roosevelt.

The relief administrator said the plan would be launched immediately in the counties that had been certified by the department of agriculture as requiring emergency action. He announced allotments to 11 states for the work.

At the same time the administration had under consideration the advisability of asking congress for an additional appropriation of about \$200,000,000 to cope with a situation that, officials say, is growing worse hourly.

Hopkins' statement said that work plan was "specifically designed to conserve food and water" and was developed following a long distance telephone conversation with President Roosevelt at Groton, Mass.

Homer Legion Plans Memorial Services

HOMER, June 2.—(Special)—The Pate-Thomas post, American Legion, here is sponsoring memorial services Sunday afternoon at Arlington cemetery at 5 o'clock.

All ex-service men and Boy Scouts will march from the courthouse to the cemetery. Mrs. Lamont Seals will be master of ceremonies, H. H. Watkins will give the principal address. Quartet, and orchestra music and readings will feature the program. At the conclusion, the graves will be decorated, among which will be that of many war veterans.

Final ceremonies in connection with the observance of the fifty-first anniversary of Macedonia Baptist church negro organization, will be held today at the church, of which Rev. A. T. White is pastor. The program will begin at 1 p. m. and continue through the dinner hour, beginning at 4 p. m. Rev. White will deliver the anniversary sermon and anniversary remarks will be made by Ida Nickelberry. It was announced that all pastors and churches are invited.

OBITUARY

MRS. PAUL MARTIN
LAFAYETTE, La., June 2.—(P)—Mrs. Paul Martin, mother of State Representative Esteve A. Martin of Lafayette parish, died at her home here today at the age of 76 years. Funeral services will be conducted at Carenco, near here, at 4 o'clock Sunday afternoon.

Mrs. Martin, a member of prominent southwest Louisiana family, is survived by one daughter, Mrs. Ophelia Chachere of Carenco, six sons, Rousean Martin, Santa Fe, N. M., Dr. Claude A. Martin, Welsh, La., George Martin and Representative E. A. Martin, Carenco, Valsin Martin, Opelousas and Albert B. Martin, Dallas, Tex., two brothers, Simonet J. Breaux and Clovis Breaux, Carenco, 25 grandchildren and 13 great-grandchildren.

MRS. ADDIE MAY M'PHAIL
BASKIN, La., June 2.—(Special)—Mrs. Addie May McPhail, 38, died at her home here today at 1:10 p. m.

Funeral services will be held at the Baskin Methodist church Sunday afternoon at 2 o'clock with Rev. Poole officiating. Interment will be in the Coax cemetery.

Surviving are the widower, W. H. McPhail, two children, Charles Edward and Dorris May; the mother, Mrs. Nannie McNease, two sisters, Mrs. Alvin McPhail of Baskin and Mrs. Odie Hassel of Wisner, and three brothers, W. E. McNease, Fred McNease and Edgar McNease.

MRS. T. MORACE
EVA, La., June 2.—(Special)—Funeral services for Mrs. T. Morace, 75, who died at her home here Thursday, were held at the residence Friday. Interment was in the New Era cemetery.

She is survived by two daughters and three sons.

HORTON L. PALMERTREE

DELHI, June 2.—(Special)—Horton L. Palmertree, 32, who died here May 22, was buried in the I. O. O. F. cemetery at Greenwood, Miss. Mr. Palmertree, a World war veteran, formerly lived in West Monroe. He was buried with a military funeral.

Surviving are the widow, two children, father and mother, six brothers and one sister.

Lake Providence Man Sentenced To Prison

LAKE PROVIDENCE, La., June 2.—(Special)—Convicted of manslaughter in district court here in connection with the fatal shooting of Robert McRee, Chris McKinnis was sentenced by Judge F. X. Ransdell to serve a sentence of not less than three nor more than five years in the state penitentiary.

The shooting occurred on a downtown street after the two men were alleged to have argued over the repairing of a sewerage pipe.

HARVEY FIELDS FLAYS PROPOSED BUDGET MEASURE

(Continued From First Page)

independent and fair minded citizen.

"Such a policy would also be taking from the constituted authorities and officials of the different parishes, towns and localities a power vested in them, and in a manner allowing them to avoid responsibility.

"If anything is wrong in a given community, the people have a right today to examine the books, to hold mass meetings, to protest and even to bring suits to have the books of the officials of any locality brought under the scrutiny of public gaze and public attention."

C. W. Morgan Of Swartz Is In Serious Condition

C. W. Morgan of Swartz, prominent in oil and gas circles of Monroe, who has held a number of important positions with different carbon companies here, was reported Saturday to be in a serious condition at St. Francis sanitarium, where he is suffering with a heart ailment.

His daughter, Miss Virginia Morgan, former president of the Business and Professional Women's club of Monroe, and a leader in theatrical activities, arrived here Saturday from New York, where she now resides. She was summoned here on account of the illness of her father.

In the pictures today we have a group of honor students, members of the senior classes of the Neville high school, the Ouachita parish high school and the Parochial school.

To the left is Miss Elaine Roster, beautiful daughter of Mr. and Mrs. J. H. Roster, who was awarded highest honors and appointed valedictorian of the senior class of the Ouachita parish high school. Miss Marie Winkler, attractive daughter of Mr. and Mrs. Joseph Winkler, the second highest, was selected salutatorian. (To the right).

In the center pictures we have Miss Dorothy McComb, charming daughter of Mr. and Mrs. Parker McComb, and Miss Marjorie Chambers, lovely daughter of Mr. and Mrs. L. B. Chambers. Miss Chambers (second from the right) was the valedictorian of the senior class of the Neville high school, and Miss McComb (third from the left), was salutatorian. In the picture below, wearing cap and gown, is Miss Dorothy Jones, attractive daughter of Mr. and Mrs. Frank Jones, who was salutatorian of the senior class of the Parochial school.

—Portraits by Downing studio.

JUNE! The month when flowery speeches, falling from the lips of starchy-eyed graduates, echo down the high school corridors and earnest young men and women in caps and gowns clasp fervently a sheepskin, as dear to them as life itself . . . June is the month when "Nature speaks a various language to those who hold communion with her visible forms" . . . the month when the golden sun, the planets, all the infinite hosts of heaven shine down upon us . . . June is vacation time and we look longingly to the hills, the venerable woods, rivers that move in majesty, the complaining brooks and the ocean's mighty waste . . . June creeps into our musings and creates restlessness . . . we long to chase our favorite phantom whether it be on land or sea, in the crowded city or the quiet woodlands where we can drift on "flowery beds of ease" . . . day dreams for some will come true, especially for Ida Kaplan, Patricia Kaplan and Dora Anish who will spend their vacation where the wind in the palm trees that fringe the mighty Pacific sings a restful requiem . . . This congenial little group will depart on their motor trip to Los Angeles on the fifteenth of June, driving leisurely through the Grand Canyon and other points of interest . . . the month of July will be spent cruising the Pacific with Hawaii their main objective.

Of course you have heard about the wonderful graduation gift bestowed upon Ann Platt by her doting uncle and aunt, Mr. and Mrs. W. B. Reilly . . . Ann's graduation from L. S. U. carries with it a motor trip, in company with her uncle and aunt, and their chauffeur, through the eastern states, and New York City where she will see that handsome brother of hers, Layton Platt . . . they will motor on to Canada including Nova Scotia and then home again over a different route. . . . Quite a Monroe colony will settle down on the coast for the summer with Louise Seymour and her son,

(so we hear) leaving this month. . . . Mona Castle and her son Prentiss are planning to occupy the Central Bank cottage in the Ozark mountains. . . . Mrs. Edward Graham Waring and son will spend their vacation in Havana, sailing from New Orleans and continuing their journey to New York via steamer, thence to Milwaukee for the balance of the summer in the delta of Wisconsin. . . . a little motor giro through the New England states to Washington and New York for the C. E. Kenby family. . . . the Arthur Dryburghs will of course be back on the old stamping ground at the Gladstone in Chicago, the John Fox's, later in the summer will be domiciled at the Fox summer home on Long Island, N. Y. . . . others there are who think that home keeping hearts are happiest . . . the Henry Biedenharn's for instance, who will be so busy getting installed in that gorgeous new home that a trip to Paradise would have no appeal at this particular time. . . . We heard indirectly that Aldena Atkins and her two daughters, Ruth and Lockett will summer on the coast.

The grand old custom of picnicking, we thought had fallen into desuetude, but up they pop as popular as they used to be before the dawn of the modern era. . . . two young women who went picnicking on Lazarro's Point had to walk home one night last week . . . fortunately, there was a friendly moon to guide their footsteps. . . . We still hear enthusiastic accounts of Tom Davenport's moonlight "picnic" at his plantation home in Mer Rouge. . . . strains of music floated through the garden where a balmy breeze swayed the Japanese lanterns suspended from those grand old oaks that are an everlasting

source of pride to Mer Rouge inhabitants . . . the traditional hospitality of the old south still lingers in the Davenport home where Mrs. Davenport, true daughter of the southland with her Patrician features, gentle voice and engaging personality, moves with so much grace. . . . Speaking of lovely personalities reminds us of one whom you will all agree is most exceptional . . . Mrs. Courtney Oliver . . . we never meet this delightful person that we do not feel better for having clasped her hand, for having heard her comment on the things of the hour (never an unkind word of criticism or gossip falls from her lips) . . . for even a brief interlude with this refreshing person we feel benefited. . . . Mrs. Oliver is a real personality, and one of the most devoted, most conscientious mothers we have ever had the pleasure to know . . . her little brood of splendid children reflect the environment she has created. . . . That good looking Charles Reid is air-minded these days . . . his first flight last week was so thrilling he finds it difficult to keep his feet firmly planted on terra firma. . . . Something to remember is the sight of Minnie Ruffin, called before the footlights to receive a gift of silver from admiring students at the Neville high school . . . too overcome for speech she groped, for the first time in her life, for words . . . there are times when the heart is too full for utterance and this is what happened to this delightful person, beloved by everyone, young and old. . . . George Lofton, Jr., made his debut in young social circles of Monroe last week when he was carried, in the arms of his nurse, to the S. E. Huey home where he paid his respects to the young master of the house who observed his second birthday anniversary . . . you should see this young chap, the love and devotion that Vera and George lavish upon him is manifested in his gurgles of delight. . . . it warms the cockles of the heart to see children of this age gathered together in a sunlit garden surrounded with toys, Shetland ponies, and gobs and gobs of ice cream. . . . A tonic that works more wonders in toning up the spirits than sulphur and molasses is the home coming of the college students. . . . this staid old town needs their vibrant step, their exuberance and their courage to face life as it is lived today. . . . Carey Thompson, Jr., is home from Springhill college with high honors . . . he promises to be as eloquent of tongue as his gifted father. . . . Elizabeth Cosper is home with her degree from Sophie Newcomb. . . . Oswald Cosby, who completes his course in medicine at Tulane, has a goal to reach . . . it was set by his father, one of the greatest doctors and surgeons, this section of the state has ever known . . . how wonderful it must be for a father and mother to see their son step out into the world equipped with splendid morals, a high standard of living, a keen mind trained for the work at hand, with a glow in the heart, triumphant conviction of strength, and earnest desire to "make good."

In the pictures today we have a group of honor students, members of the senior classes of the Neville high school, the Ouachita parish high school and the Parochial school.

To the left is Miss Elaine Roster, beautiful daughter of Mr. and Mrs. J. H. Roster, who was awarded highest honors and appointed valedictorian of the senior class of the Ouachita parish high school. Miss Marie Winkler, attractive daughter of Mr. and Mrs. Joseph Winkler, the second highest, was selected salutatorian. (To the right).

Graves Of Confederate Dead Will Be Covered Today With Blossoms Of The Southland

"Lord God of Hosts, be with us yet; Lest we forget; lest we forget."

To the heroes in grey, enshrined in the hearts of the southland her devoted daughters turn again after more than half a century has passed, to pay loving tribute today, Confederate Decoration Day, in strewing flowers over the narrow mounds.

A little group of Monroe women are assisting in building anew upon the altars of our country the fires of patriotism. Today they are telling anew the story of devotion to a principle and of a nation that rose so white and fair and fell so pure of stain. They point with pride, undiminished by the flight of years, to the myriad marble shafts, emblems of an affection that age cannot wither nor time erase. Fairest flowers of the southland, red roses, lilies and magnolias, are gathered today to place

Buffet Supper For Wedding Party Members

In the moonlit gardens of the Sandel home in Spanish City where Mr. and Mrs. George Lester have taken up their residence, a gay company of friends were gathered together for an evening of charming informality with Miss Aimee deGraffenreid and Mr. Allen Kimball the central figures. Dr. and Mrs. A. S. A. Collins and Mr. and Mrs. Frank Hawthorne were also hosts on this occasion and assisted in extending the courtesies which rendered the evening one of exceeding pleasure.

Tables were grouped under the spreading branches of the majestic old oak where the moonlight trickled through like silver filigree. A delectable buffet supper was served and later the guests were invited indoors where dancing was enjoyed in the spacious hall. Two song numbers, dedicated to Miss deGraffenreid and Mr. Kimball were featured over the radio at this time.

The guests present included members of the deGraffenreid-Kimball wedding party and members of their family.

Mary Alice Michel Celebrates Birthday

A group of happy children gathered in the garden of Mrs. H. Michel's home where her little daughter, Mary Alice, celebrated her seventh birthday anniversary with a party. The entire afternoon was devoted to fun and frolic culminating in a puppet show featuring Little Red Riding Hood.

The cutting of the exquisite birthday cake nestling in a bed of roses, was one of the highlights of this happy occasion. The favors were cunning toys, presented to each guest during the tea hour at which time fruit punch was served from an immense block of ice decorated with mint leaves. Delicious little tea cakes and ice cream in the greatest abundance were served by Mrs. Michel assisted by Misses Anne and Freda Michel.

Present to wish the little celebrant many happy returns and to enjoy the many charming courtesies extended, were:

June Lewis, Roland Kellogg, Caroline Johnston, Betty Jane Tucker, Margie Kall, Gene Carroll, Frances Kall, Gene Smith, Delores Kall, Dorothy Ann Bynum, Fred Kall, Jr., Gayle Stewart, Betty Jane Robinson, Jane Eckart, Sue McBride, Edith McWilliams, Fay Waldrup, Louise Rhinehart, Katherine Mickel, Joseph Mickel, Jr., Mary Helen Walker, Billy Bryant, Melvyn Tucker, Sue Dickard, Jonas Dean Selig, Alice Chilton, Elmer Richards, Patsy Snelling, Montie Frazier, Annie Laura Harkness, Thelma Blanks, Frank Harkness, Joy Harper, Sallie Foster, Martha Lena John, Martha Stewart, Geraldine John, Beatrice Walker and many others.

Mrs. Eugenia Oliver has recovered sufficiently from a recent serious illness to be removed to her home from the clinic.

Clever Fantasy Transports Children To Make-Believe Land At School Auditorium

The appreciative audience attending the charming fantasy "The Enchanted Bookshelf," featuring Miss Virginia Galloway's pupils in dramatic art, were transported to the land of make-believe Wednesday night at the Georgia Tucker auditorium.

All the characters from Mother Goose Rhymes, beloved by children for a century or more, stepped from between the pages of the book wearing the traditional costumes. King Cole's golden throne occupied the center of the stage with its background of antique homespun hangings and the enchanted book shelves.

Mother Goose and her children were prominent among the characters with King Cole, the merry old soul, the most popular of all. His demand to be "entertained" resulted in one of the most colorful entertainments presented by children in many a day.

The program follows:

Grave—Alice Naylor; Gay—Mary Stuart Kellogg; Mother Goose—Irene Wall; Little Boy Blue—Jonas Dean Selig; Queen of Hearts—Furn Bowman; Little Bo-Peep—June Lewis; Knave of Hearts—June Bowman; Little Miss Muffett—Mary Alice Mickel; Betty Blue—Rhoda Kellogg; Old Mother Hubbard—Gloria Ray; Mistress Mary Quite Contrary—Joyce Lynn Wall; Jack Horner—Tommy Sandridge; Baby Bunting—Rose Marie Wall; King Cole—Billy McDowell.

Buffet Supper At Plantation Home

Moon magic enveloped the beautiful gardens of the Davenport plantation home in Mer Rouge Saturday night when Mr. Thomas Davenport entertained with an al fresco supper complimentary to Miss Aimee deGraffenreid and Mr. Allen Kimball whose approaching nuptials on the eighth of June is occupying the interest of society.

Silvery moonlight trickled through the moss festooned branches of the giant oaks in the spacious garden where Mr. Davenport assisted by his mother, Mrs. Joseph Davenport, dispensed the brand of hospitality associated with this home where the atmosphere of the old south lingers.

The tables for the buffet supper were grouped under the trees and the guests helped themselves to the delectable viands arranged, buffet style, in the most attractive manner.

Guests present in addition to Miss deGraffenreid and Mr. Kimball were: Miss Beryl Madison and Mr. Allen Guthrie, Miss Robbie Lee Hanna and Mr. Ivy Faulk, Miss Florence Zeigler and Mr. Deleware Albrighton, Mr. and Mrs. H. F. Madison, Jr., Miss Virginia Hinkle and Mr. Hilmyer Parker, Mr. and Mrs. R. M. Troy, Mr. and Mrs. H. A. Miller, Mr. and Mrs. George Madison, Miss Mable Sharp Davenport.

Four attractive sub-debs, Misses Dorothy Graves, Jane Terzia, Betty Reilly and Doris Reid are anticipating a wonderful time this summer at Camp Nakanawa, Mayland, Tenn. They will leave on the twenty-eighth of June.

Miss Mildred Cohen Honor Guest At Dancing Party At Home Mr. and Mrs. Liebreich

One of the loveliest members of the senior class of the Neville high school, Miss Mildred Cohen, has been much feted socially during the past few weeks. Prominent among the charming affairs was the dancing party arranged in her honor by Mr. and Mrs. Hyman Liebreich.

The reception suite, cleared for dancing, afforded ample space for the evening's pleasures with Miss Cohen, wearing an exquisite frock of blue mousseline, the center of attraction.

Refreshing fruit punch and delicious little cakes embossed in the class colors were served during an intermission by Mrs. Liebreich, assisted by Mrs. Lillian Pierce. Present were: Misses Cohen, Marjiam Granberry, Dorothy Brown, Lorena Pettit, Georgine Murphy, Lillian Pierce, Peggy O'Toole, Earline Stout, Flora Yarbrough, Jane Smith, Doris Fleming, Fred Pettit, Julius Cahn, Douglas Kelly, Howard Honeycutt, George Maurteris, James Sumrell, Fred Marx, R. D. Farr, Claude Poland, Arthur Miller, Mr. and Mrs. Henry Haas, Mr. and Mrs. I. Liebreich, Mr. and Mrs. Louis Goldman, Miss Elizabeth Hinton, Mr. and Mrs. S. Friedlander, Mr. H. C. Carter and Mr. and Mrs. E. Haas.

SOCIETY

Dr. Doughty Addresses The Y. W. C. A. Residence Club On Effect Of Diet On Teeth

A most interesting talk was made Wednesday evening when Dr. A. R. Doughty addressed members of the Y. W. C. A. residence club on the care of teeth.

Dr. Doughty's lecture was illustrated with pictures thrown on a screen, depicting the care and development of the teeth and important part diet plays in this procedure.

"A diet containing plenty of calcium will aid materially in the prevention of tooth decay," stated Dr. Doughty. "Such foods as milk, fruits and fresh vegetables contain calcium, while meats, sweets and starches have a tendency to cause an acid condition of the mouth, which eventually results in tooth decay."

Other features of the program Wednesday evening were selections by the Y. W. C. A. orchestra and the reading of the "Y. W. C. A. Tatler," a newspaper compiled and edited by the members of the club.

Members who were present at this time were Miss Frances Perdue, who presided, Miss Zanebel Watson, Miss Thelma Easley, Miss Alma Easley, Miss Jetta Zeigler, Miss Stella Watson, Miss Alice Osborn, Miss Maxine Freeman, Mrs. Merceles Flowers, Miss Claudia Cassell, Miss Margaret Mitchell, Miss Nina Womack, Miss Velma Crawford, Miss Josephine Mayfield, Miss Marjorie Herbert, Mrs. Sam Allen, Mrs. Nell Grigsby and Mrs. J. B. Pollard.

Members of the Junior Girl Reserves of the Ouachita parish high school were also charming hostesses during the past week when they entertained the Hi Y boys with a radio mystery party at the Y. W. C. A.

Miss Roy Cole, sponsor of the Girl Reserves, Mr. Joe Craig, sponsor for the Hi Y boys and Mrs. J. B. Pollard, Y. W. C. A. secretary were in charge of the unique and interesting program.

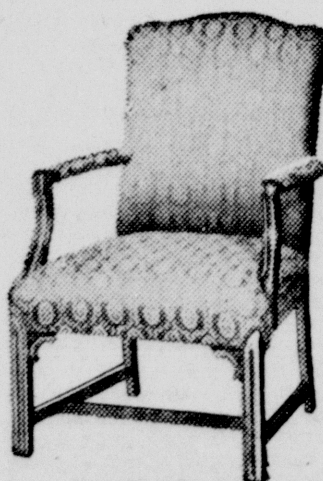

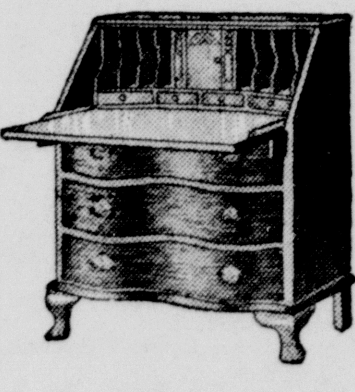

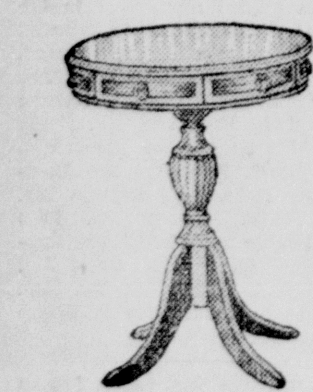

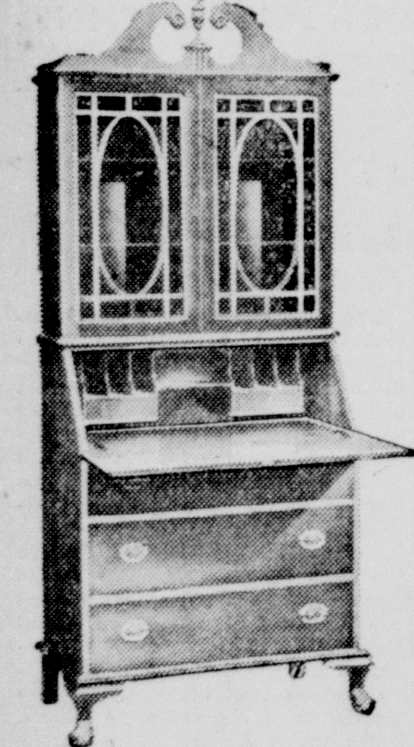

Enjoying the festivity of this delightful affair were Marguerite McHenry, Dorothy Bennett, Mack Fay Hammons, Mary Louise Fudickar, Dolores Grant, Reba Harkins, Snow Drew, Doris Dietrich, Eva Dale Coon, Lanier Cardell, Margaret Hill, Dorothy Grayson, Tiny Harris, Hazel Harrington, Lucille Banks, Barbara Butler, Frances Thompson, Roy Colter, Harold Coverdale, Ted Mahr, Harvey Rester, Clyde Culver, Sonny Johnson, Sam Walker, Philip Embanato, Simon Hodge, Earle Mulhearn, Joe Young, Archie Taylor, Joe Ben Jones, Paul Oxley, Leon McMullen, John Bennett Fudickar, Bill Gates, James Bradley, Jack Poimboeuf, Bill Gattis, Jack Huckleby and Joe McCormick.

Doris Reid, ere departure for Mayland, Tenn., where she will spend the summer at Camp Nakanawa, gathered members of the H. H. H. club together informally at the home of her parents, Mr. and Mrs. Alfred Reid Thursday afternoon. Bridge was introduced and later delicious refreshments served to Misses Eleanor Colbert, Betty Reilly, Dorothy Graves, Jane Terzia, Margaret Farmer, Virginia Faulk, Lorraine Matthews.

Mr. and Mrs. John Breard motored to Baton Rouge Saturday where they spent the night and motored on to New Orleans to spend Sunday with their son-in-law and daughter, Dr. and Mrs. Scott Hamilton.

TALENTED YOUNG DANSEUSE

Monroe's own dancing daughter, Mary Wilba McKee, charming daughter of Mr. and Mrs. J. M. McKee, who has appeared in several important functions and stage presentations throughout this state and El Dorado, Ark., and Galveston, Tex., appears on the same program with Louie Clancy and his nationally famous orchestra on the stage of the Capitol theater at 2:30 p.m., 6:26 p.m., and 8:40 p.m. today. Miss McKee at the age of 15 years has developed a technique in presenting the difficult acrobatic dance that few professional dancers enjoy.

Social Calendar

Monday

Temple Sisterhood will entertain with a benefit bridge affair at the Y. M. H. A. 8 p. m. For reservations ring Mrs. Emile Kaliski. Meeting of Louise McGuire chapter O. E. S. 8 p. m.

Annual art exhibit of the Fine Arts club at the Business and Professional Women's club house. Musical program. The public in invited. 8 p. m. Miss Mamie Ola Heard will present her music pupils in recital at the Croley school, 8 p. m. The public is invited.

Mr. and Mrs. Lovell Hayden will entertain with a "Scavenger hunt," complimentary to Miss Aimee deGraffenreid and Mr. Allen Kimball.

Tuesday

Miss Florence Zeigler will present her piano pupils in recital at the Georgia Tucker auditorium at 8 p.m. The public is invited.

The regular monthly program meeting of the W. M. U. of the First Baptist church of Monroe will be held at the church, 3:30 p. m. Meeting of Grace church guild with Mrs. J. F. Hardin, 502 Auburn, 3 p. m. Business meeting of Immanuel Baptist church, W. M. U., at the tabernacle, 2:30 p. m.

Mrs. J. C. Theus, Jr., and Mrs. Wesley Shatto will entertain with a coffee hour in honor of Miss Aimee deGraffenreid.

Mrs. H. A. Miller and Miss Mary Powers, hostesses at spaghetti supper in honor of Miss Aimee deGraffenreid and Mr. Allen Kimball.

Thursday

Mrs. O. C. Dawkins, Sr., and Mrs. Joseph Dawkins will entertain at luncheon in honor of Miss Aimee deGraffenreid.

Mrs. John Landry Morrison will entertain at dinner on the roof of the Virginia hotel in honor of Miss Aimee deGraffenreid and Mr. Allen Kimball.

Friday—June 8

Wedding of Miss Aimee deGraffenreid and Mr. Allen

Society Social Events Close Year At Junior College

The year's activities at the Junior college were brought to a most delightful conclusion Friday when members of the junior and senior classes and members of the faculty gathered around the flower banked banquet table in the gymnasium.

Mr. Henry Florsheim, in the role of toastmaster, was everything to be desired. With a remarkable fund of wit at his command he introduced the various speakers of the evening. Nelson Bland, president of the junior class gave a toast to the seniors and Thomas Zeigler, president of the senior class in turn toasted the juniors. Achah Belt toasted the faculty with a clever response from Mr. W. D. Hammond. Miss Dorothy Calvert proposed a toast to the college followed by a brief talk by Paul Kemmerer.

The highlight of the evening was President Calvert's eloquent farewell address to the senior class and a short talk by Mrs. Calvert.

Miss Anne Marshall, sponsor of the junior class, arranged this delightful affair.

Following the serving of dinner dancing was introduced and enjoyed by the entire assemblage.

Professor and Mrs. Charles E. Kenny and daughter, Miss Elizabeth Kenny, are planning a wonderful vacation, motoring through the New England states, including a visit in New York City and Washington. They plan to leave this week for Nashville, Tenn., where Professor Kenny will enter Peabody college for a few weeks' study. They will not return to Monroe until school opens in September.

Among the guests arriving in the city for the wedding of Miss Almee deGraffenreid and Mr. Allen Kimball on the eighth of June are Mrs. John Landry Morrison and son, John Landry Morrison, Jr., of Franklin, La. Mrs. Morrison will be remembered as Polly deGraffenreid.

Miss Paula Kimball and Mr. Daniel Kimball will arrive Monday from Springfield, La.

Mr. and Mrs. J. L. Collins and Jack Ballard of Shreveport were the guests the first part of the week of Mr. and Mrs. Sam Wimbish on North Fifth street.

Miss Dean McKoin will arrive this morning from Agnes Scott college, Georgia, to spend the summer with her parents, Dr. and Mrs. M. B. McKoin. She will be accompanied by two attractive classmates, Miss Elizabeth Forman of Birmingham and Miss Mary Beasley of Columbia, Tenn.

Burton Wolf arrived home Friday from the university of Louisiana to spend the summer with his mother, Mrs. Cordelia Wolf.

WATCH YOUR SLEEVES

Sleeves sound the midseason note in this navy blue and white costume by Lanvin. The three-quarter length coat is designed with sleeves having fullness at the upper arm. The two-piece frock of blue and white-checked silk is laced up the front and tied with a big navy taffeta bow under the chin. The hat is navy and white.

The ROMANTIC RUNAWAY by KATHARINE HAVILAND-TAYLOR

CHAPTER XLIII

Billings, the detective, sat at his desk reading for a second time the cablegram that had just been delivered. For weeks and months he had been trying to untangle the puzzle behind the theft of the Jeffries' pearls. And at every turn he had been halted. The cable from Havana, sent by a swarthy Cuban co-worker, read, "Clasp Sold by Girl Called Lou Following Trail."

Billings studied these words, frowning. He had hoped Beau himself might turn in that clasp. Half an hour later a second cable arrived. Billings read, "Lou is Beau's wife."

Of course, Billings realized, Beau's story would be one of deceived innocence. He would insist that, in selling pearls occasionally, he was merely acting for a friend. Beau's past record would not help him, but neither would it convict him of the Jeffries robbery and murder.

Billings sighed deeply as he itemized the scant bits of information gathered with so much persevering effort.

The old man whom Pablo had knocked unconscious had testified that there had been another man besides Pablo on the scene, Norris Noyes, whom Billings had sought out

to question the day after his arrival in New York, had said anxiously that he had heard a man and girl talking in the swamp, planning some manner of thievery. Then Noyes had risen, trembling, and talking rather incoherently of Cuba where Billings had said he would find Pablo.

"Only one soul in all the world speaks my tongue," Noyes had said. "Pablo is the only one who understands me." Tears flooded the man's eyes. "I have been so lonely," he confessed. "So very lonely! I must find Pablo!"

There was the murmuring of the pair whom Noyes had heard plotting in the swamp and there was the testimony of the old man who said Pablo had not been alone. These were the only bits of evidence Billings had to substantiate his theories of the crime. And they were far from convincing proof.

A few years before Sir Aubrey had instructed Billings to tell Pablo the truth and ask the youth to go into hiding at Lower Girtlings. Billings had arrived at the gymnasium only to learn that Pablo had departed for parts unknown. All Havana was aware that the boxer's romance with Jim Field's daughter was at an end. Gossips voiced numerous explanations of the affair but none of these explanations came anywhere near the truth.

"Oh damn!" Billings said loudly, surveying the total of his work. The dictation of his next letter to Sir Aubrey was a slow and painful ordeal.

On the day after Pablo had asked Lottie to become his bride he bought a sizable plot of land. That done, he sought an architect and told him the sort of house he wanted. As they discussed it a breeze from the sea swept over the Malecon, fluttering the papers on the architect's table. "I want a billiard room," Pablo said, "and a flat roof where I can have a garden under the stars." "All quite simple, yes." "And a big patio, of course." "Of a certainty!" "And—" Pablo hesitated a moment, then continued, "spacious quarters for my wife." The architect sniffed a romance. "Ah—" he murmured. "Ah yes, of course!" Then he smiled dazlingly at Pablo whom he considered a very somber young man for one who was so soon to become a bridegroom. "We will make of this house a paradise," the architect promised.

"And we will hope that in this paradise there will be no snake!" Later Pablo, driving a shining new roadster, turned toward the Belen church. He parked the car and after he had wandered through the colonnade and past the small inner court that was beautiful with flowers and trees he stood for some time in a doorway—the sunlight back of him and the dim, lovely old church before him.

He saw women kneeling before various side altars and craved the temperament that finds peace through the chanting of prayers. Lottie had said she wanted to be married in this church, so here they would be married—he and Lottie.

The day was not overly warm for one accustomed to Cuba but he found a little dew of perspiration on his forehead and that his upper lip and palms were damp. He was uncomfortably aware that memories of Estelle were tormenting him more than usual. He could not seem to keep the vision of her away.

"Would you like to see the church, Senor?" a black-robed boy asked in rather stilted English.

"No, gracias, Soy Cubano." (No, thank you. I am Cuban.)

"Ah, Senor. No one would dream that until you speak. But I see you come to pray."

It was not so simple as that. Pablo thought as the boy disappeared. One could always come but one could not always pray.

Five days later Marcia Treadway, Estelle and Jim Field were among those who walked down a narrow gang plank to step on Cuban soil.

Carlito had found work at the plantation of a wealthy American on the Isle of Pines. Every six or eight weeks he boarded one of the few boats that stopped there for the static pleasure of journeying to Havana to spend a few hours with his son.

The wealthy American, knowing Carlito's story, was kind about granting the time for these holidays and Carlito knew something of content as, with the child, he strolled the twisting streets of the section known as Jesus del Monte. Yet his dream of avenging the wrong done him by Jim Field had not dwindled; instead it had grown.

Frequently during visits to Havana he journeyed into the country to stand by the great gates which gave entrance to the palm-lined roadway leading to Field's home. Standing there, he would remember his young wife's agonies in the dust of the public way; the little, torture-twisted smile she had given him as she whispered so faintly, "Ah, Carlito mio, but I have been happy with you!"

They had had very little time together and a very great love. It sometimes so happens. Perhaps God knows why.

Estelle Field found the ghost of her former self in the Cuban house that was her father's. She stepped out upon the balcony beyond the windows of her sleeping room and saw below the garden. Beyond was the utter blue of the water, white-capped today and glittering in the sunlight.

Pablo was free now and she was free, yet fear held her. She wondered timorously whether she dared look back upon the last few years as a waking nightmare. Nevertheless Pablo was free and she was free. If he still cared—but he must care! She could not feel as she did, she reasoned, unless he cared. She would send him a note—again! The thought brought to mind Carlito. Poor Carlito. For a moment she felt a chill in the breeze though it came from the south.

Meanwhile Marcia, who had acquired some clothes she said "would do" until she could reach Paris, had sought out the last rickety of the taxicabs at the edge of La Parque Central. She stepped into the car and gave the address of Pablo's gymnasium.

"You know where that is?" she demanded in bad Spanish.

Ah, yes, the chauffeur knew. He nodded but seemed to hesitate. Marcia said in English, "Oh, I know ladies don't go there but I'm not a lady. I'm merely a crook turned honest. Drive on, you fool!"

Understanding her tone, the driver started his machine. (To Be Continued)

Mrs. James Champion, 66, built a comfortable home for herself on her farm near Holdenville, Okla., using logs she cut and hewed with her own hands.

Young Music Students In Piano Recital

A company of talented children, Monroe's future musicians, will be presented in piano recital by their teacher, Mrs. Malcolm Tabb, at the Georgia Tucker school auditorium, Monday night at eight o'clock. A cordial invitation is extended parents and friends to be present. A charming program will be presented as follows:

Turkey in the Straw—American dance tune; Jean Tabb and Jimmie Kelly.

(a) Floating Along—Williams; (b) I See You!—Williams; Betty Meadows. (a) Rose in my Garden—Williams; (b) Summer Days—Williams; Dorothy Steen.

Drifting—Williams; Lloyd Zehner. (a) Criss-Cross—Williams; (b) In A Garden—Elizabeth Hopson; Virginia Dee Newman.

Market Day in Kerry County—Bernice Rose; Nadia Meadows. Dainty Daisies—Clarence Kehlmann; Jimmie Kelly.

(a) Visions—Chopin; (b) Dancing Shadows—Caroline Cassell; Jean Tabb.

The Merry Farmer—Schumann; Nadia Meadows.

Mosquito—Rudolph Ganz; Sara Tabb.

Dance on the Green—Bohm; Melba Stevenson.

Time Flies—W. P. Mere; Gay Noe.

Dancing Wavelets—Couperin; Marilyn Marshall.

Columbine—L. L. Delahayne; Sara Tabb.

Miss Helen Hackenjos of Beaumont, Texas, is enjoying a visit in the home of her sister, Mrs. Joseph P. Brown.

Miss Margaret Baugh, member of the Neville high school faculty, will spend her summer vacation with relatives in Nashville, Tenn.

Miss Mary Winham of Texarkana, Ark., is the house guest of Mrs. Charles E. Johnson.

Friends will regret to learn that Mrs. Wayne Blanks of Columbia is a patient in St. Francis sanitarium.

Misses Clara Hall and Sara Bess are enjoying a visit in New Orleans as the guest of Professor and Mrs. Gregory.

Miss Harriett Boyle, member of the Neville high school faculty, will spend her summer vacation with her parents in Centralia, Mo.

Miss Nina Womack and Mrs. M. Flowers are the week-end guests of their parents in Good Pine this week.

Mr. and Mrs. Sam Wimbish and sons, S. C. and Jack, motored over to Shreveport Saturday where they were the week-end guest of Mrs. Wimbish's parents.

Mrs. I. C. Castles left today for Baton Rouge to be present at the graduation of her son, Ira Castles, from the Louisiana State university.

Mrs. F. S. Craig and three children of Mansfield, La., are enjoying a visit in the home of Mrs. Craig's sister, Mrs. R. E. Allen.

Mr. and Mrs. Willis Anders motored down to Baton Rouge today to be

present at the graduation of their son, Jack Anders, from the Louisiana State university on the fourth of June.

Miss Dorothy Oglesby of Winnfield, La., is the week-end guest of her uncle and aunt, Mr. and Mrs. O. M. Grisham.

Misses Dorothy Calvert and Clara Virginia Terzia left yesterday for Baton Rouge where they will enjoy the festivities in connection with commencement at L. S. U. as the guests of Miss Lillie Thompson.

Mr. and Mrs. E. L. Ritter have as their guests today, Mr. and Mrs. Alvin Marioneaux, Jr., and little son, Lester Louis of Winnsboro. Other guests are Mr. and Mrs. K. R. Gill of Gladewater, Texas.

Mrs. C. D. Phillips and children of El Dorado are guests in the home of Mr. and Mrs. B. R. Parker on South Grand street. They were present at the graduation of Miss Elizabeth

Parker from the Ouachita parish high school.

Mrs. A. S. Hintze of Tayolito, Durango, Mexico, has been visiting in the home of her sister, Miss Jean Herbert.

Mr. and Mrs. Gayle Monroe and Mr. and Mrs. Joseph Dillard and

daughter Gayle Louise left this morning for a motor trip to Chicago where they will visit the Century of Progress Exposition and en route home will spend several days in Iowa.

Experiments have proved ordinary calcium arsenate, used for years in killing boll weevils in cotton, is just as effective in eradicating potato bugs.

SPORTS of the World ARDINALS AND PIRATES BREAK EVEN IN TWIN BILL

DEAN RETURNS TO DUTY AND EASILY WINS FIRST GAME Cards Hammer Out 13-4 Victory In Opener But Drop Second 6-3

PITTSBURGH, June 2.—(P)—The Pirates and Cardinals winning today's double header, St. Louis winning the second, 6 to 3, and Pittsburgh the first, 13 to 4.

Rip Collins was the batting hero of the first game and Walley Rottger of the second.

In the first game, Dizzy Dean, who staged a "one-day strike" by refusing to don a Cardinal uniform yesterday, glided to an easy victory, aided by heavy hitting of Rip Collins.

Card first sacker, Rip Collins, who socked out the two home runs, his eighth and ninth of the season, and a triple, to drive in a total of seven runs.

SPORTS Chatter BY GEO. V. LOFTON

THE NATIONAL OPEN When the country's golfing sharpshooters gather at Merion this week to blast away in quest of the National Open prize, there should be plenty of fireworks.

There will be plenty of big shots on the premises but two shotmakers in particular will draw the spotlight as they tee off.

Whether Little can shake his sea legs in time to regain his peak at Merion remains to be seen. The Californian gave a marvelous exhibition of golf in his final round at St. An.

THE ALL-AMERICAN Speaking of golf, we now have the all-American, W. D. Richardson, editor of "Richardson's Annual Golf Review," a credited golf publication, has selected five stars in three divisions as the greatest golfers of 1933.

Professionals—Gene Sarazen of New York, Craig Wood of New Jersey, Joe Kirkwood of New York, Denny Shute of Philadelphia and Paul Runyan of New York.

WRESTLING LAGS There will be no show at Roosevelt stadium Monday night, probably because last Monday's program was so disappointing.

SHIELDS AND WOOD WIN Final Singles Matches With Mexicans BALTIMORE, June 2.—(P)—Frank X. Shields and Sidney B. Wood, a pair of tennis aces from New York,

SHIELDS TOOK THE INEXPERIENCED Angel Roldan into camp in easy fashion in the opening contest by 6-2, 6-1, 6-2 scores, but Wood was extended in the final fray.

CHATHAM CLUB SEEKS To Schedule Games A fast ball club has been organized by the boys of the Civilian Conservation camp at Chatham and the club wishes to schedule games with teams in this section.

YANKS RALLY TO NOSE OUT A'S

Three Runs In Ninth Inning Provide Margin For 9-8 Victory

PHILADELPHIA, June 2.—(P)—The Yankees evened the series with the Athletics at a game apiece and went into a virtual tie with Cleveland for the American league lead as they pulled out a 9 to 8 victory in the tenth inning today.

After each had scored four runs in the first inning, the A's getting theirs off Johnny Bronck, the bespectacled Yale hurler who reported today, the Yanks put over three tallies in the ninth. That gave them a one-run lead after Bob Johnson had wallowed his eleventh homer of the season but they couldn't hold it.

THAT BROTHER BATTERY

Here it is—baseball's only brother battery. Rick Ferrell, left, catcher, and Wes Ferrell, pitcher. When he failed to come to terms with the Cleveland Indians, was traded to the Boston Red Sox. This is the first picture taken of the two Ferrells as members of the Hub team.

Louisiana State's Tigers Powerful On Track, And Don't Care Who Knows It!

Bernie Moore Pulls No Punches In Listing Their Achievements

By W. A. WELLS (Associated Press Staff Writer) LOS ANGELES, June 2.—(P)—The Louisiana State university Tigers of track and field haven't changed their stripes, but—

Where a year ago they stealthily crept up to Chicago to pounce on their unsuspecting victims and win their first N. C. A. A. championship, this year the Baton Rouge Bengals are roaring loud defiance to all challengers.

Complimenting with the new requirement of certifying performances of his entries to meet a fixed standard of marks for entrance in the meet here June 22-23, Coach Bernie Moore has forwarded a package of names and records that should make his team practically a paper favorite, in contrast to its unheralded advent to the 1933 meeting.

Moore pulled no punches in his form chart, listing the absolute "tops" for all his nine nominees. The prowess of his two transcendent stars—Jack Torrence and Glen "Slats" Hardin—is well known, but he jotted down the former's 55-6 mark in the shot put and Hardin's 35.8 for the 440 and world-record 22.9 for the low hurdles, just to keep the record straight! Torrence also is a near 150-footer with the discus.

As for the others, Moore confides that if his two-miler, John Sanders, is pushed he can run the event in 9:17 or better—on top of a 4:20 mile, and that George Fisher is good for a 14.6 performance over the high hurdles and 24 seconds flat over the low sticks.

John Lehman doesn't consider 154.6 too fast for the 880; Ralph Newell is consistent around 24 feet in the broad jump, and Nathan Blair tosses the javelin around 200 feet. A Moore footnote says that if his nine nominees aren't enough he has "a dozen other runners and jumpers just about as good."

AUBURN TRACKMEN NOSE OUT GEORGIA

Plainsmen Capture Southeastern A. A. U. Title By 3 Points

ATLANTA, June 2.—(P)—There are so many "Auburn's" written on the Southeastern Amateur Athletic union team track championship sheet that it might appear that some ambitious young fellow was just practicing penmanship.

And another found its place on the honor roll today. For the fifth consecutive year and the ninth time in ten years Auburn—Alabama Polytechnic Institute—today won the annual A. A. U. carnival.

Although only three college varsity teams were entered Auburn had one of its closest calls in the history of the meet. Unattached athletes and freshman stars slipped through to collect points Auburn had expected to take and it was only by winning the last event, the 200-meter hurdles, that Auburn pushed ahead of the Bulldogs from Georgia.

Seven new records were established, with Dupree, Auburn's crack sprinter accounting for two of them. Dupree, the Southeastern conference 100 and 220-yard champion, hung up new times for the 100 and 200-meter dashes. He was clocked in 10.6 seconds for the shorter sprint and in 21.6 for the other.

In closing out his year—except for the National Collegiate meet at Los Angeles later this month—Dupree wound up with a full list of victories in the 100-yard and 100-meter races and was beaten only once in the 220-yard dash.

The previous record for the 100 meters was 11 seconds made by Bob Winfrey of Tennessee in 1928, while the 200-meter mark of 22.5 was made by Joe Hoskins of the Birmingham A. C. in 1931.

Today was the first time the 200-meter hurdle has been run in this meet and the winning time of 24 seconds by Lloyd Richey of Auburn went down as a new record.

Ranking of the Georgia freshmen ran the 800 meters in 1:59.9 to beat the old mark of 2:04.3 made by Young of Georgia in 1928, and Forrest Townes of Augusta, Ga., also a Georgia freshman, set a new time of 15.1 seconds for the 110-meter high hurdles, erasing the 15.4 time made by Percy Beard of Auburn in 1928.

Graham Batchelor of Georgia threw the javelin 206 feet to surpass the old record of 200 feet made by Robinson of Auburn in 1931. Primo Coleman of Birmingham, former Auburn star but unattached in this meet, broke his own record by throwing the shot 49 feet 9 inches. Last year he threw it 49 feet 1 3/4 inches.

Batchelor and Richey were tied for high point honors with 12 each, while Coleman and Dupree followed with ten each. The expected duel between Dupree and Gordon Lynn of Clemson failed to materialize when officials ruled Lynn was ineligible to compete in this district. Lynn is the Southern conference 220-yard champion. Georgia Tech had 27 points.

REDS STOP CUBS

CINCINNATI, June 2.—(P)—Cincinnati's Reds broke up two strings today by defeating the Chicago Cubs 3 to 2.

They ended their own four-game losing streak, and in so doing, blocked the Cubs from their fifth straight win.

Young Ted Kleinhaus, making his first start as a Red pitcher, granted the Cubs barely a hit an inning until the seventh, when Brennan went to his rescue as three singles scored a run and left two on base with only one man out.

104 CITY PUPILS
GET CERTIFICATES

Grammar School Students
To Take Up Higher
Work Next Year

One hundred and four pupils of the seventh grade in the Monroe city school system received certificates of graduation at the close of school during the week just ended. These certificates entitle them to take up regular high school work at the next term.

The largest group among this number was the seventh grade class at Neville high school and other groups were from Central grammar school and Lyda Benton school. In the three other schools of the city system, graduation exercises were held for students finishing the sixth grade, as in the more crowded schools the pupils are sent to Neville high school building for seventh grade work. There were 50 graduates from Neville, 31 from Central and 23 from Lyda Benton school.

Due to the fact that the seventh grade students at Neville high school will not enter a new school next year, no formal graduation exercises were held, but certificates were issued to those finishing the work. Regular exercises were held for the classes finishing the seventh grade in the other two schools.

Those who received certificates of graduation from the seventh grade at Neville were James Banfield, Anthony Danna, Leander DeMasterson, Victor Heuman, John Myers, John Osborne, Robert Tribble, Charles Reagan, Harold Ray, Roy Russell, Eugene Slaughter, Floyd Stone, Earl Vigg, Louis Johnson, Eleanor Brown, Bernice Bryan, Sarah Frances Hinkle, Doll Hudson, Lottie Mae Inzina, Nizera Luffey, Jane Moore, Carolyn Oliver, Bettie Lou Seamon, Patsy Slack, Sara Tabb, Barbara Woolman, Hurlan Beaumann, Jack Brown, Albert Bubb, Clark Duncan, Richard Green, Lawrence Griffin, Guy Miller, Louis Milner, Horace Reno, John Salisbury, Donald Stewart, Davidson Texada, William Wene, Trist McConnell, Geraldine Earl, Emma Jane Feinstein, Joyce Gottlieb, Anita Harrell, Dorothy Lee Hodges, Gloria Frances Major, Violet Martin, Katherine Mickel, Phyllis Snider and Jimmie Miller.

Exercises for graduates at Central grammar school were held at 9 o'clock Friday morning in the school auditorium. The valedictory address was delivered by Marlow Harper, first

honor student, and the salutatory address by Raleigh Poulas, third honor student, on account of the absence of Deu Vaughn Dunlap, second honor student, because of illness. Certificates were presented by Miss Katie Key, principal.

Those receiving certificates were John Bass, Nellie Brooks, Deu Vaughn Dunlap, Eloise Cunningham, Aubrey Fincher, Billy Gates, Robert Gates, Sarah Granger, Helen Hays, Marlow Harper, Robert Head, Etoy Hines, Scott Hood, D. C. McEmore, Lawrence McMurphy, Paul Nash, Evelyn Hudson, Rose Parise, Alberts Richardson, Ethel Reid, Russell Street, Francis Stephens, Maxine Simpson, Austin Tillman, William Thompson, Edward Thatcher, Bobbie Wene, Chloe Weir, C. E. Wiggins, Raleigh Poulas and Mary Lee George.

Exercises at Lyda Benton school were held Wednesday night at 8 o'clock. The principal address was given by Mayor Arnold Bernstein and certificates were presented by E. L. Neville, superintendent of city schools. Marie Smith was valedictorian and Lawrence Coleman salutatorian. A picture, "The Torn Hat," was presented to the school by the class, the presentation being made by Dorothy Riddle, third honor student.

Graduates from this school were Marguerite Bass, Evelyn Bullock, Earl Cartwright, Lawrence Coleman, Marie Comrat, Daniel Cooper, Pete Emmanata, Dolores Finkbeiner, George Fisher, Bettie Griffin, Florida Kelly, Dorothy King, Lillian Love, Castalou McMullen, Mildred Moore, Frank Mulhearn, Dorothy Riddle, W. S. Sheppard, Juanita Slocum, Marie Slocum, Marie Smith, James Stewart, Jean Stough and Buford Eatmon.

Model Aircraft Group
Will Conduct Contest

The recently-organized Model Aircraft association of Monroe will hold a model airplane contest June 24 at the municipal auditorium. The event will be staged in the afternoon, beginning at 2 o'clock.

Classifications of the models to be entered are as follows:
Stick models—Class A, 30 square inches, main supporting surfaces; class B, 30 to 100 square inches, wing or main supporting surfaces.
Fuselage models (commercials)—Class A, not exceeding 30 square inches; class B, 30 to 100 square inches.
Flying scale models—Class A, not exceeding 30 square inches; class B, 30 to 100 square inches.

The races will be staged in three divisions for each type named as follows: one, rise off ground; two, rise off water; and three, hand-launched. The builder may use his initiative in the design or type selected.

NEW CHEVROLETS
ARE SHOWN HERE

Improved Standard Sixes
Displayed At Lee-
Rogers Showrooms

The Lee-Rogers Chevrolet company yesterday placed on display "the world's lowest-priced six-cylinder car" with the introduction of the new improved 1934 Standard Six models, supplementing the Master Chevrolet models previously presented.

Two closed and two open car models comprise the new improved Standard line. They are the sport roadster, \$465; phaeton, \$495; coupe, \$485; and two-door sedan, \$495. The new cars, says the Chevrolet Motor Company's announcement, thus list under any other six on the market, and \$85 to \$95 under corresponding models of the Master Chevrolets.

The new cars are replete with major improvements designed to achieve better performance, riding qualities, comfort, and appearance. Both chassis and body have been completely redesigned in keeping with the latest advance in engineering and styling. Roadability, and especially stability, have been enhanced through the adoption of a wider chassis frame and more widely spaced leaf springs front and rear, in conjunction with a longer front axle and increased tread of the front wheels. These chassis improvements have permitted the use of big, roomy bodies having maximum width and ample leg room.

In the power plant, smoothness, economy and flexibility have been improved through a thorough revision of the inlet and exhaust systems, with higher compression and a refined valve and tappet mechanism, including a redesigned camshaft.

The new models share with the Master series such appearance features as sleek, flowing lines, deep fenders hugging the tires, long hood with horizontal louvers, and steeply inclined radiator grills. Numerous interior refinements similarly enhance the style and finish of the passenger compartments.

The exterior has been generally redesigned to add to style and utility. Deep front fenders, extending far over the tires, conceal unsightly chassis parts, with only a shallow "valley" remaining between fenders and hood. Front fenders are formed to extend to the center of the car under the radiator, eliminating the separate radiator splash guard. Fender skirts have been given sharp, graceful contours, making them appear to fit closely to the tires. Edges of the fenders have been turned in flanges, for extra stiffness.

The re-styled front-end ensemble includes new designs for the hood and radiator grille. The hood is unusually long, and has three horizontal louvers. Front fenders, radiator and head lamps are supported as a unit on a stabilized mounting of improved design, insulated from the frame by a single centrally located rubber cushion. Running boards blend smoothly into the fenders, and are finished with a longer rubber mat, extending farther toward the rear.

A most pleasing appearance has been gained in the instrument panel. It is wide at the center, the lower edge sweeping upward toward the ends in a graceful curve. The instrument group is enclosed in an amped-elliptical head, flanked by depressed panels. The steering wheel is 17 inches in diameter.

Closed car models are equipped with improved Fisher no-draft ventilation, and with a reversed cowl ventilator, opening toward the rear, similar to the arrangement of the Master models.

Among the special structural features of the newly styled closed bodies are increased strength resulting from a new design of cowl braces and the bolted roof rail structure; and numerous improvements in the doors, which are equipped with an adjustable diagonal brace, shorter and sturdier hinges, improved dovetail and striker plates, and new half-round lock bolts. Other improvements have been effected in the windshield sealing, the door locks, and the streamlined outside door handles. The closed cars are wired for radio.

'IT'S AN ILL WIND'

Boy Helps School Show By Fall
Through Glass

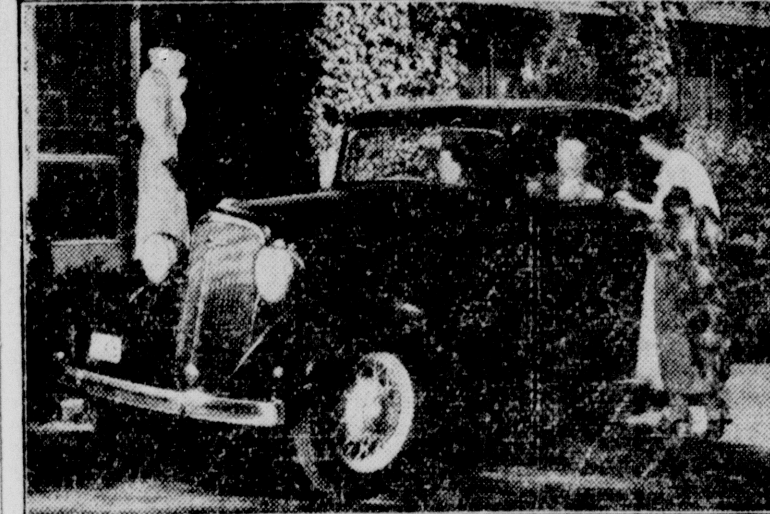

TULLAHOMA, Tenn., June 2.—(P)—It was pretty tough on Bobby Morris, but his unfortunate accident proved a boon to the local school carnival.

Hurrying to the benefit show of his classmates, he crashed head-first through a pane of glass. A physician patched up his cuts with stitches and tape and the youngster went his way.

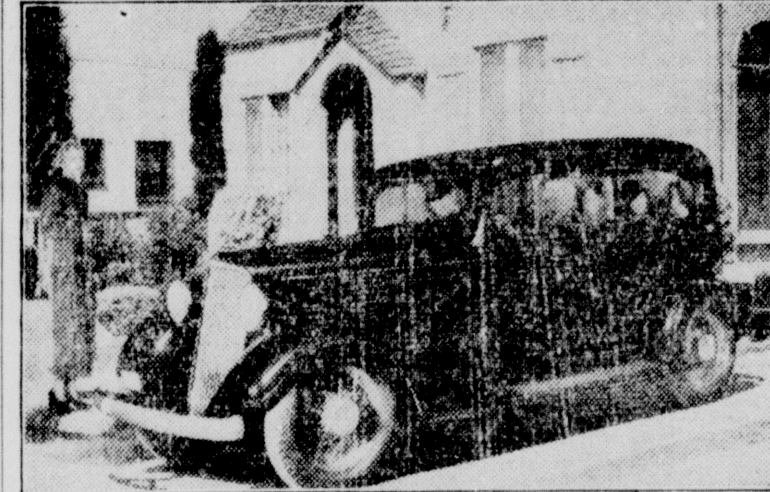

Arriving at the school, he was spied by Harriet McArthur, who must be a born showwoman in spite of the fact she is just a grammar school student now.

She hustled the bandaged boy to a sidewalk tent and throughout the evening patrons paid to see him sit under a banner that read "the man with the jigsaw physiognomy."

HERE ARE THE NEW CHEVROLETS

1934 Chevrolet New Improved Standard Six Coupe

1934 Chevrolet New Improved Standard Six Coach

Above are two models of the new Standard Chevrolet six. The new Chevrolet was placed on display for the first time yesterday at the showrooms of the Lee-Rogers Chevrolet company. These attractive models are offered at substantially reduced prices and their mechanical advantages make them an outstanding value. Shown above are the improved standard coupe and coach.

PLYMOUTH STAGES
THRILLING TESTS

Unique Display Arranged
For Century Of Progress
Visitors

The first graphic public demonstration of the advantages of individual springing, and the sturdiness of this new type of construction, will be given visitors at a Century of Progress this year.

While much has been printed about individual springing few motorists have had an opportunity to witness the rigid factory tests which answer the question: "How will this type of springing stand up under the worst possible road conditions?"

The Plymouth Motor corporation is answering this question, and all others regarding individual springing, in the sand pit tests which will be conducted at the Chrysler Motors exhibit at the Chicago Fair this year, according to N. S. Hadley, chief engineer of the Plymouth Motor corporation.

"Everyone who has ridden in one of our new cars with individual springing is agreed that the riding is vastly superior," Hadley said today. "But naturally, lots of people have asked the question—How does it stand up?"

"Before Plymouth put this type of construction in production, innumerable tests were given the coil springs themselves. A machine was developed which put the springs through 1,800,000 'ups and downs,' under heavy pressure, in order to test the strength of the steel. We found that it was impossible to actually break the steel, even in this most severe test."

"Then, after the springs were placed on the car, we sent out our engineers in the cars over all sorts of road conditions, and through our Detroit sand pits. Many people have seen pictures of these sand pit tests and they look so unusual and exaggerated that they have even given rise to skepticism on the part of many motorists as to the authenticity of the photographs."

However, those who attend a Century of Progress this year, will see for themselves that these photographs are the real thing—that the tests themselves are breath-taking and thrilling to watch. The sand pit at the exposition is now replete with hills and valleys, and the Plymouth cars will be put through paces that in one week will represent more than two years of actual rough driving at the hands of the ordinary motorist."

ELECTRIC SUNRISE
TRICKS TURKEYS
INTO EGG-LAYING

GONZALES, Texas, June 2.—(P)—If the turkey hens at the Luling farm foundation could learn about the NRA they probably would go on strike.

They were "tricked" into working overtime and accomplished their spring laying last winter.

Turkeys should be hatched early in the spring, operators of the farm believed, but they were confronted with a reluctance on the part of the hens to lay eggs. To make the hens think longer days—and the egg-laying season—had arrived, electric lights were placed in the pens and turned on at 4 a.m.

Statistics were kept on two flocks, both given the same food and the same conditions with the exception of the early "sunrise." Fifteen days after the experiment started, the hens that left the roost at 4 a.m. began laying. The others laid only occasionally until warm weather arrived.

All the turkeys will do their stuff under the lights next winter, the farm managers said.

NEW EL CUBO IS
INTRODUCED HERE

Mild Cigar Continues To
Make Friends In This
Territory

And now the many thousands of smokers of the popular El Cubo "Cream of Quality" cigars are enjoying the new mild El Cubo which was recently placed on the market in the wide territory in which the Louisiana product has such a great demand.

Some time ago the firm of Phil D. Mayer and Son, manufacturers of the El Cubo cigar, installed a new and improved method of "double curing" the same high quality tobaccos which have been used consistently for so many years. Without saying a word about this improvement of the product to the trade, the new and milder El Cubo was put into the stores.

The immediate acceptance of the improved El Cubo was most gratifying to the manufacturers, many smokers telling their cigar dealers how much they now liked the cigar and commenting upon the pleasing mildness which made the rich Havana flavor more enjoyable.

According to the Mayer firm, some smokers are even taking the trouble to call the factory to express their appreciation, and to say that they recognized the greater mildness as soon as they smoked the first new El Cubo cigar. All of this is most gratifying to the manufacturers who feel that no trouble or expense is too great when the extra investment and time required produces a product that meets the exact taste of their customers.

The new and mild El Cubo is now in practically every cigar store in this territory and further distribution is being effected as fast as factory production permits. Retailers who have not yet stocked the new product are advised to get in touch with their jobbers immediately. Local jobbers' stocks are complete and they are most anxious to give their dealers prompt service on this local product.

Those smokers who have never tried the El Cubo, and those who have not used this cigar for some time, are invited to try the new mild El Cubo and learn why this "Cream of Quality" cigar, with its greater mildness and smoking satisfaction, has been so well and enthusiastically received by everyone who has tried it. Practically all cigar dealers have fresh El Cubo cigars in stock, as there is a wide demand for this smoke and the calls are so frequent that they never get a chance to lose their freshness before being sold.

ROYAL GRAVE IN FLORIDA
TALLAHASSEE, Fla.—(P)—Among Tallahassee's historical spots is the grave of Prince Achilla Murat, son of Napoleon's sister. He came to America to help colonize a section of Florida, but died soon after his arrival.

POLICY CHECK-UP
INSURES SAFETY

Downes Brokerage Urges
Regular Analysis Of
Insurance Coverage

The old adage of "it's too late to lock the barn door after the horse is stolen" is as true today as it was when every one owned horses. Today it may be applied to property owners, whether real or personal holders, who wait until after the inevitable arrives to check insurance coverages.

Every one who owns property, whether real or personal, cannot afford complete losses by fire, storm or tornado. Today's budgets do not call for complete losses and many persons may be forced out of business or out of a home because of such liabilities.

For this reason all property owners are urged to check their insurance coverages to see if they are adequately protected. The small amount of an insurance premium may be placed in any one's budget easier than a complete loss.

It is here that the Downes Brokerage, Inc., with offices in the Ouachita National Bank building, offers its service. A representative of this firm will call on any and all property owners and help in insurance check-ups advising of the need of each individual. This service is offered without obligation on the part of the property owner.

The Downes Brokerage, Inc., represents many high line underwriters who are established in the United States as among the leaders. After all, no insurance is worth anything if the company carrying the policy is not well enough established to pay claims and pay them promptly.

Included in the fire and casualty policies offered is the automobile insurance policy which carries many coverages such as fire, theft, liability, property damage, collision and plate glass.

Consult a representative of the Downes Brokerage, Inc., and let him help you consider your insurance needs.

HUDSON OFFERS
NEW TYPE SPRING

Independent Springing
Optional On Terraplanes
And Hudsons

Independent front springing is available as optional equipment on Terraplanes and Hudsons for 1934. This new suspension has been subjected to rigid tests over the past two years. It gives a so-called "knee action" to the front axle, permitting the wheels to rise and fall and the front springs to be independently in a vertical plane. The action is similar to that of an airplane landing gear. It has been designed as the axleless type of independent spring suspension.

To meet the ideal requirements of independent springing, gaining front end stability without sacrificing safety, control on sharp turns and preventing excessive wheel and tire wear, independent action of the front wheels and springs must be confined to action in a vertical plane. This the Hudson engineers have accomplished in the axleless method.

In the Hudson suspension the knee action is secured by an articulated front axle with a parallelogram which permits one side of the axle to rise and fall independently of the other. This method avoids the necessity of departing from the highly developed Hudson spring suspension which has been reached after many years of research. In fact, the inherent advantages of the Hudson type of splayed spring suspension joined with the modern type of road levelling hydraulic shock absorber are even further realized, the result being a softer, more cushioned ride with a complete absence of front end bounce. No side uncushioned shock is transmitted to the frame as in other systems, because the spring absorbs this type of shock with the axleless system.

The parallelogram which permits the axleless knee action consists of two rigid drop-forged links, pinned at both ends and mounted one above the other. These links have integrally forged forks at their extremities through which the pins pass—a construction which permits the vertical alignment while positively maintaining alignment. The forks are provided with roller bearings preventing friction.

The entire change is contained in the front axle itself by this method. There is no alteration in the highly developed Hudson system of steering or spring suspension and the new axleless assembly can be substituted for the old axle without alteration. The two are interchangeable.

U. S. USES CHISEL

Helen Black, Oklahoma City school teacher, found out what chiseling really means when federal officers used that method to open her safety deposit box and take out \$295 in gold. She refused to let them have her key on a search warrant for "belief in hoarding," declaring she thought they had no right to it.

SEYMOUR OFFERS
CLAIM SERVICE

Casualty Representative
To Assist Local Policy Holders

An added service to clients of the Seymour Insurance Agency was announced yesterday by Ed Seymour, head of the local agency with offices in the Bernhardt building.

The agency is maintaining a local claim service on all casualty insurance sold by the Seymour firm. The claim service is under the management of A. L. Lassiter, of the Employers' Liability Assurance corporation, Ltd.

This new service will be of inestimable value to casualty policy holders. It insures prompt consideration of all claims and gives patrons of the Seymour agency a local office with

which to discuss claims which may arise.

Casualty policy holders who suffer losses may present their claims direct to Mr. Lassiter, thus saving the usual delay. In other words, clients of the Seymour agency are assured of this personal service which will prove most valuable in settling claims.

The Seymour agency offers a varied insurance service, representing established and reputable companies. A policy with that agency safeguards you against loss, as both the agency and the companies they represent are financially sound.

The Seymour agency invites you to call at their offices in the Bernhardt building and discuss your insurance problems with them. They offer personal service which will help you keep your property protected at all times.

THE CLASSIFIED SECTION

Cotton

New Orleans
NEW ORLEANS, June 2.—(P)—The cotton market was fairly active at the day's short Saturday session.

In sympathy with better cables than due, the market here opened firmer, October and July showing gains of 5 points, and December a gain of 9 points.

The market continued to improve during the first hour of trading, owing to rather liberal overnight buying orders, considerable price fixing and a reported settlement of the threatened textile strike.

July traded up to 11.77, October to 11.96 and December to 12.09, or 11 to 13 points above yesterday's close.

The advance was helped by rather unfavorable weather in the eastern belt.

Later, the market turned easier, owing to an early decline in wheat, easier stocks and considerable profit-taking by recent buyers.

July finally eased off to 11.63, October to 11.86 and December to 11.93, or 11 to 14 points down from the earlier highs.

In the late trading the market rallied in sympathy with an improvement in wheat and stocks and covering by shorts for over the week-end.

Prices recovered 8 to 10 points from the lows.

The market closed steady at net advances for the day of 7 to 10 points.

Exports for the day totaled 8,969 bales.

Cotton futures closed steady at net advances of 7 to 10 points.

Chicago Grain

CHICAGO, June 2.—(P)—Share set-backs in grain prices early today followed an irregular start. Opening at 3-8 decline to 7-8 advance, July 1.02 3-4 to 1.03 1-4, wheat afterward underwent a quick tumble all around. Corn started unchanged to 1-8 higher, and subsequently suffered a general fall.

Wheat closed flurried, 3 cents to 4 1-8 cents below yesterday's finish, July 98-98 1-4, corn 2 5-8 to 3 1-8 down, oats 1 7-8 to 2 1-4 off, and provisions unchanged to a setback of 15 cents.

At the same time profit taking came into the recently buoyant grains at Chicago as further forecasts of rains in some of the drought areas were made. Wheat was off about 2 cents a bushel at mid-day. Rains in Saskatchewan and Alberta brought a decline in Winnipeg wheat of more than 3 cents a bushel. Cotton maintained a firm tone, but rubber and silver futures hesitant. Bonds were mixed and dull. The dollar held to a fairly steady course in foreign exchange dealings.

Shares of J. I. Case came back for a gain of around a point, but Deere, International Harvester and other farm issues were not inclined to enthrone over hopes for the breaking of the drought.

Metal stocks such as McIntyre Porcupine, U. S. Smelting, International Nickel and Cerro de Pasco were steady to firm, as were American Telephone, Electric Auto, U. S. Steel, Bethlehem Steel, Baltimore and Ohio, Public Service of New Jersey, Celanese, Pennsylvania and N. Y. Central. Allied Chemical dropped 2, and Continental Can, American Can, Corn Products, Liggett and Myers B, Western Union, Standard Oil, General Motors, Chrysler, National Steel and General Foods were about unchanged to a trifle lower.

The pattern of equities trading continued unchanged and most commentators were advising the utmost caution in the making of new commitments. It was held, generally, that there were no signs of the immediate trend being altered decisively.

Washington developments were being watched closely and it was believed that within the next few days the program of "must" legislation will be decided upon finally and, with the possibility of an adjournment within 10 days or two weeks, it was hoped that some of the doubts that have been perplexing Wall Street will have been removed.

COLLEGE TO HOLD SUMMER SESSION

Registration To Start At Ouachita Institution On June 11

Registration for the summer school to be conducted at Ouachita parish junior college will be conducted June 8 and 9 and class work will be started June 11. C. C. Colvert, president, said Saturday. The fee for the course will be \$15.

Numerous inquiries concerning the school have been received, indicating that there will be a large attendance. Mr. Colvert said. A number have appeared at the college to look over the courses offered and some have stated the subjects they expect to take, but no formal registrations have been received as yet.

The school provides for nine semes-

ter hours. School is held only five days a week and from 7:30 a. m. to 1:30 p. m.

Among the courses offered will be English, history, education, psychology, science, political science and mathematics. In the courses in history and English some third and fourth year work will be offered in order to give students an opportunity to obtain credits in senior college work.

The school here is being conducted in cooperation with Louisiana State university and residence credit is obtained both at the junior college and at the university.

SYRUP CHECKS MAILED
JENA, La., June 2.—(Special)—Alan Willis, secretary of the LaSalle parish farm bureau has been busy this week mailing out checks to syrup producers of this section who have sold a carload to the federal government. A total of \$1,500 was received from the shipment of 3,000 gallons.

INTEREST HIGH IN CAMP AT KI-RO-LI

Season At Scout Playground Expected To Be Most Successful

According to the interest being manifested by many troops of the Ouachita Valley Boy Scout council, the 1934 camping season at Camp Ki-Ro-Li bids fair to be one of the most successful in the annals of scouting in this section, Barney Oakland, chairman of the council camping committee, said Saturday.

"The buildings at the camp have been repaired, the staff of instructors has been completed, the water in the swimming pool has reached the proper temperature and everything is in shape for the arrival of the first group of youngsters June 10," Mr. Oakland said.

The camping season has been divided into three periods—the first from June 10 to 17, the second from June 17 to 24 and the final from June 24 to July. Approximately 70 scouts will be enrolled for each period.

In addition to the leadership of the scoutmasters, the troops' activities will be under the guidance of a thoroughly trained staff of leaders, Mr. Oakland said. The personnel of the staff follows:

G. W. Simpson, council executive, camp director; J. D. Bice, Ruston, assistant camp director; Burt Lomax, Ruston, camp clerk and bugler; George Jackson, Monroe, waterfront director; Rev. M. R. Gremillion, Monroe, handicraft director; Ed LaSalle, New Iberia, naturalist; Eric LeBrocq, Monroe, activities and Indian lore; and J. W. Kilbourne, marksmanship. Other experts in various lines of scout activities will be added to insure the success of the program, the camping chairman said.

An expert cook will be in charge of the camp cuisine, but every opportunity will be given for troop and patrol cooking, he said.

The following troops will compose the first contingent of campers: Troops 31 and 34, Monroe; troop 56, Tallulah; and troop 67, Sterlington.

Woodmen Will Attend Fish-Fry At Bastrop

All members of the Monroe camp of the Modern Woodmen of America have been invited to attend a fish-fry sponsored by the Bastrop camp at the American Legion home in Bastrop on the banks of Bayou Bartholomew, according to an announcement made here yesterday. The fish fry will be held Tuesday night at 8 o'clock.

Monroe Woodmen who expect to attend are requested to assemble at 7 p. m. Tuesday at the Veterans of Foreign Wars home here, where they will be furnished transportation to Bastrop. All Woodmen who have cars are asked to bring them to assist in carrying the group.

A special program is being prepared by the Bastrop Woodmen.

Dogs Will Be Killed If Not Treated For Rabies

FERRIDAY, La., June 2.—(Special)—The dog ordinance in the city will be strictly enforced, it was stated by Mayor E. W. Vogt at the recent meeting of the mayor and board of aldermen.

Mayor Vogt pointed out that this is the season of the year when all dogs should be treated for rabies and he warned all dog owners to see that their pets are treated or they will be killed.

LaSalle Parish Schools Run Without Borrowing

JENA, La., June 2.—(Special)—For the first time in several years the LaSalle parish school board has been enabled to finish a current school term without the necessity of borrowing money from the fiscal agency banks.

J. D. Russell, Jr., superintendent of education, states that the board now owes the high and rural teachers only seven days salary for the entire year. In February the ERA took over payment of the majority of rural teachers and in March it assumed salary payment for the majority of high school teachers. This fact, as well as the program of economy practiced by the school board officials, is given as the reason for the excellent financial condition of the board.

Claiborne Farmers To Ship Tomato Crop Soon

HOMER, June 2.—(Special)—Claiborne parish farmers will begin marketing and shipping their tomato and potato crop here Monday, the second year of marketing on a commercial basis.

Tomato sheds have been opened and Newton and Wallace of Jacksonville, Texas, will buy this crop from the farmers, while the American Fruit Growers association will handle the potato crop, thus assuring ready sale for both crops.

A heavier production and a better quality of tomatoes from the acreage in this section is reported by the Truck Growers' association than for the previous year, which was considered good. After the marketing of these two crops, the growers will plant sweet potatoes for shipment.

Monroe Man Not Involved In Mississippi Axe Case

In an Associated Press dispatch received here Friday from Jackson, Miss., it was stated that a man named Frank Black was at one time under a peace bond with N. Floyd, Jackson-Flora attorney, who was on trial in Jackson for the third time on a charge of assaulting his wife with an axe.

A local resident, Frank Black, of 404 Rochelle avenue, a representative of the International Correspondence school of Scranton, Pa., who has been living here for the past three years, said here yesterday that he did not wish to be confused with the Mississippi man. Before coming here, Black was a resident of Arkansas, he said.

HARPER OUTLINES POLICE PROPOSAL

Congressional Candidate Gives Plan To Solve Crime Problem

A plan for the solution of the crime problem is included in an eleven-point platform announced by Municipal Judge W. M. Harper in his campaign for representative of the fifth congressional district of Louisiana. The platform was given out Saturday in a half-page advertisement in the Morning World.

In his problem to curb the crime element Judge Harper advocated "a U. S. aerial police system," which would employ the army as a crime prevention agency, the forces to be equipped with army transport airplanes, fast armored motor vehicles, radio intercommunication, machine guns and other light weapons of war, fare, the force to be stationed at strategic points throughout the country, "but to perform no duty until called on by state, parish or municipal authorities."

Other planks of the platform include: "Insurance for farmers against loss of principal or 'money' crops due to drought, flood, excessive rainfall, insects, the plan to be financed by setting aside a part of income taxes and inheritance tax revenues, without any cost to the farmer."

"Quicker action on loans and a lowering of interest rates to farmers for federal land bank loans; full maximum federal loans to farmers, whether property is located in overflow area or not; redemption period of three years after foreclosure on federal land bank loans on farms."

"Unemployment insurance and regulation of working hours for women. "Fair, just and reasonable measures for the benefit of ex-soldiers of all wars, especially those with service connected disabilities; immediate payment of balance due on soldier's bonus; establishment of a veterans' hospital in the fifth district."

"Pensions for aged and infirm needy persons."

"Complete assumption by federal government of all levee construction; assumption by federal government of

bonded or other debts of levee districts arising from flood control; full payment by government for all property expropriated or rendered useless by flood control program; full payment for damage to crops and other property due to overflow.

"Opposed to any additional tax on foodstuffs, or other necessities, and to any federal tax on gasoline, oils and lubricants."

"Advocating direct election of postmasters by the people."

"Federal aid to financially distressed schools and colleges; non-political acquiescence of congressional appointments to West Point and Annapolis."

"Close contact with constituency."

"Federal aid for all communities in prevention of diseases."

"Opposed to machine politics, boss rule, dominated by dictators and unclean political methods."

DEMONSTRATOR NAMED
JENA, La., June 2.—(Special)—Miss Anne Cruse, former home economics teacher in the Jena high school and a native of Enterprise, LaSalle parish, has been appointed home demonstration agent in Vernon parish.

succeeding Miss Stella Jones, who was transferred to Tangipahoa parish.

Two bandits robbed a motorist and his daughter of lace curtains valued at \$225 on a Kansas City street.

NO "GUESSWORK"—EVERY STEWART WARNER

New-Type HOME REFRIGERATOR

Is Tested in a HOT ROOM at 110 DEGREES

Why This Amazing Refrigerator Gives You Complete Assurance of Even Cold—On the Hottest of Summer Days

Check These 7 Features Carefully Before Buying ANY Refrigerator—

- 1 "Feather-Touch" Automatic Door Opener—Even with both hands full, door swings open like magic if you give the panel beside the door a "feather-touch" with your finger tip or edge of a dish.
- 2 New-Type Even Temperature Control—Automatic control maintains even cold at selected temperature. Prevents loss of flavors and spoilage of food.
- 3 "Forget-Proof" Fast-Freezing—For ice cubes or frozen desserts in a hurry—simply twist the knob and forget it! Temperature returns to normal—automatically.
- 4 "Forget-Proof" Defrosting—Set knob to defrost and forget it! When completed, cold comes on automatically.
- 5 Roller-Bearing Tray Shelves—Fully adjustable—Slip part way out to permit rearranging food—or roll out completely to use as food trays. Quickly adjustable any distance up and down.
- 6 New-Type "Super-Seminary" Interior—Entire all-porcelain interior. No hooks, no brackets, or other metal projections. Rounded corners. No crevices. Even the freezing unit is all-porcelain—for easy cleaning.
- 7 Amazing New Slow-Speed Principle—Takes less current. Runs less often. Quiet—Vibrationless—Built to last a lifetime. C-90

Even Cooking and Domestic Science Experts Were Amazed!

"If the automatic refrigerator is accompanied by the clatter and jangle of machinery, half the joy of possessing one seems to me to be lost. We want QUIETNESS as well as efficiency in our appliances. Your 'Quietized Mechanism' has both."

BY HAL FORREST

LARRY IS VISITING HIS BUDDY RONNIE IN THE HOSPITAL. THE YOUNG AMERICAN IS GREATLY ATTRACTED TO THE PRETTY BLONDE NURSE WHO IS ATTENDING HIS PAL.

YOU SURE ARE A LUCKY STIFF, RONNIE--I WOULDN'T MIND BEING BANGED UP MYSELF--IF I HAD SUCH A SWEET NURSE TO TAKE MY TEMPERATURE!

YOUR TEMPERATURE OUGHT TO BE ABOVE NORMAL AFTER THAT REMARK, LARRY!

MY NAME IS GALE--LARRY GALE WHAT'S YOURS--? SAY--HAVEN'T I MET YOU SOMEWHERE BEFORE--IN THE STATES?

I-I-- DON'T THINK SO-- MY NAME IS-- AUDREY-- ERR-- MISS WARD

HOW ABOUT A DATE WITH YOU IN PARIS TONIGHT MISS-- ERR-- AUDREY?

I'M SORRY, LIEUTENANT GALE-- BUT I MUST BE ON DUTY TONIGHT--

OH, I SAY, OLD CHAP, DON'T TRY TO RUN OFF WITH MY NURSE-- SHE HAS TO TAKE MY TEMPERATURE!

HOSPITAL-- WOOW!!-- WHAT A LITTLE ICEBERG SHE IS-- BUT WHAT A BEAUTY-- GOLLY, MY TECHNIQUE MUST BE ALL WRONG!

TAILSPIN TOMMY

(Copyright, 1934, by The Bell Syndicate, Inc.)

BY HAL FORREST

SHORTLY AFTER RALPH LEFT PROF. BLYTHE, JASSAURD AND WANGO BESIDE TOMMY'S DISABLED AMPHIBIAN, AND STARTED OUT INTO THE GREAT EL JUF DESERT ON A HORSE WHICH HAD SURVIVED THE BATTLE WITH THE RIFFIANS, HE ENCOUNTERED SEVERAL OF ALLA BADA HASSAN'S MEN AND--

RIFFS-- I'LL HAVE TO CHANGE MY PLANS NOW--

1

OUCH-- THEY GOT ME THAT TIME-- BUT I'LL EVEN UP THE SCORE--

2

CANT-- HOLD-- OUT-- MUCH-- LONGER-- MUST-- BE NEAR--

3

DELIRIOUS-- BABBLING INCOHERENTLY, RALPH ARRIVES AT FORT LAPPARINE--

SEND-- HELP-- AGADEZ-- FOOTHILLS-- FRIENDS-- WOUNDED-- DYING-- PERHAPS-- RIFFIANS-- I-- DIDN'T-- STAB-- DOCTOR GONZALES-- BARBARA-- WHERE-- ARE-- YOU--?

4

AND A FEW HOURS LATER IN THE AGADEZ FOOTHILLS--

IT'S TOMMY COMING-- BACK-- WITH WATER--

NO-- IT IS NOT YOUR FRIEND, M'SIEUR. IT IS-- A PLANE-- FROM FORT LAPPARINE!

5

LATER-- IN THE LEGION CAMP-- WHERE TOMMY HAS BEEN HELD A PRISONER--

M'SIEUR-- MY APOLOGIES-- I AM CHAGRINED-- BUT IT IS NOT TOO LATE PERHAPS-- WORD HAS COME FROM LAPPARINE-- YOU ARE A BRAVE PILOT-- YOU MAY FURTHER AID FRANCE AND THE LEGION-- IF YOU WILL--

TOMMY HAS AGREED TO "LEAD THE WAY" TO ALLA BADA HASSAN'S STRONGHOLD-- PROVIDING AN "AERIAL EYE" FOR THE LEGION'S GROUND FORCE--

SHALL WE DROP OUR BOMBS NOW, M'SIEUR?

NO-- FOR GOSH SAKES! MY FRIENDS ARE PRISONERS DOWN THERE-- WE'VE GOT TO JUST USE OUR MACHINE GUNS-- UNTIL THE TROOPS GET HERE--

BUT, MEANWHILE-- WHAT WILL HAPPEN TO SKEETER AND BARBARA-- WHILE WE WAIT UNTIL THE TROOPS ARRIVE AT ALLA BADA HASSAN'S RENDEZVOUS?

HIGH LIGHTS OF HISTORY

A "New Deal" In Babylon

By J. CARROLL MANSFIELD

THE TREMENDOUS PUBLIC INTEREST IN OUR OWN "NEW DEAL" BRINGS TO MIND THE FIRST "NEW DEAL" ON RECORD, THE CODE OF LAWS DRAFTED IN THE YEAR 2100 B.C., BY THE BABYLONIAN KING, HAMMURABI.

HAMMURABI'S CODE OF LAWS COVERED EVERY PHASE OF SOCIAL AND ECONOMIC LIFE. ONE OF HIS LAWS SAID, "IF A BUILDER BUILD A HOUSE, AND IT FALL DOWN BECAUSE HIS WORK WAS NOT FIRM AND KILL THE OWNER, THE BUILDER SHALL DIE."

THE LAWS WERE CHISELLED ON A STONE SHAFT EIGHT FEET HIGH, WHICH WAS SET UP IN A PUBLIC PLACE. A SCENE CARVED AT THE TOP SHOWED THE KING RECEIVING THE CODE FROM THE SUN GOD. THIS WAS DONE TO MAKE THE PEOPLE THINK THE LAWS WERE DIVINE.

THE CODE CONTAINS THE EARLIEST EXAMPLES OF GOVERNMENT REGULATION OF BUSINESS AND PRICE-FIXING. FOR INSTANCE, THE LAW READ THAT A DOCTOR WAS TO BE PAID FIVE SHEKELS FOR SETTING A BROKEN LEG.

THERE WERE SPECIAL LAWS TO PROTECT THE POOR, WIDOWS AND ORPHANS, -AND EVEN WORK ANIMALS. ACCORDING TO HAMMURABI'S CODE, A FARMER WHO WORKED HIS OXEN TOO HARD WAS FINED A THIRD OF A MINA OF SILVER.

A CAPTURED ROBBER HAD TO PAY BACK TEN-FOLD THE MONEY HE HAD STOLEN. IF THE THIEF WAS NOT CAUGHT, THE LOCAL POLICE WERE HELD TO ACCOUNT AND HAD TO REIMBURSE THE VICTIM.

KIDNAPPERS RECEIVED SHORT SHRIFT IN THOSE DAYS. HAMMURABI'S CODE SAID, "WHOEVER STEALS A MAN'S MINOR SON SHALL BE PUT TO DEATH." IT DIDN'T MENTION GIRLS!

UNDER HAMMURABI JUSTICE WAS SWIFT AND SURE: HIS LAWS SERVED AS THE BASIS FOR LEGAL CODES FOR MANY CENTURIES. HAMMURABI'S CODE ALSO GIVES A GOOD PICTURE OF THE LIFE OF HIS DAY.

"The cowboys formed a circle, holding slip-knotted ropes, while their companion, carrying a saw, approached the horn-locked bucks. It seemed the only way to save the animals' lives. However, subsequent events proved this a waste of time."

Sawed the Locked-Horn Duelists Apart, and Then the REAL Fight Began

Fascinating Details of the Furious Struggle Between Two Love-Maddened Wild Bucks Who Battled to A Double Death, After Cowboys Had Separated Them

THE eternal triangle, all experts agree, is older than man. Time and again anthropologists have uncovered fossilized remains that prove definitely that long before the time of Adam and Eve gigantic mastodons and dinosaurs fought to the death for the love of a female of their kind.

Deep-seated in all male creatures of the animal kingdom, scientists say, is this instinct to fight for possession of the female. Possibly no more striking illustration of this theory could be asked than an amazing life-and-death struggle between two large buck deer witnessed a few days ago in the valley of the Colorado river.

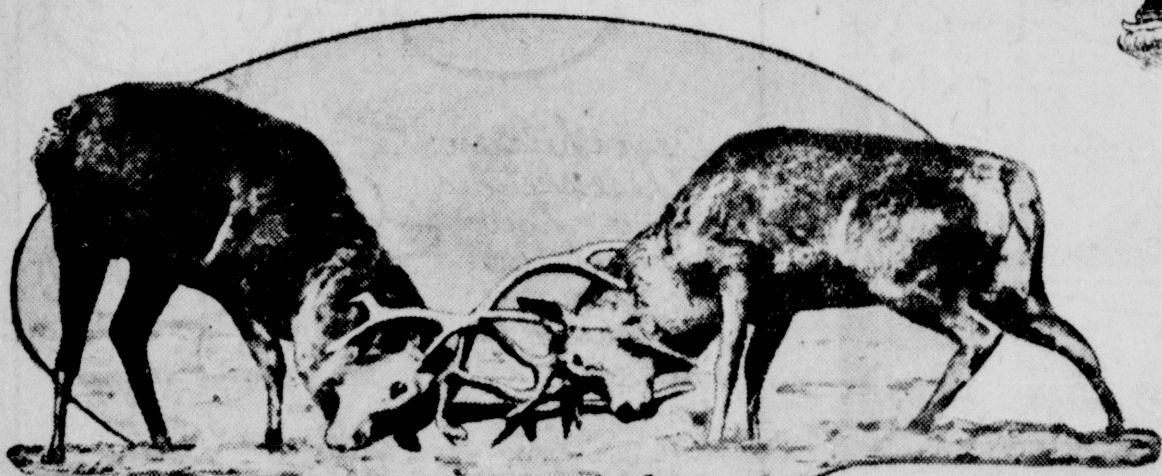

The crew of a freight train on the Moffat Railroad was approaching Hot Sulphur Springs, Colorado. Suddenly, one of the men shouted to his companions and pointed across the snow-covered slope. A few hundred yards from the track two deer bucks, their beautifully shaped antlers locked in mortal combat, were wrestling furiously. One had slipped and fallen and the other was obviously trying to gore him with his horns but could not tear his horns loose from the other's antlers.

Most surprising of all, a little distance away from the spot where the two males were fighting so frantically, stood a doe. As the train went by slowly she seemed to be patiently waiting to be claimed by the victor.

In fact one of the train crew asserted that he detected a twinkle of pride and pleasure in the doe's large, beautiful

Drawing by Dan Smith Showing Exactly How the Courageous Cowboy Sawed Through the Interlocked Antlers of the Love-Maddened Wild Bucks, Saving Their Lives. However, the Next Day, the Two Rivals Resumed Their Battle. Left: The Fighters Vainly Striving to Gore Each Other.

brown eyes. "Just like a woman," he told the others, "she doesn't care if they both die fighting over her."

A few minutes later the train pulled into Hot Sulphur Springs and the men informed the station master of the stir-

Another View of One of the Bucks Resting on the Snow, Taken Shortly Before They Were Roped by the Cowboys.

ring struggle they had witnessed. "Are they wild deer?" the station master asked.

"You never saw anything wilder," he was told. "And there was the doe looking on, very pleased no doubt at having caused trouble between two bucks who maybe had trotted around together for years."

The station master telephoned Sheriff Mark E. Fletcher, of Grand County.

Both Bucks Seem to Have Lost Their Heads in This Camera Study. Illusion Is Result of the Photo Being Taken at a Moment When Each Had Twisted His Head Away From Camera in an Effort to Untangle His Horns.

"There's a couple of killers just outside of town here," said the railway man who is something of a practical joker. "They're trying to bump each other off the earth."

"Bad men, eh?" asked the sheriff, thinking that possibly Pretty Boy Floyd or John Dillinger had ventured into his territory.

"No, they're bucks," the station master told him, "but they're all tangled up."

Gathering together some ranchers and cowboys, Sheriff Fletcher rode out to the place where the fighting deer had been. In their frantic skirmishing the interlocked bucks had slid and struggled until they were near the banks of the ice-bound Colorado River. The doe had followed and still watched them like some maiden fair of the olden time observing with breathless interest the jousting of two knights, both intent on gaining her hand.

But when Sheriff Fletcher stepped forward to within a few feet of the squirming, twisting fighters and leveled

his rifle, the doe fled. The officer of the law is a first-rate shot. He aimed at a prong of one deer's antler, and the ball made a clear hole through it, but that was all—it failed to shatter the horn.

The two male deer acted as though having bullets whistle near their skulls were everyday occurrences to them. They paid no attention, simply kept trying to buck each other with their entangled antlers. Nearer and nearer their heads came but the tightly-locked horns prevented them from injuring each other.

Sheriff Fletcher held a conference with the other men. All of them had found on the plains pairs of deer skulls with antlers interlocked. These had died of starvation and thirst. Having humane natures the watchers were eager to spare these two wild creatures a similar fate.

The only practical way of doing this seemed to be sawing off the interlocked horns. This was highly dangerous because both animals were infuriated to the point of madness. Unless restrained, they would gore and probably kill (once their antlers were disentangled) any

man who attempted to come near them.

This, though both of the fighting bucks seemed near the point of exhaustion. The ranchers were sure from the way the handsome beasts breathed and moved that they had been fighting for many hours, possibly for several days.

While one of the men rode back to Hot Sulphur Springs to get the necessary saw, the others busied themselves swinging slip-knotted ropes over the locked antlers.

Then the men on horseback each took a rope and formed a circle around the two deer, who were still moving about in their frustrated efforts to wound each other.

By the time their companion had returned from town with the needed saw, they were all standing in

the circle holding taut the ropes. Ray Ruske, a daring and experienced cowboy, volunteered to perform the dangerous feat. He approached and quickly and deftly cut through the entangled horns.

Then he stepped back quickly and mounted his horse. At a given signal, the cowboys loosened the slip-knotted ropes, freeing both deer and gave them plenty of room to make a getaway into the hills.

Separately, the bucks swiftly dashed for the nearby wooded hills and freedom. The men watched them until they were out of sight.

"Well, boys," laughed the sheriff, "I guess we are all eligible for membership in the boy scouts. We've done our good deed for today."

Yet the very next day one of the ranchers had occasion to ride into the wooded section of the hills. Fighting in the clearing were the same two bucks. He identified them easily because part of their antlers had been sawed away.

Again their horns were interlocked and the same doe stood placidly by watching the two bucks fighting the second time for the privilege of possessing her.

"Like love-mad men," thought the rancher as he drove away, "they never learn."

It seemed useless to try and separate them again. Frequently during the mating season, the carcasses of pairs of deer who died with horns interlocked are found in this section of the United States. When the rancher reached home, he telephoned the sheriff.

"You'll have to resign from the boy scouts," he said, "those ornery critters are at it again."

Sheriff Fletcher seemed quite annoyed, muttered something about having other things to do beside gathering posies to go out into the hills and save the lives of two fool deer.

Going by the same spot a week later, the rancher looked for the deer. He found them lying in the same clearing, horns interlocked in death. Like knights of the olden time, they had fought and died for love.

No doe was standing by to mourn their loss, however. She had run off like the fickle creature she was. Apparently, the female deer did not agree with the woman novelist who once wrote "Dead lovers are good lovers."

The male deer's only weapons of attack are his antlers. This is why so many conflicts among the species end in disaster for both contestants. Occasionally, however, a resourceful buck manages to gore his rival to death before the other has an opportunity to use his horns.

Of late years there has been a tremendous amount of discussion about deer-hunting. Many humanitarians have long agitated for the banning of this sport.

One New York columnist wrote recently that, if he had his way, each deer would be given a gun so he could shoot back at the hunter.

Certainly, the deer enjoys the reputation of being among the most beautiful and docile of all animals. In zoos they frequently become tame enough to eat out of the hands of visitors. The above story, however, proves that they are far from peaceful creatures during the Spring mating time.

An Actual Photograph of the Battle, Near Hot Sulphur Springs, Col., Showing One of the Exhausted Deer Antagonists Down on the Snow. Note the Shadow of the Photographer in the Foreground.

Death Is the Only Winner! Half-Covered With Snow, the Carcasses of the Two Fighting Deer Were Found Days Later, and With Horns Again Interlocked, Among the Trees of the Wooded Mountainside.

SO YOU OVERHEARD US PHONING FOR A DOCTOR, WAITED AT THE FOOT OF THE STEPS TILL HE SHOWED UP- AND SLUGGED HIM, THEN TOOK HIS MEDICINE CASE, DIS- GUISED YOURSELF AND THOUGHT YOU'D COME IN AND ARREST US, EH?

RIGHTO

HE CERTAINLY GAVE ME A NASTY RAP ON THE HEAD, LU, WHEN HE STOPPED ME DOWNSTAIRS! WHO IS HE?

I'LL TELL YOU WHO HE IS, DOC. HE'S J. SCOTLAND BUMPSTED, "SUPER- DETECTIVE" - HE CALLS HIMSELF.

HE'S JUST A PLAIN SNOOPIN' FLATFOOT-A MEMBER OF THE EUROPEAN SECRET POLICE. MANY'S THE TIME HE MADE LIFE MISERABLE FOR ME IN DEAR OLD LONDON YEARS AGO. THAT'S WHY I LEFT ENGLAND.

SO! WELL WHAT DO YOU THINK WE OUGHT TO DO WITH THE FISH FACE, LU?

I'LL TELL YOU WHAT TO DO WITH HIM!

WHAT'S THAT, DOC?

TURN HIM OVER TO ME. IT JUST CAME TO ME THAT HE COULD BE USED AS A... ER...WHAT YOU MIGHT CALL... LABORATORY SUBJECT. FOR CLINICAL PURPOSES AND EXPERIMENTATION.

YOU'RE SURE THAT'D BE BETTER THAN...

OH, MUCH BETTER - MUCH BETTER, WHAT WITH MY DISSECTING ROOM AND CREMATORY!

SCOTTY'S HANDS ARE RETIED BEHIND HIS BACK AND HE IS ORDERED INTO THE DOCTOR'S CAR. THEN, AFTER A THIRTY MINUTE RIDE.....

THAT'S THE PLACE, CURLEY... IN THROUGH THIS ALLEY.

A CHARMING OPERATING ROOM YOU HAVE HERE, OLD CHAP...

OH- YOU LIKE IT, DO YOU? GEE, THAT'S GREAT!

UNTIE HIS HANDS AND GET HIM UNDRESSED, CURLEY- WHILE I GET THE CHLOROFORM READY.

OKAY, DOC! ALL RIGHT SHERLOCK, GET YER DUDS OFF, BUT DON'T TRY ANY FUNNY MOVES 'CAUSE I'VE GOT YOU COVERED.

AH! CIGARS! NICE HAVANA CIGARS - MY FAVORITES.

YOU'LL FIND A MATCH IN MY COAT POCKET.

ALL RIGHT-BRIGHTYES-OFF WITH THE DUDS! YOU HEARD WHAT THE DOC SAID.. WHAT TH--

QUICK, CURLEY! OPEN A WINDOW SO THE DRAFT WILL BLOW THIS SMOKE OUT OF HERE!

HEY! WHERE'S MY GUN? LOOK OUT, DOC-WE'RE FRAMED!

NOW KEEP THEM UP, YOU BOUNDERS!

THAT WAS A SMOKE- BOMB!

WHY THE DIRTY -- @ * W * !

SCOTTY'S SMOKE-BOMB CIGAR HAS TURNED A TRICK FOR HIM! NOW IF HE CAN GET THESE TWO TO HEADQUARTERS!
